

Arnold Mill Primary School

10th May 2024

Dear Parents and Carers,

We would ask that parents try especially hard next week to get children to school on time as it is year 6 SATS week and children arriving late can cause a disturbance to those sitting their tests. All children in year 5 should go to the Den for morning registration (collection at the end of the day will be from their normal classroom). I would like to wish all the year 6s good luck for next week. We know they will try their best but want to remind them that we know that SATS only test certain skills and our year 6s aren't just defined by those skills. We're proud that our children are talented in many ways and want them to see the SATS as just another week at school.

We have recently had a few cases of slapped cheek in school (sometimes known as Fifth disease/Parvovirus B19). Even though children are ok to be in school with slapped cheek, we would request that you let the office know if your child does have it, as it can be dangerous for unborn babies.

On Friday 17th May, to celebrate the end of year 6 SATS, we are having an ice cream van in school. Year 6 children will be having an ice cream in the afternoon free of charge but if you would like to buy your child one at the end of the day, the ice cream van will be parked in the car park. A massive thank you to the parent of a child at our school for donating the free ice creams.

Have a good weekend!

Jackie Oldfield, Head Teacher

Year 6 SATS: w/c 13th May 2024

Year 6 will be sitting their SATs during the week Monday 13th to Thursday 16th May. This may be a stressful time for your child, but we only ask that children try their hardest and think of these tests as an opportunity to 'show off' their best work. We appreciate your help in encouraging them to stay calm and focused.

Because it is important for children to be as relaxed and prepared as possible it is essential for them to be at school on time, we have arranged for yoga sessions and a breakfast for all children. This will be funded by school and will consist of a choice of toast with jam, Marmite or Biscoff spread and juice.

Children should arrive at school for 8.00am on Monday, Tuesday, Wednesday, and Thursday for breakfast followed by relaxation exercises at 8.20am. Your child may also bring slippers to wear in school during the week of SATs.

On Friday, the Year 6 children will have a day to celebrate their week with an arts and crafts morning followed by a trip to St Mary's Park. The Year 6 children will also get an ice-cream free of charge thanks to a local family business. As a way of saying thankyou the ice cream van will remain on site at the end of the school day so there will be an opportunity for all children to buy ice cream if they wish.

If you have any questions, please do not hesitate to contact us (either by telephone or pop in for a chat). We'd like to take this opportunity to wish all of year 6 the very best of luck.

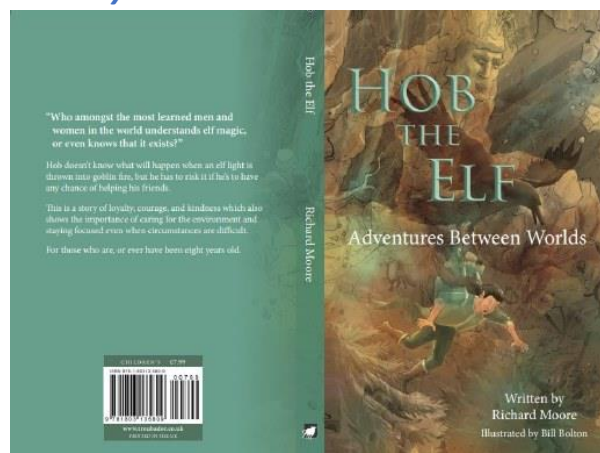

Thank you for your support.

KS2 Author Visit: Wednesday 5th June 2024

We are excited to announce that we have an author visit for KS2 on Wednesday 5th June 2024 which is at no cost for the school. The author is Richard Moore, and he is going to introduce his book 'Hob the Elf-Adventures between Worlds'. The book itself is inspired by the poem 'Hob the Elf' by Norman M Johnson. This book is a fantasy genre and focuses on the transformative power of kindness and love with a balance of light-hearted episodes and serious themes. Find below some feedback from some of Richard's previous visits:

Delia Jones, a retired primary school teacher says:

“As a former class teacher, I was constantly foraging for poems and stories to nourish, enthuse and inspire the children in my care. “Hob the Elf - Adventures Between Worlds” is one such gem.

“Richard Moore has a rare gift for light-touch profundity. The story is rich on so many levels; a wealth of characters lift off the page in scenes full of insight and humour, excitement and kindness, danger, and generosity.”

The superb illustrations beautifully complement the text. A book to enjoy, to keep and to treasure.” March 2023

Reading for pleasure is such a vital development in children’s life and recent research from the National Literacy Trust has found just 2 in 5 children aged 8+ enjoy reading in their free time (the lowest since 2005). We believe having author visits should support a love of reading.

If your child wants to buy a signed copy of the book for a discounted price of £7.00, either on the day of the visit or after, please order at the office with the £7.00 payment in cash only. Your child will then receive the book a few days later. Please see the front cover and blurb below.

