

Arnold Mill Primary School

8th December 2023

Dear Parents and Carers,

It was lovely to see you all at the fair last Friday. Thanks for all your support with this event. For more details about what was raised, see below.

A little reminder to those who are late, school does start at 8.50am and registers close at 9.05am.

The children start their learning straight away and so if they are late, they are missing vital information. Please try and get here on time. If you are sending your children to school on their own (year 5 and 6 only please), can you make sure they are not arriving too early as before 8.45am they are not supervised.

This week was the last week of clubs for this term - look out for the next clubs' letter going out for Spring term as you will need to sign your children up for the next block.

Have a great weekend!

Jackie Oldfield, Head Teacher

Dear mum,
I have arrived at the beautiful, picturesque country side. I was amazed when I saw my host family, they were very nice to me and made me feel welcome. The journey was very long and the train was very cramped and busy. It was so hard to leave you. ✓

When we were waiting to be picked by a host family I felt very nervous and scared. I'm very happy with the family that picked me though. There are two other children that are with me as well their names are Billy and Rosie. They are very kind and nice to me.

I started a new school its very fun and I love playing with Billy and Rosie but they sometimes leave me out. I really miss being at home with you. We eat really yummy food at school as well! ✓

I love my new home but I really want you to be here with me.

Lots of Love from

Dearest mother and father

I have finally arrived in the countryside. The journey was very rough ~~loads~~ loads of children trying to say good bye to their parents. I was lucky when I got a chair. Back at the house its a nice little cottage. I was the only child who got ~~evacuated~~ taken in by this family (the Rubens). They are really kind. At first it was a little bit scary but now im ok.

The School I am at is called Riverdale. I have made two friends so far Emily and Scarlett they have been really kind to me. Some of the new children had to introduce themselves in front of the class. I was first when I had to sit down. I sat with Scarlett.

When I got home the owner of the house, Katie asked me what I wanted for dinner. I said fish and chips then we had our nice pudding. Near bedtime I had fifteen minutes to read a book. I had a glass of milk and a biscuit then it was time for bed. It feels different here.

Dear Mum,

I have made it to the gorgeous, picturesque countryside. My mind was blown when I arrived and my host family was really nice when they met me. The train journey was very long and extremely cramped. As soon as I left, my heart immediately sank to the floor. I couldn't bear leaving you alone.

When I got picked by a host family I was anxious but I knew everything would be fine. I got picked with 2 other girls (their names were Annie and Lola). The owners of the house were called Mike and Linda. We also have a nanny named Bea. The house was beautiful and very large. There was a large painting of Linda's dad on the wall, it was so cool. Annie and Lola were very lovely and kind.

We started school a few days ago and it is going okay. No one is really talking to me but they are not being mean, they just don't know who I am. The lessons are very fun and the food is delicious!

I love my host family but life is just not the same without you. Thank you for my letters. I can't wait to see you again. Stay safe.
Speak to you soon

Strep A/Scarlet Fever

We have had some cases of Strep A in school. We have been advised by UK Health Security Agency (previously Public Health England) to send information to parents.

Dear Parent(s)/Carer(s),

Re: Increase in scarlet fever

We are writing to inform you of a recent national increase in notifications of scarlet fever to the UK Health Security Agency (UKHSA), above seasonal expected levels.

We would like to take this opportunity to remind you of the signs, symptoms and the actions to be taken if you think that you or your child might have scarlet fever.

Signs and symptoms of scarlet fever

Scarlet fever is a common childhood infection caused by *Streptococcus pyogenes*, or group A *Streptococcus* (GAS). It is not usually serious, but should be treated with antibiotics to reduce the risk of complications (such as pneumonia) and spread to others. The early symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. After 12 to 48 hours, the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and be pale around the mouth. This may be accompanied by a bright red red 'strawberry' tongue.

If you think you, or your child, might have scarlet fever:

- contact your GP or NHS 111 as soon as possible
- make sure that you or your child take(s) the full course of any antibiotics prescribed. Although you or your child will feel better soon after starting the course of antibiotics, you must complete the course to ensure that you do not carry the bacteria in your throat after you have recovered
- stay at home, away from nursery, school or work for at least 24 hours after starting the antibiotic treatment, to avoid spreading the infection

You can help stop the spread of infection through frequent hand washing and by not sharing eating utensils, clothes, bedding and towels. All contaminated tissues should be disposed of immediately.

