17th May 2024

Dear Parents and Carers,

A massive well done to the year 6s for completing their SATS this week! They have been a real pleasure to work with and I know they have tried their hardest, which is all we can ask.

Thank you to you (parents) and the staff for supporting the children through this process and keeping their stress levels to a minimum.

I have had a complaint about the parking situation on Mill Lane, we have been asked to put this message out to our parents :

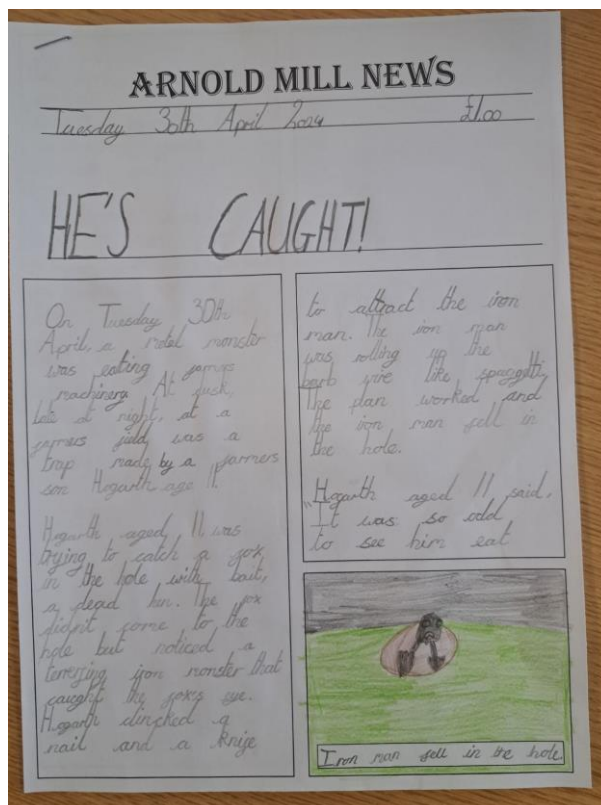

- asking you not to park on Mill Lane or Mill Crescent since they are private roads.*
- asking for considerate parking - I understand no one wants to walk far nowadays but safety should be the first priority.*
- inform that the incident from yesterday has been reported to 101 by concerned neighbours and also photo evidence will be sent to the local council*
- any new incidents involving inconsiderate parking where it concerns safety will be reported to 101 and the council too with a photo evidence so parents may expect some consequences.*

Next week is the last week of half term and there are no clubs, apart from both gardening clubs.

Have a good weekend!

! Hes Vanished !

Last night, at dusk, on 30th of April a huge iron man was caught in a big hole in the ground. In the middle of a field a farmers 10 year old son named Hogarth captured the iron giant with a nail and a knife clanging together. The excited farmers were proud of them selves and Hogarth.

Hogarth was attempting to catch a fox with a dead chicken as the bait. As the fox approached the hole he stopped and glared up at the iron man which was standing on top of the

cliff. Then all of a sudden the iron man came stomping down the hill towards Hogarth. Eating up barb wire as spaghetti.

Hogarth, our eye witness said "I could not believe my eyes a huge iron giant ~~he~~ was eating barb wire whilst stomping in my

Hogarth was trying to catch a fox. But the fox didn't go to the die hen. The fox turned away and the fox saw the Iron Man. Hogarth got an knife and a nail clanged together and the Iron Man fell in the deep deep hole.

The eye witness, Hogarth said

I could't believe my eyes, when Iron Man was rolling up barbed wire and eating it like Spaghetti. He said I was amazed when I trapped the Iron Man and the farmers covered the Iron Man up and the police was not involved.

fox wasn't going to waste the trap. It had seen something huge and metal perhaps a big bear's! When Hogarth had looked to see what was happening, he had seen the most frightening iron waste EVER! He got a knife and a nail, clinked them together, dived the

CAUGHT IRON HANDED!!!

On Wednesday 30th April, at dusk a momentous event took place, a farmer's son, a boy called Hogarth caught the one and only, IRON MAN! He caught him in a field when trying to catch a fox. Although it was harsh there was a reason to, he had eaten half of their machinery. Farmers and villagers from nearby settlement buried him alive.

Young Hogarth wasn't sure what to do. Should he alert the farmers? Should he run and hide? Should he capture the Iron Man? He decided to grab his nail and knife and tap them together! The Iron Man heard the mouth watering metal calling to him! Hogarth carried on

and THUD! The Iron man was gone! He ran home to his father.

We asked our eye witness Hogarth if there was anything he wanted to add and he said, 'I'd never seen anything more frightening than the Iron Man. I got a short glimpse of his large Iron teeth as he munched on the prize like spaghetti. After we captured him, I felt slightly guilty. I wonder if he will ever return?

Visits to Arnold Library

During the Summer Term Most children will be visiting Arnold library (dates listed below). They will be walking from school to the library. Your child will be given the opportunity to browse, borrow books and even share a story or two. Library staff will not lead the visit this time, although they are on hand at the Help Desk to support.

We would like all children to be able to choose a book on their visit to Arnold library. For this to happen please send in your child's library card or get signed up beforehand.

If your child has a library card, please send it into school on the day of the class visit - they will bring it back home after the visit, along with their new book (which will need to be returned to the library please). If your child does not have a library card and you would like to request an application form to be sent to you, please email the school office.

Please find the dates for when your child's class will visit the library.

Thanks for all your support.

