

Arnold Mill Primary School

22nd September 2023

Dear Parents and Carers,

It has been a bit of a wet week, but we have still managed to get outside as often as we can. The children had a blast at Kingswood (the staff did too!). They all got a special mention from the staff at Kingswood for being such a lovely group. A massive thank you to Mr Robinson, Miss Dibley, Mr Phillips and Mrs Greentree for taking the children on such a great adventure.

Lots of children have now brought in their wellies and rain coats, the sooner they come in the more we can get outside when it's wet. Please send your child in with theirs if they haven't brought them in yet.

Just a quick reminder: we do have a school breakfast and afterschool club, so if you need wrap around care (7.45am- 6pm) we are here to help. Both clubs run in school and so there is no need to worry about other people doing the school run, being late to collect or having a last minute emergency. Use [this link](#) for more information.

It's our special maths day on Tuesday so we're looking forward to another fun packed week (more details below).

Have a super weekend!

General Information:

Coram Life Education Scarf

The Coram Life Education & SCARF team will be visiting our school this term.

The children's charity Coram Life Education provides Health and Wellbeing Education support to schools. Workshops are delivered by skilled educators and the SCARF resource is the framework of our PSHE (Personal, Social, Health & Economic) education curriculum.

Workshops – SCARF Life Base/Life Space

The fun, interactive and age-appropriate workshops help children to understand the importance of physical and emotional health; they learn vital life-skills that are also known to help their overall achievement.

- Early Years and Key Stage 1: children learn about keeping their bodies healthy, managing feelings, being a good friend and the safe use of medicines.
- Key Stage 2: children explore emotional needs, choices that can affect health and wellbeing, qualities of friendship, how to cope with bullying and the influence of friends. They also consider the effects and risks of drug use, including medicines, alcohol and tobacco as well as learning about how few people in their age group and older ages, actually use non-medical drugs – this is social norms education.

Wider PSHE education and SCARF

Over 50,000 teachers across the UK are now subscribers – here are some reasons why we have chosen this resource:

- SCARF provides a whole-school approach to building essential foundations – crucial for children to achieve their best, academically and socially
- Supports learning across all ages
- Timetabled lessons to support mental health & wellbeing
- Covers all the DfE statutory requirements for Relationships and Health Education
- Regularly updated online curriculum
- Supports our school in meeting Ofsted's expectations
- UK's leading charity provider – not for profit

The Essentials Cafe - free uniform and resources for children

The poster is for 'The next BIG SCHOOL ESSENTIALS' event on Saturday 21 October (10am-noon). It promotes the 'ESSENTIALS Café' at St Tim's Community Centre, Swinburne Way (off Byron Street) NG5 6BX. The cafe is supported by grant funding from Veolia's Reduce, Reuse, Recycling Fund. It offers 'SCHOOL ESSENTIALS' now available during term time, including a hot drink & light lunch for free, and larger events for all 'SCHOOL ESSENTIALS' during school holidays. The event times are 12.30-2.00PM on Wednesdays: 27 September, 11 October, 8 & 22 November, and 6 December. Contact Jackie Fuller at jackief.spd@gmail.com or 07557 123 238. The poster also mentions 'ST PAUL'S AND ST MARK'S' as a community initiative of St Paul's Church, Daybrook, and includes a map of the location.

The School Essentials program give away uniform and other school items to local parents. The new Essentials Cafe will be offering a free drink and light lunch as well as having uniform available for people who need things mid term. This is not a referral scheme and so is open for everyone to help with the cost of living and hoping to help ensure all children are equipped with all they need for school life.

Harvest Festival - Plea for donations

Year 5 are holding a Harvest Assembly on 27th September. If you would like to donate any items, please pass them onto your class teacher. Parents of year 5 pupils, will have received a letter inviting them to the assembly.

Many thanks

School Meal Price Increase from 16th October

Message from Nottinghamshire County Council:

Major financial pressures including rising food, staff and energy costs will mean the cost of a school meal, supplied by the County Council to schools across the county, will go up by 40p.

The price charged by the council to schools for a meal will increase from £2.55 to £2.95 and will take effect from 16 October 2023.

School Clubs

Places in school clubs have now been allocated and start next week. If you have applied for a place in a school club, you should have received an email telling you whether or not your child was successful. If you haven't received this, please ask at the office.

Unfortunately, we won't be able to accommodate any late applications.

Year 6 SATS Booster Lessons

We would like to invite your child to a SATS booster class. This will happen every Tuesday and Thursday starting promptly at 8.15am (please wait outside the classroom and a member of staff will let you in).

- Tuesday's booster group is a focus on Maths and will be based in 2E with Miss Dibley.*
 - Thursday's booster group is a focus on Reading and will be based in 2F with Mr Hewlett.*
-

*Children are encouraged to bring a breakfast snack if they wish. The first sessions will be on **Tuesday 26th September and Thursday 28th September**. The booster groups will then continue weekly all the way until SATS in May. You do not need to book through the office you can just turn up on the day 😊*

Any questions please ask.

Kind Regards,

Mr Hewlett and Miss Dibley.

Visits to Arnold Library

During the Autumn Term your child's class will be visiting Arnold library (dates listed below). They will be walking from school to the library. Your child will be given the opportunity to browse, borrow books and even share a story or two.

We would like all children to be able to choose a book on their visit to Arnold library. For this to happen please send in your child's library card or get signed up beforehand.

If your child is not already a member of the library, could you please ask your class teacher for an application form and return to school before the date of your child's class visit so that the library has time to process them. If your child already has a library card, could you please send it into school on the day of your child's class visit. Your child will then bring their card home along with their new book after their class has visited the library.

Please find the dates for when your child's class will visit the library.

Maths Rockstar and Number Day: Tuesday 26th September

As a school we love all things Maths and enjoy it even more when we mix it with fun! On **Tuesday 26th September**, children will be taking part in a range of different activities related to maths. This will include counting games, Multiplication Challenges and a "Times Table Rockstar" battle against Arnold View Primary School.

To add to the day, children are invited to come to school dressed as Rockstars or anything number / maths related. This could include wearing a band t-shirt, doing their hair in a fancy style, decorating themselves with their favourite number or even as a certain shape (if you or our child would prefer, you are welcome to wear uniform).

We would also like to remind parents that over the coming weeks children will come home with a login for TTRS (Years 3-6) which is an interactive app the school pay for. Teachers will also be putting many links to games and apps on class web pages / Teams that children can access so please encourage your child to use these apps at home. A great app for our younger children to access is the free White Rose 1 Minute Maths App to support early maths learning <https://whiterosemaths.com/1-minute-maths>.

Thank you for your continued support,

Mr Robinson and Mr Booth

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:

A cartoon illustration of four children holding a banner that reads "Our School Policies". The children are drawn in a simple, friendly style with large heads and small bodies. From left to right: a girl with blonde hair in a green dress, a boy with spiky blonde hair in a red shirt, a boy with spiky blonde hair in a yellow shirt, and a boy with spiky brown hair in a green shirt. They are all smiling and holding hands, with the two outer children also holding the banner. The banner is white with a black border and the text "Our School Policies" in a black, sans-serif font.

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
