

Bulletin: 15th March 2024

The school has been a sea of red today! The children looked wonderful in their Comic Relief outfits and hopefully you will have raised a lot of money for this fantastic cause.

Thank you to all of you who supported us and came along to our Mother's Day Tea afternoons. It was great to see so many of you and the atmosphere in the hall was lovely. Our catering staff worked really hard preparing the food and the room - I am looking forward to next year's event!

Open: 11th March 2024-End: 3rd April 2024

The Nottinghamshire SEND Local Area Partnership would welcome the views of parents and carers who access Special Educational Needs and Disabilities (SEND) services for their children and young people aged 0-25.

The feedback is essential to enable us to develop services and provision for children and young people with SEND. The survey has been developed with the Nottinghamshire Parent Carer Forum (NPCF).

The views collected from this survey will be shared with the Nottinghamshire SEND Partnership Assurance and Improvement Group (PAIG) and will be used to shape future services and provision in the areas of education, health and care. The PAIG leads on the co-ordination of services for children and young people with SEND in Nottinghamshire and includes representatives of parents and carers.

[SEND Parent and Carer Survey 2024: Have Your Say - Nottinghamshire County Council - Citizen Space](#)

PSHE is such an important part of our curriculum as it equips the children with the skills and knowledge to become responsible members of society. We teach the children the importance of our school values and how this can impact on each other. Occasionally things do go wrong and we look for ways to help the children broaden their understanding. Next week, Mrs Pennant will be delivering a workshop to each year group entitled 'Words Matter'. This will explain to the children how negative words, especially those of a racist nature, impact on people's lives. It will be done in a sensitive, age appropriate way and should generate some very constructive discussions.

Our boys football team have had a fantastic week with two wins. Many thanks to Finn in year 6 who has provided us with these match reports:

Arnold View-Wednesday 13th March

In the first ten minutes, Arno Vale were on top, but the Arnold View goalkeeper made a few good saves to keep the match goalless. Soon we broke through with Lewis grabbing a first goal. At half time, both teams had fought and battled hard. The score was 1-0 to Arno Vale. Soon, we started to dominate, and scored 3 more. Then a few more goals for Arno Vale made it 5-0. Then a brilliant outside-the-box goal from Alex made it six. Arnold View didn't give up, but two late goals from Arno Vale finished the score of the game at 8-0.

ERNEHALE-Thursday 14th March

After a short walk up Arno Vale Road to the Ernehale pitch, we got ready to play. It was a big, bobbly pitch, but we carried on and worked incredibly hard. We won many tackles and shot many shots. Ernehale stopped many attacks, but our defence was rarely pressured. Then we scored 2 goals in quick succession from two Riley corners, Joey and Alex the scorers. Then, in the second half, two great moves, including three well worked passes in each, grabbed a third and fourth, scorers being Lewis and Finn (in the last second). Final score, Arno Vale 4-0 Ernehale.

If you have a child in year 6, the deadline for ordering the leavers' hoodies is this Sunday, 17th March.

For parents of children in year 3, the Brackenhurst trip is no on ParentPay, thank you.

We love to hear about the achievements the children have outside of school.

Caitlin in year 3 took part in a vocals workshop at the weekend, singing a multitude of songs from a wide range of movies that culminated in a concert at the Nottingham Albert Hall on Sunday evening.

She was awarded a certificate, picture below, for her participation.

We know there are quite a few minor bugs and illnesses going round at the moment and if you feel your child needs medication at school, please discuss this with your child's class teacher. For any medication administered at school (either by the child or a member of staff) we need to have a completed medical form which are available from the school office. We ask that you do not send your child in with throat lozenges or cough sweets, thank you.

This week hosted by Joey in year 6 with a poetic interlude by year 3

Stars of the week:

6Purple - Freddie, Lewis and Finn for determination

4Orange - Sid for determination and Lewis for independence

3Grey - Arabella and Annabelle for respect

4Yellow - Marley for determination and Viliam

3White - Lucas for independence and Evie for respect

5Green - Huey for independence and Joe I for determination

5Red (as chosen by the class) - Gabe and Emily S for curiosity

6Baker - Bella and Alex C for independence

Birthdays:

Henry celebrated his birthday this week. Happy Birthday!

TTRS:

Ivy, Olivia, Faris, Ibraheem, Elijah, and Joe I achieved the most correct answers. Well done everyone.

5Green were the class who put in the most effort this week.

Katy in year 4 shared her football awards. Bella in year 4 was awarded player of the match from her football team and Thomas in year 4 shared his impressive Harry Potter artwork.

Our class challenge was about respect for equipment. The winning class was 5Red - well deserved.

Don't forget that the FOAV are holding a film night next Friday (22nd). If you would like your child to go, tickets are available to purchase through your ParentPay account. Please see the flyer below for more details.

Skips Safety Net

Keeping children safe online

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

scan the QR code with your phone's camera for Parent's Guide on how to help keep your children safe online

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
