

Arnold Mill Primary School

15th December 2023

Dear Parents and Carers,

Not long now before Santa comes!

Next week is a busy week in school. Here is a quick reminder of what is happening:

- Tuesday 19th at 2.30pm - * *KS1 Nativity performance. Buy tickets on ParentPay for £2.50 (limited to 2 tickets).*
 - Tuesday 19th - *Year 3/4 Christmas Party - children should come to school in their party clothes. Please give the class teacher a £1 donation if you haven't already done so.*
 - Wednesday 20th - *KS1 Christmas Party - children should come to school in their party clothes. Please give the class teacher a £1 donation if you haven't already done so.*
 - Wednesday 20th at 2.30pm - * *KS2 Winter Carol Concert. This is being held on the playground and **tickets are not needed/no need to book**. We will be selling refreshments.*
 - Thursday 21st at 9.45am and 2.25pm - * *Foundation Nativity Performance. Buy tickets on ParentPay for £2.50 (limited to 2 tickets).*
 - Friday 22nd - *Foundation and Year 5/6 Christmas Parties - these children should come to school in their party clothes. Please give the class teacher a £1 donation if you haven't already done so.*
-

*** Please note that access to school for the performances will be through the Cross Street gate only, as the Bestwood Avenue gate is kept locked during the school day for safeguarding reasons. If you go to the back gate, we will not be able to come and open it for you.**

We will be doing a drop-off at the Food Bank on Wednesday, so there's still time to donate if you want to. Just drop off at the school office or the classroom.

School finishes at the normal time on Friday 22nd December and it is school uniform (unless you child's class has their class Christmas Party).

Have a great weekend!

Jackie Oldfield, Head Teacher

School Clubs - Sign up before Sunday

We are asking parents to register their children for the clubs which will run in the Spring term. These clubs are detailed on the next page and will run in 2 separate 3 week blocks as follows:

Spring 1: w/c 15th January – w/c 29th January

Spring 2: w/c 26th February – w/c 11th March

*Please register your child's interest by completing the form ([Link to application form](#)) by **Sunday 17th December at the very latest**. We are asking you to choose clubs in the order of preference and we will then try to accommodate everyone, as best we can, onto their preferred club. Children may be offered places in more than one club if spaces are available.*

We will inform you by Wednesday 20th December whether your child has been successful.

We would emphasise that if you sign your child up to a club, they should attend every week unless there are exceptional circumstances. Regular non-attendance may mean we offer the place to someone else. We always have children dropping out of the clubs which is very disappointing when

other children have missed out. If your child can't make it for any reason, you should let the office know. If, for any reason, the school needs to cancel a club, e.g. staff absence, we will email and text the relevant parents.

Key Stage 2 Taskmaster Club

Taskmaster Club is a fun and interactive after school club for children across the country to join in with, and it's coming to Arnold Mill Primary School for children in Key Stage 2 (Years 3-6).

Based on the hit Channel 4 TV show, Taskmaster Club is a great way for the children to get creative, take on new challenges, and work as a team – all whilst having lots of fun! Little Alex Horne, creator and star of Taskmaster, will be my assistant during Taskmaster Club, and will set tasks for the children to attempt each week.

Taskmaster Club will run on the following dates: 16/1/2024, 23/1/2024, 30/1/2024, 20/2/2024, 27/2/24 for 5 sessions at a cost of £5 per session. The Club will run from 3:45pm to 4.45pm each session. To register your child for Taskmaster Club, please visit <https://taskmastereducation.com/clubs/school-search> and use the following information:

- Unique School Number: C5M7W*
 - School Name: Arnold Mill Primary School*
-

It promises to be a whole load of fun and I look forward to seeing how the children approach each task.

Yours faithfully,

Mr T Robinson and Miss G Dibley

The Taskmaster Teachers

Unclaimed Raffle Prizes

Buff 180	Smellies
Buff 181	Sally Hansen nail varnish set
Buff 190	Wine glass charms
Orange 109	Eden & Bay stuff

Indian Dance Workshop

Dear Parents and Carers,

Upon their return to school after the festive break, on Thursday 11th and Friday 12th January, all year groups will be taking part in an Indian Dance Workshop led by Dance Days dance company. More details of this can be found on their website <https://www.dancedays.co.uk/dance-workshops/indian-dance-workshops-for-schools> This is to link with our whole school cross-curricular topic which all children will be involved in for the first week of term: 'This is India'.

All children, including nursery, will have the opportunity to dance with a leading dance practitioner, where they'll embark upon a journey through India; discovering traditional dances through fun storytelling.

These sessions are carefully crafted to not only enhance children's knowledge and experience of joyful music making and dance, but also to develop their social, emotional and communication skills, all whilst interacting with their peers.

The cost for the workshop is £2.26 per child and should be paid on ParentPay by Friday 5th January 2024.

We are looking forward to welcoming Dance Days into our school and we know that all year groups will have an amazing time learning about music and dance from India, and experiencing these art forms for themselves.

