

Arnold Mill Primary School

6th October 2023

Dear Parents and Carers,

Our after-school clubs are back in full swing, we've restarted our library visits and have now got a new school council. It never stops in school!

We've also had a spell of illness which has meant some of your children haven't had their usual teachers. We understand this can be unsettling for them, but always try and get quality class cover so the children can continue their learning. As we don't know how long someone will be off with ill health we don't normally let parents know, unless it is going to be a long-term issue. If you have any problems or questions during a time that your usual staff are off, please email the office and we can get things sorted for you.

As Covid seems to be raising its head again we have sought the latest advice- at the moment the advice is adults who test positive should try and stay away from other people for 5 days and children should try stay away from people for 3 days. As people aren't really testing anymore, our advice is, if your child is well enough to come to school, they should attend school every day. If you need to bring your child whilst you have Covid, you could wear a mask to keep the virus from spreading.

Hopefully, school will keep bug free as we hate missing any of our learning time.

I'm looking forward to seeing you all next week at our parents' evenings.

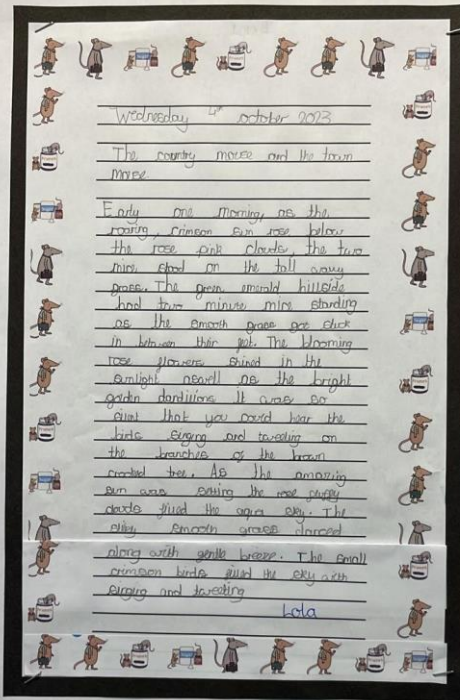

Have a super weekend.

Jackie Oldfield, Head Teacher

The Country Mouse
and the Town mouse

Early the morning
I heard birds tweeting
loudly and the wind
waving through the
silky green grass.
They looked up at the
sky and saw blue
fluffy clouds and the
clear like blue sky.
The silky green grass
was rubbing between
their toes. The wind
was making the grass
dance and the silky
green grass was kicking
their toes.

Year 4 Rand Farm Residential Visit May 2024: Deadline for applying for a place - Sunday 15th October

Following the parents' information meeting, applications are now open to apply for places on the above residential visit. This visit is open to children in year 4, with 30 places available. Unfortunately, due to low take up on the last trip and the school making a loss, we have had to reduce the numbers this time round. Places will be offered on a first come, first served basis. However, if we are oversubscribed, we will give priority to children who did not go on the last trip. If you were unable to attend the meeting, the presentation can be found using [this link](#).

How to apply for a place on the trip

*Please complete [this form](#) to register your child's interest in attending the trip. The deadline for applying for a place is **Sunday 15th October** and we will inform parents w/c 16th October, whether their child has been successful. We will then require a £20 deposit to be paid by the end of October to confirm the place.*

More information about the trip

The children will have a full two-day learning experience and a 1-night stop over on the Farm. The aim of the visit is for the children to hopefully gain a better understanding of farm life, why people continue to do it, where their food comes from as well as the effect upon the environment. There will be opportunities for children to participate in a range of activities which we will let you know about nearer the time. Children will also carry out farm jobs e.g., milking, bottle feeding, mucking out etc. There will also be lots of opportunities for children to have recreational time and use the different facilities at the farm to enable them to wind down at the end of a busy day.

The cost of the trip will be £135.00 per child, payable by instalments. The cost includes transport from school to Rand Farm Park, all meals, activities, use of the facilities, and talks/activities with farm staff.

Many thanks

Joss French

Consultation about joining The White Hills Park Trust - Parents' meeting Thursday 19th October at 5.30pm

For some time, we have been looking at the best options for the school for the future. Many schools have now moved into Multi Academy Trusts (MATs), with approximately 43% of primaries and all but 1 secondary being an academy in Nottinghamshire. After a lot of research and discussion by the governing body and senior leadership staff we have decided to move forward with joining a MAT and have applied to join the White Hills Park Trust.