Thanks for all your support,

Mr S Hewlett

Arnie's Breakfast Club - Price Increase

The price of breakfast club will be increasing by 25p to £3.50 per session after Easter. The price of breakfast club has not risen since 2017, however our costs have increased significantly, meaning we now need to pass some of this on to parents.

Year 2 Robin Hood Camping Trip

We held a parents' meeting a little while ago regarding Robin Hood camp which was well attended. The Powerpoint slides are available on your child's Teams account if you weren't able to make it to the parents' meeting.

*The cost of the trip to **Robin Hood Activity Centre on Thursday 4th and Friday 5th July** is expected to be around £42.00. The final amount will depend on the cost of the Centre as well as the number of children wanting to attend.*

Some parents have already made payments on ParentPay but if you haven't, and you do want your child to attend, please pay a minimum of £10 by Wednesday 27th March to confirm a place. You can then pay any remaining balance in whatever increments you wish, as long as the final balance is paid by Friday 21st June 2023. We will confirm the final amount after 27th March, once we know the actual numbers attending.

You will be sent a medical form nearer the time and when you return this to school you will receive an information booklet which includes a kit list.

It would be fantastic if every child could attend this trip but if you are concerned for any reason about your child attending, please do not hesitate to speak to a member of staff.

Yours sincerely,

The Key Stage 1 Team

Turn on the subtitles: A message from Jack Black

Did you know that turning on the subtitles on your TV at home is the easiest way to get your child reading? Doing this can double the chance of your child becoming a good reader. Yes, it's really that simple. Please visit <https://turnonthesubtitles.org/parents/> to see Hollywood legend Jack Black explain how you can turn screen time into reading time in 10 seconds.

OPAL Programme: A Message from the Chair of Governors

I wanted to write to you regarding the Outdoor Play and Learning (OPAL) programme that has been launched this week. As Mrs Oldfield mentioned in her letter last week, playtimes are a huge part of primary school, and it is important that this time is beneficial for the children.

As parents I think most of us look back fondly on our primary school playtimes, how we used the skipping ropes not only for skipping but to create outlines of houses or make shapes in the playground for dobby off ground – I think the modern-day name for this is 'floor is lava'! - hula hoops weren't just for hula hooping but for creating hopscotch and the freshly cut grass was perfect for bug houses or pretend campfires. Times have changed and technology has become so enticing and addictive that imaginative play has dwindled.

As Chair of Governors part of my role is to look at the strategic vision of the school and ensure that it benefits all of the children at Arnold Mill. The main aims of OPAL are to improve wellbeing, improve behaviour and develop skills, all of these changes align with the school's strategic vision. Over the past couple of months, the school has been working hard behind the scenes to bring OPAL to life. I know at the moment it might seem a little unusual when your children come home saying things like "we need to take in old pots and pans!" but the saying 'One person's trash is another person's

treasure' feels very fitting when setting out on an OPAL adventure! So please consider the school before putting anything in the bin or doing a charity shop run. If you haven't already, please check out the Bingo Cards that have been emailed out and put on the schools Facebook page.

This week I went into school to watch the OPAL launch assembly. It was lovely to see all of the children engaged and excited about their new playtimes. I hope you will join me in being fully supportive of the introduction of OPAL at Arnold Mill. I am looking forward to all of our children enjoying the outdoors and fulfilling their playtime potential – whether that is making mud kitchens, building dens, learning to walk on cable reels and much, much more.

'The imagination is the golden pathway to everywhere' (Terence McKenna) and that is where we want the children of Arnold Mill to go – wherever their imagination takes them.

Melanie Haslam - Chair of Governors

Opal Launch

As you may have heard we are teaming up with OPAL College to improve your children's playtimes ([link to letter which explains more](#)). In order to do this, we need to gather some 'bits and pieces' to get our site mapped out for fun playtime experiences.

We thought it would be fun if we did this by playing a huge, whole-school Bingo game. Each class will have a bingo board (see below). The aim is for every class to collect all the items as a team.

The first class to collect an item from all four corners will get 10 mins extra play. The first class to get a full row of items will get 15 mins extra play. Then the first class to get a full board will be able to play outside for the whole of a Friday assembly.

We hope you can help us! Second-hand goods are very welcome!

A massive thank you to:

** everyone that has donated items to Opal College so far (a special thank you to Formost Air-Conditioning Limited for their very generous donations).*

Parking

We have had a request from a resident on Mill Crescent to inform our parents that it is a private road and therefore parents should not park on it.

*As a private road, any repairs needed to the road surface are the cost of the residents themselves. Whilst writing, I would ask that you always park considerably around school and would remind you that the school car park is for staff only and should not be used by parents unless collecting a child from Millie's After School Club **after 5pm**.*

We would like to remind parents that the car park is for the use of **staff only** and should not be used for dropping off and picking up. This includes at breakfast club and after school clubs.
Thank you

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough. Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations

- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