Invasive Group A Strep (iGAS)

The same bacteria which cause scarlet fever can also cause a range of other types of infection such as skin infections (impetigo) and sore throat. In very rare cases, the bacteria can get into the bloodstream and cause an illness called invasive group A strep (iGAS). Whilst still very uncommon, there has been an increase in iGAS cases this year, particularly in children under 10 years old. It is very rare for children with scarlet fever to develop iGAS infection.

As a parent, you should trust your own judgement.

Contact NHS 111 or your GP if:

- your child is getting worse
- your child is feeding or eating much less than normal
- your child has had a dry nappy for 12 hours or more or shows other signs of dehydration
- your baby is under 3 months and has a temperature of 38C, or is older than 3 months and has a temperature of 39C or higher
- your baby feels hotter than usual when you touch their back or chest, or feels sweaty
- your child is very tired or irritable

Call 999 or go to A&E if:

- your child is having difficulty breathing – you may notice grunting noises or their tummy sucking under their ribs
- there are pauses when your child breathes
- your child's skin, tongue or lips are blue
- your child is floppy and will not wake up or stay awake

Stop the spread

During periods of high incidence of scarlet fever, there may also be an increase in outbreaks in schools, nurseries and other childcare settings. Children and adults with suspected scarlet fever should stay off nursery / school / work until **24 hours** after the start of appropriate antibiotic treatment. Good hygiene practice such as hand washing remains the most important step in preventing and controlling spread of infection.

Yours sincerely,
UK Health Security Agency

Christmas Fair Update

*I just wanted to update you with how we did at last week's Christmas Fair. We managed to raise an amazing **£2,519.71** which will be added to the fundraising money for Project Playground to buy play equipment. We have already ordered a climbing frame for the Den and have big plans to enhance our playtimes. We will let you know what else we spend the money on.*

Thank you!!!

Thank you to everyone who donated prizes, including business shown on the pictures below.

A special thanks must also go to Karen Gibbs (from the office team) for getting everything ready and organising things brilliantly.

Book Fair Update

The book fair was also a huge success. We will receive £663.70 from Scholastic to spend on books for school (55% of what is spent at the fair). Again, thank you for your support!

Residential Visit to Kingswood: September 2024 - GOOD NEWS!!!

We have good news! We have been awarded extra funding towards this trip, bringing the price down to £286.80 + £16.25 for the bus. This is a significant reduction from the original £358.50. If anyone has paid the original amount in full, we will process a refund which should arrive in your bank account within the next few days.

Places are still available for any children wishing to attend. Just pay a £10 deposit as soon as possible to secure your place.

The trip will be from Monday 16th - Friday 20th September 2024.

The 4 night/5 day experience includes the following:

- *Coach travel to and from the venue.*
- *4 nights' accommodation.*
- *Cooked breakfast, lunch and evening meal every day*

- A range of adventure and water activities supervised by trained instructors
 - An experience to never forget.
-

The remaining balance can be paid either in full or by instalment as long as the full balance is paid by July 2024.

I really hope that you feel able to allow your child to take part in this opportunity and I look forward to going into more detail about the itinerary as soon as we confirm the booking.

We will continue to look into ways of fundraising to reduce the total cost even more. This could change the final balance due but we will keep you informed as much as possible. **Also, due to the rising cost, this may be the final time that we can expect parents to pay for this trip, so could be the final time that we run this trip in this format.**

Redhill Performance of Shrek: Tuesday 12th December 2023

Dear Parents and Carers,

We are really pleased that Year 5/6 children and staff have been invited to watch the performance of Shrek, which is being performed by students at Redhill Academy. The children will eat their lunch as

normal and then be escorted to Redhill Academy by members of the Arnold Mill Primary Staff. They will be back at Arnold Mill ready to leave at their normal time.

Consent to participate in local visits has already been given for, however if you can foresee any problems with your child attending this event, please contact the office (office@arnoldmill.notts.sch.uk).