We believe that this move will have many benefits for our children, families and staff enabling us to work with other highly regarded schools to share expertise in all areas of school life. At the same time, we will maintain all of the attributes that make our school so special. We will also be able to share facilities and staff expertise to develop our curriculum and our educational offer. The trust will have a central focus on professional development for our staff so that we can continually improve our teaching and learning.

Each school within White Hills Park Trust retains its own individuality, ethos and values. In terms of the day-to-day life of the school, there will be little difference to that which is currently experienced by the pupils and parents. In particular we will be maintaining our strong identity as a primary school. I will continue to make operational decisions and share the strategic leadership with our Governing Body, at the same time as benefiting from sharing best practice amongst other schools.

*The consultation period is from Monday 16th October to Monday 27th November. We are arranging a consultation open event for **Thursday 19th October at 5.30pm**, in the school hall. You may also wish to send letters in to school marked 'Academy Conversion' if you have any questions. Key people will be in attendance including Dr Paul Heery, CEO of the White Hills Park Trust, and Mrs Jacquie Sainsbury, Primary Director of the White Hills Park Trust who will give a presentation and will be available afterwards to answer any questions you may have. The governors will have access to, and will consider, all responses before we make a final decision. We look forward to engaging with you in this very important step for our school.*

KS1 Reading for Pleasure with Parents: *First session Friday 20th October*

It has been a good start to the year, and we are really looking forward to welcoming you all into class.

As our returning KS1 parents will know, we like to invite you to come into school and read with your child once per half term. Reading is at the heart of everything we do in school and promoting a love of reading for pleasure is one of our highest priorities. After having taken on board feedback from last year, we are letting you have these dates now so that as many of you as possible will hopefully be able to join us! You are always welcome to bring books from home to share in these sessions or read one we have in class.

In all cases, please arrive outside your child's classroom and we will open the doors as soon as we can for you to sign in and join in!

Friday 20th October 9-9.30am (reading for pleasure)

Tuesday 12th December 3-3.30pm (share a winter celebration story)

Friday 9th February 9-9.30am (bring your favourite book to share)

Tuesday 26th March 3-3.30pm (Easter story and craft)

Friday 24th May 9-9.30am (reading for pleasure)

Tuesday 23rd July 3-3.30 (our year's story and celebration)

We hope you can join us at one or more of the sessions, but we do understand that you are all very busy so please don't worry if you can't as there are lots of staff members who will be able to read with your children.

If you have any questions, please see your child's class teacher.

Kind regards,

The KS1 Team

KS1 White Post Farm Roadshow: *Thursday 16th November 2023*

We have been lucky enough to be able to arrange for White Post Farm to bring their fantastic roadshow to school on Thursday 16th November 2023. They will be bringing with them a variety of animals from the farm ranging from reptiles to mammals; some bigger, some smaller and lots in between! They will be providing two animal experts for the day who will be able to teach the children all they know about the animals to support our KS1 science curriculum on animal classification, lifecycles and animals & offspring. There will be opportunities for the children to get up close to the animals, ask questions and handle them – if they want to! It is a brilliant learning opportunity not available even on a physical visit to the farm.

To help with the cost of this full-day roadshow we are asking for a contribution of £4.72 per child. Please make payment via ParentPay as soon as possible and no later than Friday 10th November.

If you have any questions, please contact your child's class teacher.

Kind regards,

The KS1 Team

Please note that children will only receive the vaccination if parental consent is given.

Year 5 & 6 - National Holocaust Museum: 22nd November

*The visit, **on 22nd November 2023**, will provide an engaging opportunity for the children to discover what life was like for Jewish children in Europe during World War 2 and will be an informative way of extending our classroom work in history, geography and R.E. We will have the opportunity to hear a survivor of the Holocaust speak about their experiences and the whole day is an extremely moving and thought-provoking experience.*

*The trip to The Holocaust Museum will take place during school hours, leaving school at 9.15am and returning by 3.30pm and will cost **£14.00, payable via your child's ParentPay account by 17th November please**. The cost of the trip includes transport and entrance to the museum.*

The children will need to be provided with a drink (not fizzy or glass bottles please) and a packed lunch for the trip (please confirm whether you will send a home prepared or ordering one from school) one can be ordered from school – please select the relevant option on the Trip Permission Form).

Please complete the enclosed Trip Permission Form and return it to the school office by 1st November.

On the day the children will need to wear school uniform and may also bring a small amount of money (£5 max.) to spend in the gift shop should you wish, however this will be their responsibility to look after.

There will be lots of other thrilling adventures so keep an eye out for more.

Yours faithfully,

Miss Dibley, Mr Hewlett and Mr Phillips

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts
Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children
Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

Don't sit there idle
Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us
Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.
Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

How it affects you and others
Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
