

17th July 2026

Dear Parents and Carers,

What a busy couple of weeks! The Friends of Arnold Mill did an amazing job organising the Colour Run. Thank you to all everyone who helped, volunteered, joined in and cheered the children on, you are all amazing! Thank you to to our generous business 'colour' sponsors and to everyone that raised money for the school by collecting sponsorship money. If you haven't already handed your sponsor forms and sponsor money in, please could you hand it to the class teacher or school office - don't forget that there is a class prize for the class that raises the most money!

This year our Year 6 Leavers entertained their guests with the performance of the musical 'Grossbusters'. I am sure everyone will agree that they did a fantastic job, well done all of you - you smashed it!!

The F1 and F2 children should also be proud of themselves, they were also amazing at their Learning Journey assemblies. You have all achieved so much, you are all superstars!

Well done to all of the children for their lovely school reports which were shared with parents/carers via My Child at School (MCAS) this week (in the 'Reports' section).

Next week is set to be another busy one, the last week before we break up for the summer.

Jackie Oldfield, Head Teacher

Changes to Free School Meals

National changes to Free School Meals (FSM) eligibility have taken place. One of the biggest updates is that families receiving Universal Credit may now qualify for FSM even if your income is above £7.400 per year.

Children in Foundation, Year 1 and Year 2 will continue to receive FSM automatically.
Checking your eligibility for FSM also checks your child's eligibility to receive pupil premium funding that supports your child's school. So even if your child is in Foundation, Year 1 or Year 2, it is important you still apply if you think you may be entitled. Applications for FSM can currently be made through Nottinghamshire County Council's Citizen Portal by following [Free School Meals](#).

Don't forget that if your child is moving from Year 2 into Year 3 in September their entitlement to Universal Infant Free School Meals will come to an end. Therefore you will need to pay £3.16 for each meal unless you provide a packed lunch or are entitled to Income Based Free School Meals (FSM) - you can check your eligibilty via the Nottinghamshire County Council link above.

Just a polite reminder that school dinners should be paid in advance via MCAS (My Child at School). Don't forget to add some money to your child's dinner money account ahead of the new academic year.

Change of Caterers - Action required if your child has special dietary needs

ARNOLD MILL PRIMARY SCHOOL
Achieving together

Aspens
THERE FOR YOU. EVERY DAY.

WE HAVE CHANGED CATERERS TO ASPENS!

We are excited to be working with Aspens to provide even better meals for your children.

THE BENEFITS INCLUDE:

- MORE VARIETY**
An exciting range of delicious meals.
- PASTA & JACKET POTATOES EVERY DAY**
Available every day in addition to the main event choice.
- VEGETARIAN CHOICE FOR ALL**
All children can choose the vegetarian option if they wish.
- SALAD & BREAD EVERY DAY**
Fresh salad and bread available daily.
- YOGHURTS & FRUIT EVERY DAY**
Healthy yoghurts and fruit available daily.

Fresh. Healthy. Delicious.
There for your child, every day.

From September we will have a new catering supplier, Aspens. Although the kitchen staff will remain the same, we will have new food, menus and systems.

Aspens comply with the Food Information Regulation 2014 which states that allergen information must be provided for all food prepared and sold, and as such will provide a meal for your child if they have a special dietary requirement.

*Unfortunately as a new provider, **ALL ALLERGEN INFORMATION NEEDS TO BE RESUBMITTED** for your child to receive allergen appropriate menu.*

If your child does have a special dietary requirement you will need to complete and return a form please ([Link to form](#)). Please ask the office to send a hard copy home if required.

If your child has a food allergy resulting in a severe reaction/anaphylactic shock, please speak to the school office so that Aspens can get in contact directly to discuss a suitable menu. If this allergy is to one of the known 14 allergens (celery, cereals containing gluten, crustaceans, egg, fish, lupin, milk, molluscs, mustard, peanuts, sesame, soybeans, sulphur dioxide, tree nuts.) then your child can be fed from our allergy aware menu until they have agreed a suitable menu with you.