Many thanks,

Year 5/6 Team

Indian Dance Workshop

Dear Parents and Carers,

Upon their return to school after the festive break, on Thursday 11th and Friday 12th January, all year groups will be taking part in an Indian Dance Workshop led by Dance Days dance company. More details of this can be found on their website <https://www.dancedays.co.uk/dance-workshops/indian-dance-workshops-for-schools> This is to link with our whole school cross-curricular topic which all children will be involved in for the first week of term: 'This is India'.

All children, including nursery, will have the opportunity to dance with a leading dance practitioner, where they'll embark upon a journey through India; discovering traditional dances through fun storytelling.

These sessions are carefully crafted to not only enhance children's knowledge and experience of joyful music making and dance, but also to develop their social, emotional and communication skills, all whilst interacting with their peers.

The cost for the workshop is £2.26 per child and should be paid on ParentPay by Friday 5th January 2024.

We are looking forward to welcoming Dance Days into our school and we know that all year groups will have an amazing time learning about music and dance from India, and experiencing these art forms for themselves.

If you have any queries about the workshops, the week itself or if you have any resources or ideas that may enhance the learning for the children, please contact us on: jfrench@arnoldmill.notts.sch.uk or hjoynt@arnoldmill.notts.sch.uk.

Best wishes,

Mrs J French and Miss Hannah Joynt

Key Stage 2 Taskmaster Club

Taskmaster Club is a fun and interactive after school club for children across the country to join in with, and it's coming to Arnold Mill Primary School for children in Key Stage 2 (Years 3-6).

Based on the hit Channel 4 TV show, Taskmaster Club is a great way for the children to get creative, take on new challenges, and work as a team – all whilst having lots of fun! Little Alex Horne, creator and star of Taskmaster, will be my assistant during Taskmaster Club, and will set tasks for the children to attempt each week.

Taskmaster Club will run on the following dates: 16/1/2024, 23/1/2024, 30/1/2024, 20/2/2024, 27/2/24 for 5 sessions at a cost of £5 per session. The Club will run from 3:45pm to 4.45pm each session. To register your child for Taskmaster Club, please visit <https://taskmastereducation.com/clubs/school-search> and use the following information:

- *Unique School Number: C5M7W*
 - *School Name: Arnold Mill Primary School*
-

It promises to be a whole load of fun and I look forward to seeing how the children approach each task.

Yours faithfully,

Mr T Robinson and Miss G Dibley

Project Playground

We all know that playtimes can be tricky for children, especially if they have nothing to play with. With this in mind, we have joined the OPAL Primary Programme. Their vision can be seen using this link <https://outdoorplayandlearning.org.uk/about-us/our-vision/>

As part of this, we have started our own 'Project Playground' fundraising campaign. We need to develop the equipment and storage solutions in our school grounds. We want to develop different areas for children to use independently, for example, construction zones, quiet areas to read and draw and role play spaces where children can use their imagination.

How can you help?

We have set aside some of our school budget to make these changes but are asking for a little help from you so that we can improve lunchtimes as soon as possible. Some things can be donated, but we will need to purchase quality storage and equipment which will last.

Donations of equipment:

We are looking for physical donations such as outdoor games, dressing up clothes, pushchairs and any construction materials. If you have anything you think might be suitable, please speak to the office.

Fundraising:

Alongside any physical donations, we also need monetary donations for sheds, storage boxes and sturdy play equipment. We will be focusing our fundraising efforts on this throughout the year, with money from school fairs, performances etc going towards this. We have also set up a Justgiving page for donations, just click on [this link](#).

Thank you for taking the time to read this letter. Your donations will go directly to benefit the children at Arnold Mill Primary School and will be gratefully received.

Change of Inset Day to 12th July 2024

Unfortunately, we are needing to reschedule the inset day from 5th July to 12th July due to problems with training bookings.

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!

Childcare:
Have you?

10 - The School Essentials program give away uniform and other school items to local parents. The new Essentials Cafe will be offering a free drink and light lunch as well as having uniform available for people who need things mid term. This is not a referral scheme and so is open for everyone to help with the cost of living and hoping to help ensure all children are equipped with all they need for school life.
