

AVJS Bulletin: 9th June 2023

Welcome back and I hope you have had a lovely half term break. This half term is a particularly busy one and the main item on all the children's minds is usually transition. Thank you for submitting your child's friend request; our staff are busy at present sorting out the classes for next year and preparing our year 6 children for their move to their new schools. We will be holding some transition sessions over the next few weeks so the children can start to get used to their new classes and teachers including the moving up morning on 29th June.

Our girls' football team played extremely well last night against Mapperley Plains (away) in the semi final. Mr Baker said it was a very evenly matched game which could have gone either way. In the end, Mapperley Plains won 8 – 6 and as you will see from the result, our girls put up a brilliant fight!

Our year 4 children have been enjoying their D&T lessons this week. They have been working on moving vehicles and were putting them to the test today.

Just to let you know that we have reserved the afternoon of Monday, 26th June as a back up for our School Games. This is in case of inclement weather on the 22nd. There will be a letter coming out with all the information you need next week.

If you need to let us know of any changes to pick up arrangements after school, please call or email the office at office@arnovale.notts.sch.uk. The teachers do not often get the chance to look at their emails

or Dojo messages during the day meaning there is a risk that we could miss something if you try to inform us via the teacher, thank you.

Next week, the children in year 5 are going to a tennis festival at the Nottingham Tennis Centre and the children in year 3 are going to Brackenhurst for a Stone Age day, so fingers crossed for good weather!