If you have any queries about the workshops, the week itself or if you have any resources or ideas that may enhance the learning for the children, please contact us on: jfrench@arnoldmill.notts.sch.uk or hjoynt@arnoldmill.notts.sch.uk.

Best wishes,

Mrs J French and Miss Hannah Joynt

Geography Coordinators

Residential Visit to Kingswood: September 2024 - GOOD NEWS!!! for current year 4&5.

We have good news! We have been awarded extra funding towards this trip, bringing the price down to £286.80 + £16.25 for the bus. This is a significant reduction from the original £358.50. If anyone has paid the original amount in full, we will process a refund which should arrive in your bank account within the next few days.

Places are still available for any children wishing to attend. Just pay a £10 deposit as soon as possible to secure your place.

The trip will be from Monday 16th - Friday 20th September 2024.

The 4 night/5 day experience includes the following:

- *Coach travel to and from the venue.*
 - *4 nights' accommodation.*
 - *Cooked breakfast, lunch and evening meal every day*
 - *A range of adventure and water activities supervised by trained instructors*
 - *An experience to never forget.*
-

The remaining balance can be paid either in full or by instalment as long as the full balance is paid by July 2024.

I really hope that you feel able to allow your child to take part in this opportunity and I look forward to going into more detail about the itinerary as soon as we confirm the booking.

*We will continue to look into ways of fundraising to reduce the total cost even more. This could change the final balance due but we will keep you informed as much as possible. **Also, due to the rising cost, this may be the final time that we can expect parents to pay for this trip, so could be the final time that we run this trip in this format.***

Mr T Robinson and G.Dibley

Strep A/Scarlet Fever

We have had some cases of Strep A in school. We have been advised by UK Health Security Agency (previously Public Health England) to send information to parents.

<https://www.nhs.uk/conditions/scarlet-fever/>

<https://www.gov.uk/government/publications/scarlet-fever-symptoms-diagnosis-treatment>

<https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities/managing-specific-infectious-diseases-a-to-z>

[Hand hygiene resources for schools](#)

7 December 2023

Dear Parent(s)/Carer(s),

Re: Increase in scarlet fever

We are writing to inform you of a recent national increase in notifications of scarlet fever to the UK Health Security Agency (UKHSA), above seasonal expected levels.

We would like to take this opportunity to remind you of the signs, symptoms and the actions to be taken if you think that you or your child might have scarlet fever.

Signs and symptoms of scarlet fever

Scarlet fever is a common childhood infection caused by *Streptococcus pyogenes*, or group A *Streptococcus* (GAS). It is not usually serious, but should be treated with antibiotics to reduce the risk of complications (such as pneumonia) and spread to others. The early symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. After 12 to 48 hours, the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and be pale around the mouth. This may be accompanied by a bright red red 'strawberry' tongue.

If you think you, or your child, might have scarlet fever:

- contact your GP or NHS 111 as soon as possible
- make sure that you or your child take(s) the full course of any antibiotics prescribed. Although you or your child will feel better soon after starting the course of antibiotics, you must complete the course to ensure that you do not carry the bacteria in your throat after you have recovered
- stay at home, away from nursery, school or work for at least 24 hours after starting the antibiotic treatment, to avoid spreading the infection

You can help stop the spread of infection through frequent hand washing and by not sharing eating utensils, clothes, bedding and towels. All contaminated tissues should be disposed of immediately.

Invasive Group A Strep (iGAS)

The same bacteria which cause scarlet fever can also cause a range of other types of infection such as skin infections (impetigo) and sore throat. In very rare cases, the bacteria can get into the bloodstream and cause an illness called invasive group A strep (iGAS). Whilst still very uncommon, there has been an increase in iGAS cases this year, particularly in children under 10 years old. It is very rare for children with scarlet fever to develop iGAS infection.

As a parent, you should trust your own judgement.

Contact NHS 111 or your GP if:

- your child is getting worse
- your child is feeding or eating much less than normal
- your child has had a dry nappy for 12 hours or more or shows other signs of dehydration
- your baby is under 3 months and has a temperature of 38C, or is older than 3 months and has a temperature of 39C or higher
- your baby feels hotter than usual when you touch their back or chest, or feels sweaty
- your child is very tired or irritable

Call 999 or go to A&E if:

- your child is having difficulty breathing – you may notice grunting noises or their tummy sucking under their ribs
- there are pauses when your child breathes
- your child's skin, tongue or lips are blue
- your child is floppy and will not wake up or stay awake

Stop the spread

During periods of high incidence of scarlet fever, there may also be an increase in outbreaks in schools, nurseries and other childcare settings. Children and adults with suspected scarlet fever should stay off nursery / school / work until **24 hours** after the start of appropriate antibiotic treatment. Good hygiene practice such as hand washing remains the most important step in preventing and controlling spread of infection.

Yours sincerely,
UK Health Security Agency

2F: Tuesday and Thursday (please ensure you have PE kit in school)

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Gedling
Borough Council

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
