

Arnold Mill Primary School

28th March 2024

Dear Parents and Carers,

Thank you for all your support this term. It's been lots of fun in school. It's been great to have so many of you come into school for various recent events, including today's Easter craft competition viewing. There's some photos of the amazing entries below.

We drew the winners of the Easter Raffle earlier today. We have informed all winners and handed out all the prizes. We raised £283 from ticket sales. The two recent discos raised an amazing £583. All of the money raised will go back into providing equipment for your children to benefit from. Thank you to everyone who has supported these recent events.

Have a lovely Easter break 🐣🥚🐰

Year 2 Robin Hood Camping Trip

We held a parents' meeting a little while ago regarding Robin Hood camp which was well attended. The Powerpoint slides are available on your child's Teams account if you weren't able to make it to the parents' meeting.

*The cost of the trip to **Robin Hood Activity Centre on Thursday 4th and Friday 5th July** is expected to be around £42.00. The final amount will depend on the cost of the Centre as well as the number of children wanting to attend.*

Some parents have already made payments on ParentPay but if you haven't, and you do want your child to attend, please pay a minimum of £10 by Wednesday 27th March to confirm a place. You can then pay any remaining balance in whatever increments you wish, as long as the final balance is paid by Friday 21st June 2023. We will confirm the final amount after 27th March, once we know the actual numbers attending.

You will be sent a medical form nearer the time and when you return this to school you will receive an information booklet which includes a kit list.

It would be fantastic if every child could attend this trip but if you are concerned for any reason about your child attending, please do not hesitate to speak to a member of staff.

Yours sincerely,

The Key Stage 1 Team

Turn on the subtitles: A message from Jack Black

Did you know that turning on the subtitles on your TV at home is the easiest way to get your child reading? Doing this can double the chance of your child becoming a good reader. Yes, it's really that simple. Please visit <https://turnonthesubtitles.org/parents/> to see Hollywood legend Jack Black explain how you can turn screen time into reading time in 10 seconds.

OPAL Programme: A Message from the Chair of Governors

I wanted to write to you regarding the Outdoor Play and Learning (OPAL) programme that has been launched this week. As Mrs Oldfield mentioned in her letter last week, playtimes are a huge part of primary school, and it is important that this time is beneficial for the children.

As parents I think most of us look back fondly on our primary school playtimes, how we used the skipping ropes not only for skipping but to create outlines of houses or make shapes in the playground for dobby off ground – I think the modern-day name for this is 'floor is lava'! - hula hoops weren't just for hula hooping but for creating hopscotch and the freshly cut grass was perfect for bug houses or pretend campfires. Times have changed and technology has become so enticing and addictive that imaginative play has dwindled.

As Chair of Governors part of my role is to look at the strategic vision of the school and ensure that it benefits all of the children at Arnold Mill. The main aims of OPAL are to improve wellbeing, improve

behaviour and develop skills, all of these changes align with the school's strategic vision. Over the past couple of months, the school has been working hard behind the scenes to bring OPAL to life. I know at the moment it might seem a little unusual when your children come home saying things like "we need to take in old pots and pans!" but the saying 'One person's trash is another person's treasure' feels very fitting when setting out on an OPAL adventure! So please consider the school before putting anything in the bin or doing a charity shop run. If you haven't already, please check out the Bingo Cards that have been emailed out and put on the schools Facebook page.

This week I went into school to watch the OPAL launch assembly. It was lovely to see all of the children engaged and excited about their new playtimes. I hope you will join me in being fully supportive of the introduction of OPAL at Arnold Mill. I am looking forward to all of our children enjoying the outdoors and fulfilling their playtime potential – whether that is making mud kitchens, building dens, learning to walk on cable reels and much, much more.

'The imagination is the golden pathway to everywhere' (Terence McKenna) and that is where we want the children of Arnold Mill to go – wherever their imagination takes them.

Melanie Haslam - Chair of Governors

Opal Launch

As you may have heard we are teaming up with OPAL College to improve your children's playtimes ([link to letter which explains more](#)). In order to do this, we need to gather some 'bits and pieces' to get our site mapped out for fun playtime experiences.

We thought it would be fun if we did this by playing a huge, whole-school Bingo game. Each class will have a bingo board (see below). The aim is for every class to collect all the items as a team.

The first class to collect an item from all four corners will get 10 mins extra play. The first class to get a full row of items will get 15 mins extra play. Then the first class to get a full board will be able to play outside for the whole of a Friday assembly.

We hope you can help us! Second-hand goods are very welcome!

Let's Play Bingo!

We have had a request from a resident on Mill Crescent to inform our parents that it is a private road and therefore parents should not park on it.

*As a private road, any repairs needed to the road surface are the cost of the residents themselves. Whilst writing, I would ask that you always park considerably around school and would remind you that the school car park is for staff only and should not be used by parents unless collecting a child from Millie's After School Club **after 5pm**.*

We would like to remind parents that the car park is for the use of **staff only** and should not be used for dropping off and picking up. This includes at breakfast club and after school clubs.
Thank you

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Boroughs air quality webpage below:

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
