Here We Are
Use simple fieldwork and observational skills to study the geography of School and Arnold, looking at human and physical features.

Children in Reception will learn.

Draw information from a simple map.
Recognise the similarities and differences between life in this country and life in other countries.
Explore the natural world around them.
Recognise some environments are different to the one in which they live.

Early Learning Goal

Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts.

United Kingdom

Name and locate the countries and capital cities and surrounding sea of the UK.
Interpret a range of maps and use locational and directional language.
Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.

Land use, settlements
(History link – Stone Age)

Rivers
Physical geography of rivers (History link - River Nile).

Africa

Comparing and contrast human and physical features of the UK and a Non European country.

The Peak District
Compare human and physical geography of The Peak District and Arnold.

Local Area Study
Fieldwork study, land use of Arnold.

Let's Explore

Name and locate the world's seven continents and five oceans
Identify seasonal and daily weather patterns in hot and cold areas of the world.
Use world maps, atlases and globes to identify the UK and its countries, as well as the countries, continents and oceans studied at this key stage

Geography Curriculum Map

Volcanoes

Describe and understand key aspects of physical geography including earthquakes and volcanoes (Mt Vesuvius)

Y3/4
