

26th June 2026

Dear Parents and Carers,

Well we have made it! It has been a hot one, but with sensible precautions we have been able to stay open all week. The children have been amazing and have listened to our advice on how to keep as cool as we can. We have a very clever school building which is designed to draw fresh air in, so school has been fairly pleasant in most places, its just been the corridors which have struggled. Thank you to everyone who has supported us with this, especially those who brought in ice-creams.

It has been so disappointing to have had to cancel some of our plan this week, but we are going to do our best to rearrange as much as we can.

Next week we are still planning to do our Sports Day on Monday June 29th - the original plans still apply. We're all very excited to see you there.

Year 6 are off to Redhill, if there are attending in September. Those children will need to go straight there on the Wednesday 1st July. If they aren't going to Redhill they still need to come to our school.

On Friday 3rd of July we have an Inset day so children should not attend school on that day.

Have a super weekend!

Jackie Oldfield, Head Teacher

A quick reminder that we have a no phones in school policy for children. They should not be bringing phones to school and if they do, it will be sent to the office and an adult will be asked to collect them. When used unsupervised, mobiles can lead to safeguarding concerns, unwanted photo taking and unkind messages. Please don't feel you need buy your child a phone, as it won't be allowed in school. You can see the policy in more detail by clicking this [link](#) Link to policy.

Friends of Arnold Mill (FOAM) PTFA

Unfortunately, due to the weather forecast, we made the difficult decision to cancel this year's Summer Fair. While we know this will have been disappointing, the welfare and safety of our children, families and staff had to come first.

Due to gambling regulations, the raffle and cash pot draw still need take place today (Friday) - congratulations to the lucky winners! (a list of winning raffle ticket numbers will be published next week). Alongside this the ice cream van, doughnut stand, a mini bar and toy stall were on site for a short while.

We know that many of you purchased blue tokens, unfortunately, we are unable to offer refunds for any unused tokens. Instead, we will be arranging opportunities over the next month for children to spend their tokens, hopefully through pop-up stalls.

In addition, we are planning a small-scale fair in September alongside our OPAL Open Afternoon (dates to be confirmed), where any remaining tokens will also be able to be used.

We sincerely apologise for any inconvenience and thank you for your understanding and continued support.

Recycle to Read Batteries Collection

Our school is recycling batteries to protect the planet (and for a chance to win book vouchers for the school). Thanks to your efforts the school was recently awarded £30 in book vouchers for the batteries that have been recycled so far, but we would like to do more.

We need your help - plus your child could win some fantastic eco-inspired prizes too!

How can you help?

- 1. Hunt out used batteries at home. We are collecting AA, AAA, C, D, 9V and button batteries.*
 - 2. Tape over the contacts of lithium (Li) and button batteries (see below).*
 - 3. Put them in a tied plastic bag (preferably reused)*
 - 4. Take them to the school's collection point by the school office.*
 - 5. Enter the prize draw at jointhepod.org ([link here](#))*
-

Battery Recycling Prize Draw

By entering how many batteries you have taken to school to be recycled and entering your details below, you will be entered into the prize draw.

All entrants have a chance to win one of the following prizes:

-
- *A Captain Busta Mascot (made from recycled plastic bottles)*
 - *A pair of Marley headphones*
 - *A set of Super Nature Lego*
 - *A Smart Green Science pack*
 - *A refillable Ocean Saver water bottle*
 - *A RESIST WASTE recycled backpack*
 - *Recycled Rubber Urban Playground Football Size 4*
 - *You must be an adult (parent/ carer/ teacher) to enter this competition on behalf of a pupil or eco-team. **The competition will close at midnight on June 28th, 2026.** Many thanks for your support and happy battery hunting! Not only is storing and recycling batteries safely great for the environment, it can also help reduce risks associated with batteries: Batteries can cause serious injury or death if swallowed, please keep batteries out of reach of small children and pets. Lithium and button batteries need to be taped so their contacts don't touch, as they could short circuit if they do.*
-

Use sticky tape over the contacts (top and bottom of batteries). Button batteries can be placed in a line between two sections of sticky tape. Lithium batteries can look like any battery, but they will have lithium (Li) written on them.

Sun Protection Guidelines – Sun Hats and Sun Cream

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

-
- *Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
 - *Please ensure that your child is wearing suitable school shoes (no trainers, flip flops, crocs or open toed shoes)*
 - ***Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended.** If your child is prone to burning and you feel they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.*
-

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.