KS2 Author Visit: Wednesday 5th June 2024

We are excited to announce that we have an author visit for KS2 on Wednesday 5th June 2024 which is at no cost for the school. The author is Richard Moore, and he is going to introduce his book 'Hob the Elf-Adventures between Worlds'. The book itself is inspired by the poem 'Hob the Elf' by Norman M Johnson. This book is a fantasy genre and focuses on the transformative power of kindness and love with a balance of light-hearted episodes and serious themes. Find below some feedback from some of Richard's previous visits:

Delia Jones, a retired primary school teacher says:

"As a former class teacher, I was constantly foraging for poems and stories to nourish, enthuse and inspire the children in my care. "Hob the Elf - Adventures Between Worlds" is one such gem.

"Richard Moore has a rare gift for light-touch profundity. The story is rich on so many levels; a wealth of characters lift off the page in scenes full of insight and humour, excitement and kindness, danger, and generosity."

The superb illustrations beautifully complement the text. A book to enjoy, to keep and to treasure." March 2023

Reading for pleasure is such a vital development in children's life and recent research from the National Literacy Trust has found just 2 in 5 children aged 8+ enjoy reading in their free time (the lowest since 2005). We believe having author visits should support a love of reading.

If your child wants to buy a signed copy of the book for a discounted price of £7.00, either on the day of the visit or after, please order at the office with the £7.00 payment in cash only. Your child will then receive the book a few days later. Please see the front cover and blurb below.

Thanks for all your support,

Arnie's Breakfast Club - Price Increase

The price of breakfast club will be increasing by 25p to £3.50 per session after Easter. The price of breakfast club has not risen since 2017, however our costs have increased significantly, meaning we now need to pass some of this on to parents.

Year 2 Robin Hood Camping Trip

We held a parents' meeting a little while ago regarding Robin Hood camp which was well attended. The Powerpoint slides are available on your child's Teams account if you weren't able to make it to the parents' meeting.

*The cost of the trip to **Robin Hood Activity Centre on Thursday 4th and Friday 5th July** is expected to be around £42.00. The final amount will depend on the cost of the Centre as well as the number of children wanting to attend.*

Some parents have already made payments on ParentPay but if you haven't, and you do want your child to attend, please pay a minimum of £10 by Wednesday 27th March to confirm a place. You can then pay any remaining balance in whatever increments you wish, as long as the final balance is paid by Friday 21st June 2023. We will confirm the final amount after 27th March, once we know the actual numbers attending.

You will be sent a medical form nearer the time and when you return this to school you will receive an information booklet which includes a kit list.

It would be fantastic if every child could attend this trip but if you are concerned for any reason about your child attending, please do not hesitate to speak to a member of staff.

Yours sincerely,

The Key Stage 1 Team

OPAL Programme: A Message from the Chair of Governors

I wanted to write to you regarding the Outdoor Play and Learning (OPAL) programme that has been launched this week. As Mrs Oldfield mentioned in her letter last week, playtimes are a huge part of primary school, and it is important that this time is beneficial for the children.

As parents I think most of us look back fondly on our primary school playtimes, how we used the skipping ropes not only for skipping but to create outlines of houses or make shapes in the playground for dobby off ground – I think the modern-day name for this is ‘floor is lava’! - hula hoops weren’t just for hula hooping but for creating hopscotch and the freshly cut grass was perfect for bug houses or pretend campfires. Times have changed and technology has become so enticing and addictive that imaginative play has dwindled.

As Chair of Governors part of my role is to look at the strategic vision of the school and ensure that it benefits all of the children at Arnold Mill. The main aims of OPAL are to improve wellbeing, improve behaviour and develop skills, all of these changes align with the school’s strategic vision. Over the past couple of months, the school has been working hard behind the scenes to bring OPAL to life. I know at the moment it might seem a little unusual when your children come home saying things like “we need to take in old pots and pans!” but the saying ‘One person’s trash is another person’s treasure’ feels very fitting when setting out on an OPAL adventure! So please consider the school before putting anything in the bin or doing a charity shop run. If you haven’t already, please check out the Bingo Cards that have been emailed out and put on the schools Facebook page.

This week I went into school to watch the OPAL launch assembly. It was lovely to see all of the children engaged and excited about their new playtimes. I hope you will join me in being fully supportive of the introduction of OPAL at Arnold Mill. I am looking forward to all of our children enjoying the outdoors and fulfilling their playtime potential – whether that is making mud kitchens, building dens, learning to walk on cable reels and much, much more.

‘The imagination is the golden pathway to everywhere’ (Terence McKenna) and that is where we want the children of Arnold Mill to go – wherever their imagination takes them.

Melanie Haslam - Chair of Governors

Opal Launch

As you may have heard we are teaming up with OPAL College to improve your children’s playtimes ([link to letter which explains more](#)). In order to do this, we need to gather some ‘bits and pieces’ to get our site mapped out for fun playtime experiences.

We thought it would be fun if we did this by playing a huge, whole-school Bingo game. Each class will have a bingo board (see below). The aim is for every class to collect all the items as a team.

The first class to collect an item from all four corners will get 10 mins extra play. The first class to get a full row of items will get 15 mins extra play. Then the first class to get a full board will be able to play outside for the whole of a Friday assembly.

We hope you can help us! Second-hand goods are very welcome!

A massive thank you to:

** everyone that has donated items to Opal College so far (a special thank you to Formost Air-Conditioning Limited for their very generous donations).*

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough. Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
