

2nd July 2026

Dear Parents and Carers,

We're sending the newsletter out a little early this week, as tomorrow's an inset day and school is closed.

Thank you so much to everyone who came to support us at sports day. It really was amazing. The children had such a lot of fun - loving the fact that so many of you came to cheer them on. I appreciate the rules we asked you to follow were extensive, but they did allow us to keep everyone safe and events did run smoothly. I can't wait until we do it all again next year!

Next week is our Diversity Week. We have non-uniform on Monday with the theme- wear something which represents you, your culture or your beliefs. We also have lots of fun activities planned including willow weaving, drumming and dancing (more details below). Then to finish off the week we have our Colour Run, which will link nicely to some teaching around the celebration Holi. It's going to be another busy week - full of exciting new learning!

Have a super weekend!

Jackie Oldfield, Head Teacher

Diversity Week - w/c 6th July 2026

DIVERSITY WEEK

We are excited to let you know that Monday 6th July marks the start of our Cultural Diversity Week.

*The week will begin with a whole-school assembly led by Mrs Broniewska and the Diversity Council. On this day, we ask children to come to school wearing clothing that represents their culture. This could be traditional clothing, flag colours, or anything that reflects who they are. **If Monday is your child's PE day, they don't need to come in their PE kit.***

The children will also perform a song, dance, or story based on their learning about other cultures and will take part in a flag parade.

Throughout the week, children will take part in class activities, dance and drama workshops, and assemblies to help them learn about and celebrate each other's differences. This week is a celebration of our diverse school community and an opportunity to learn from each other.

We are still looking for parent volunteers to come into school during the week to share something with the children. If you are interested, please speak to your child's teacher. .

If anyone has large country flags we could borrow for displays around the school, we would be very grateful- please give these to the office or your child's teacher.

Below is an outline of the activities happening in school throughout the week.

Monday 6th	Diversity week assembly- children wear clothes to represent their culture Flag parade and children's performances
Tuesday 7th	Assembly delivered by The Salvation Army

Football

World Cup fever might have hit the UK, but this week we had a better game at Arnold Mill than any I have seen in the tournament. The girls took the field for the final time as a team searching for a win.

We started bright and took the lead before half-time leading 2 - 0. In the second half, we had so many close chances but the ball just didn't find the net for a while. With 5 minutes left Good Shepherd took a 4-3 lead and it seemed bleak for us. However, the crowd got even more behind us and that gave the girls confidence to fight back, with a stoppage time winner! We could not be more proud of the girls and it was all down to their teamwork, perseverance and effort that every game has been a joy to be a part of!

We wish the Year 6 girls all the best as they leave us and look forward to welcoming new members to the team next year.

Mobile Phones in School

A quick reminder that we have a no phones in school policy for children. They should not be bringing phones to school and if they do, it will be sent to the office and an adult will be asked to collect them. When used unsupervised, mobiles can lead to safeguarding concerns, unwanted photo taking and unkind messages. Please don't feel you need buy your child a phone, as it won't be allowed in school. You can see the policy in more detail by clicking this link [Link to policy](#).

Recycle to Read Batteries Collection

Our school is recycling batteries to protect the planet (and for a chance to win book vouchers for the school). Thanks to your efforts the school was recently awarded £30 in book vouchers for the batteries that have been recycled so far, but we would like to do more.

We need your help - plus your child could win some fantastic eco-inspired prizes too!

How can you help?

- 1. Hunt out used batteries at home. We are collecting AA, AAA, C, D, 9V and button batteries.*
 - 2. Tape over the contacts of lithium (Li) and button batteries (see below).*
 - 3. Put them in a tied plastic bag (preferably reused)*
 - 4. Take them to the school's collection point by the school office.*
 - 5. Enter the prize draw at jointhepod.org ([link here](#))*
-

Battery Recycling Prize Draw

By entering how many batteries you have taken to school to be recycled and entering your details below, you will be entered into the prize draw.

All entrants have a chance to win one of the following prizes:

- A Captain Busta Mascot (made from recycled plastic bottles)*
- A pair of Marley headphones*
- A set of Super Nature Lego*

- A Smart Green Science pack
- A refillable Ocean Saver water bottle
- A RESIST WASTE recycled backpack
- Recycled Rubber Urban Playground Football Size 4
- You must be an adult (parent/ carer/ teacher) to enter this competition on behalf of a pupil or eco-team. **The competition will close at midnight on June 28th, 2026.** Many thanks for your support and happy battery hunting! Not only is storing and recycling batteries safely great for the environment, it can also help reduce risks associated with batteries: Batteries can cause serious injury or death if swallowed, please keep batteries out of reach of small children and pets. Lithium and button batteries need to be taped so their contacts don't touch, as they could short circuit if they do.

Use sticky tape over the contacts (top and bottom of batteries). Button batteries can be placed in a line between two sections of sticky tape. Lithium batteries can look like any battery, but they will have lithium (Li) written on them.

HELP US PROTECT THE PLANET BY RECYCLING BATTERIES!

YOU CAN HELP TOO!

YOUR MISSION is to collect used batteries from home and bring them into school. Every battery counts!

By collecting batteries we can also get discounted books and have a chance to win books too.

Sun Protection Guidelines – Sun Hats and Sun Cream

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

- Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
 - Please ensure that your child is wearing suitable school shoes (no trainers, flip flops, crocs or open toed shoes)*
 - **Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended.** If your child is prone to burning and you feel they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.*
-

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.
