## Parking and Traffic

---

### *Road Safety*

*You are probably aware of concerns which have been raised by both residents and parents/carers about parking outside the school and surrounding streets. Regularly, School*

*has reminded parents/carers to be safe and considerate of where you park around the School but to summarise:*

### ***Parking***

---

- *Please ensure pavements, driveways and pedestrian access points are kept clear (parking on pavements, across residents' driveways or on private land is not acceptable).*
    - *Please keep the School Keep Clear marking (zig zags) clear .*
      - *Please adhere to local parking restrictions*
  - *Please remember that the school is in a residential area. It is an offence to wilfully obstruct the highway, which can be enforced by police.*
    - *Make sure that emergency vehicles are able to pass if needed .*
  - *Remember that there is a 20MPH speed limit restriction near to the Zebra Crossing on Cross Street during school drop off and pick up times (we have had a couple of near misses by the crossing so please be vigilant).*
  - *We appreciate that it can be very difficult to park near the school, but driving and parking in an unsafe manner is putting children at risk.*
    - *Turn off your engine when parked – engines left idling contribute to air pollution. Emissions from vehicles cause air pollution. Air pollution not only contributes to climate change but is also linked to a range of health conditions and is one of the biggest risks to public health in the UK today. Children, with their developing lungs, are especially at risk.*
  - *Do not allow children to exit vehicles as a quick drop off near the zebra crossings, the school car park entrance, on School Keep Clear 'zigzags' or in queuing traffic.*
- 

***A different way of thinking:***

---

- 
- *We realise that there are some parents who have no alternative but to drive their children to school, however, many are driving short distances where walking is a real alternative.*
  - *Please allow yourself extra time and if possible park away from the school and walk round with your child.*
  - *Many children now miss out on the opportunity to develop vital road safety skills with their parents on the way to school. In a vehicle they fail to build up confidence and learn the ability to manage risk walking around their local community.*
  - *Walking can improve overall levels of fitness in children and adults. It is a cheap low impact way to exercise. This can have a positive impact both mentally and physically.*
  - *Many parents take the view that by driving their children to school they are keeping them safe. Yet the combination of each individual decision makes an increase in vehicle traffic and congestion.*
  - *Travelling more actively, even just for short journeys, can also have a really positive impact on both physical and mental wellbeing.*
- 

---

***Be kind and respectful:***

---

- 
- *Please behave in a manner than is respectful towards others – including pedestrians and local residents.*
  - *Please adhere to our Parent Code of Conduct.*
  - *Please show the children good examples by obeying all the rules.*
  - *Let's all work together to ensure our school area is a safe place*
- 

---

*Sadly the majority of the complaints we receive relate to inconsiderate and/or dangerous parking around school, including parking on pavements and causing obstructions. There have even been instances of abusive and threatening behaviour by parents and carers. This*

---

*behaviour and poor standards of driving and parking are unacceptable and most importantly put children's safety at risk.*

*Despite the complaints, we know most of the parents walk or drive safely and responsibly to school. Thank you for your good example and being an exemplary role model to the children.*

---

## **Severe Weather – Emergency School Procedures**

---

*In the event of snow, we intend to keep the school open and to function as close to normal as possible, although this may be with a reduced staff and classes may be mixed. If there aren't enough staff able to reach the school to run classes, then school will be closed.*

*If it is necessary to close the whole school, we will follow the procedures below:*

---

- *A message will be sent to all parents via email, MCAS and ClassDojo.*
  - *A message will be put on Facebook and on our website.*
  - *We will endeavour to let you know if school is closed by 7.20am.*
- 

## **Clothing**

*If there is snow and the school is open, please send your child to school in suitable footwear, e.g. Wellington boots or equivalent. Children should bring shoes and spare socks in a bag to change into once inside their classrooms.*

## **Online Learning**

*If school is closed, then teachers will send links to The Oak National Academy website on ClassDojo to access lessons to complete at home. We also ask that all children read their school reading books and complete Times Tables Rock Stars if they have a login.*

---

## **Library Visits for the Spring Term**

---

*During the Spring Term your child's class will be visiting Arnold library (dates listed below).*

*They will be walking from school to the library. As this is your child's second visit to the library this academic year the visit will be slightly more informal and is known as a 'Book Exchange Visit'. Your child will be given the opportunity to browse, borrow books and even share a story or two. Library staff will not lead the visit this time, although they are on hand at the Help Desk to support.*

*We would like all children to be able to choose a book on their visit to Arnold library. For this to happen please send in your child's library card or get signed up beforehand.*

*If your child has a library card, please send it into school on the day of the class visit - they will bring it back home after the visit, along with their new book. If your child does not have a library card and you would like to request an application form to be sent to you, please email the school office by 23rd January*

*Please find the dates for when your child's class will visit the library.*
