

12th June 2026

Dear Parents and Carers,

The children are going to be taking part in their year group Olympics next week (this isn't Sports Day, that is on the 22nd of June and you are all invited). Parent's aren't able to come to our Olympics but the children will need to be in their PE kits please. FS, Y1 and Y2 is on Tuesday and Y3, Y4, Y5 and Y6 is on Thursday.

We have a non-uniform day on Friday 19th of June, please bring a bottle or some chocolate as donations towards the summer fair. The children can wear whatever they like- there is no theme.

Our latest Sex and Relationships Policy can be viewed on our website [\(link to policy\)](#). If you have any questions or if you would like to see any of the resources used, please speak to your child's class teacher.

Have a super weekend!

Jackie Oldfield, Head Teacher

Yes → Have you applied for Free School Meals? → **Yes** → Thank you. This not only benefits your child, but also the school as a whole, as we will receive vital Pupil Premium Funding.

No → **Common reasons that parents don't apply for Free School Meals:**

- My child is in reception, year 1 or year 2 and therefore already gets free meals.
- I don't want my child to be embarrassed.
- Applying is too complicated and/or I don't have time.
- My child has a packed lunch.

Why we would ask that you still apply:

- Extra School Funding:** School will receive Pupil Premium funding for every child entitled to free school meals - even if parent's eligibility ceases.
- Free School Milk:** Children will be eligible for free milk throughout primary school universal entitlement ends at age 6 or end parent's eligibility ceases.
- Access to HAF:** Access to Holiday and Food Programme, giving free activities during school holidays.

Thank you for your time.

Please note that all applications are dealt with in the strictest confidence and children are not treated any differently.

You can apply quickly and easily through www.nottinghamshire.gov.uk

AMPS 1 Priory Juniors 5

A great game on Tuesday—entertaining from start to finish! The conditions were a bit tricky with the wet pitch, but it stayed warm, so the lads got stuck in and played some really nice football. We started brightly but went 2 down just before half-time. Allan smashed in our first goal of the season just minutes into the second half—a great moment and well deserved! You could see the confidence lift straight away after that. Both teams gave it a go, which made it a really fun match to watch from the sidelines. Plenty of effort, good passing, and some great energy all round. Massive thanks to all the parents for your support as always—it really makes a difference and the boys love having you there cheering them on!

New Clothing Bank

You may have noticed that we now have a replacement clothing bank near the main entrance to the car park. Please feel free to bring any unwanted clean clothes, handbags and pairs of shoes.

This will raise £300 a year for school and also raise money for World Cancer Care.

Recycle to Read Batteries Collection

Our school is recycling batteries to protect the planet (and for a chance to win book vouchers for the school). Thanks to your efforts the school was recently awarded £30 in book vouchers for the batteries that have been recycled so far, but we would like to do more.

We need your help - plus your child could win some fantastic eco-inspired prizes too!

How can you help?

- 1. Hunt out used batteries at home. We are collecting AA, AAA, C, D, 9V and button batteries.*
 - 2. Tape over the contacts of lithium (Li) and button batteries (see below).*
 - 3. Put them in a tied plastic bag (preferably reused)*
 - 4. Take them to the school's collection point by the school office.*
 - 5. Enter the prize draw at jointhepod.org ([link here](#))*
-
-

Battery Recycling Prize Draw

By entering how many batteries you have taken to school to be recycled and entering your details below, you will be entered into the prize draw.

All entrants have a chance to win one of the following prizes:

- *A Captain Busta Mascot (made from recycled plastic bottles)*
 - *A pair of Marley headphones*
 - *A set of Super Nature Lego*
 - *A Smart Green Science pack*
- *A refillable Ocean Saver water bottle*
- *A RESIST WASTE recycled backpack*
- *Recycled Rubber Urban Playground Football Size 4*

- You must be an adult (parent/ carer/ teacher) to enter this competition on behalf of a pupil or eco-team. **The competition will close at midnight on June 28th, 2026.** Many thanks for your support and happy battery hunting! Not only is storing and recycling batteries safely great for the environment, it can also help reduce risks associated with batteries: Batteries can cause serious injury or death if swallowed, please keep batteries out of reach of small children and pets. Lithium and button batteries need to be taped so their contacts don't touch, as they could short circuit if they do.

Use sticky tape over the contacts (top and bottom of batteries). Button batteries can be placed in a line between two sections of sticky tape. Lithium batteries can look like any battery, but they will have lithium (Li) written on them.

Sun Protection Guidelines – Sun Hats and Sun Cream

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

- Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
 - Please ensure that your child is wearing suitable school shoes (no trainers, flip flops, crocs or open toed shoes)*
 - **Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended.** If your child is prone to burning and you feel they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.*
-

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.