If your child has multiple allergies or is allergic to other foods such as tomatoes, please could you provide a packed lunch for them until Aspens have met with you to agree a suitable menu.

For those children with intolerance and lifestyle choices, please follow our usual ordering system and select from the daily menu. The draft menus can be seen below. As you will see, there is more choice; anyone can choose the vegetarian option if they wish and both pasta and jacket potatoes will be available as an option on a daily basis.

 - *Fees will be paid directly to the external music provider (in advance), not to the school.*
 - *Children that signed up for guitar or piano this current academic year will be able to continue if they wish.*
 - *Please note that places are limited so we cannot guarantee your child will be successful should they apply for lessons.*
 - *Pupils may only sign up for guitar OR piano during school time (not both).*
-

*There are a limited number of **guitar lesson** slots available on a Tuesday that are being offered to children who will be in class 2a, 2b, 2c, 2d, 2e and 2f in the next academic year.*

-
- *Each weekly lesson will be 30 minutes long.*
 - *Lessons are £24.25 - fees are invoiced on a termly basis (5-7 weeks)*
 - *There is a one-off joining fee of £6.85.*

Mobile Phones in School

A quick reminder that we have a no phones in school policy for children. They should not be bringing phones to school and if they do, it will be sent to the office and an adult will be asked to collect them. When used unsupervised, mobiles can lead to safeguarding concerns, unwanted photo taking and unkind messages. Please don't feel you need buy your child a phone, as it won't be allowed in school. Recycle to Read Batteries Collection

Our school is recycling batteries to protect the planet (and for a chance to win book vouchers for the school). Thanks to your efforts the school was recently awarded £30 in book vouchers for the batteries that have been recycled so far, but we would like to do more.

We need your help - plus your child could win some fantastic eco-inspired prizes too!

How can you help?

- 1. Hunt out used batteries at home. We are collecting AA, AAA, C, D, 9V and button batteries.*
 - 2. Tape over the contacts of lithium (Li) and button batteries (see below).*
 - 3. Put them in a tied plastic bag (preferably reused)*
 - 4. Take them to the school's collection point by the school office.*
 - 5. Enter the prize draw at jointhepod.org ([link here](#))*
-

Battery Recycling Prize Draw

By entering how many batteries you have taken to school to be recycled and entering your details below, you will be entered into the prize draw.

All entrants have a chance to win one of the following prizes:

- *A Captain Busta Mascot (made from recycled plastic bottles)*
- *A pair of Marley headphones*
- *A set of Super Nature Lego*
- *A Smart Green Science pack*

- A refillable Ocean Saver water bottle
- A RESIST WASTE recycled backpack
- Recycled Rubber Urban Playground Football Size 4
- You must be an adult (parent/ carer/ teacher) to enter this competition on behalf of a pupil or eco-team. **The competition will close at midnight on June 28th, 2026.** Many thanks for your support and happy battery hunting! Not only is storing and recycling batteries safely great for the environment, it can also help reduce risks associated with batteries: Batteries can cause serious injury or death if swallowed, please keep batteries out of reach of small children and pets. Lithium and button batteries need to be taped so their contacts don't touch, as they could short circuit if they do.

Use sticky tape over the contacts (top and bottom of batteries). Button batteries can be placed in a line between two sections of sticky tape. Lithium batteries can look like any battery, but they will have lithium (Li) written on them.

Batteries list

Batteries we CAN accept:

We are collecting common household batteries:

- AAA, AA, C, D, 9V and button batteries

Any batteries marked with the word lithium (Li) should have their contacts (e.g. top and tail) taped over.

Sun Protection Guidelines – Sun Hats and Sun Cream

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

- Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
 - Please ensure that your child is wearing suitable school shoes (no trainers, flip flops, crocs or open toed shoes)*
 - **Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended.** If your child is prone to burning and you feel they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.*
-

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.
