

Arnold Mill Weekly Newsletter 16th June 2023

Dear Parents/Carers,

We have enjoyed watching the children join in during our Olympics this week. All the children have been given the opportunity to take part in different activities, earning points for their school house groups. It's been so lovely to see everyone giving everything a go.

As the weather has been beautiful, we have been reminding children to wear hats, drink a lot of water and reapply suncream. Please see the information below about keeping your children safe in hot weather, this includes wearing appropriate footwear; chocs, trainers or open toe shoes should not be worn.

Next week is a very busy week. We have lots of trips happening, with foundation 2 going to Sherwood Pines, various library visits and some of year 6 going to the Royal Concert Hall. Please make sure you have completed the relevant consent forms and read the trip letters carefully (see copies below) to make sure you are sending your children with everything they need for their activities.

We have the school photographer in on Wednesday for the class/group photos.

Of course, we also have our Summer Fair on Friday. We are still looking for volunteers to help with this, along with donations. Please see our [Summer Fair newsletter](#) for more details. You can avoid the rush on the day by buying raffle tickets and tokens either via ParentPay or by card payment at the office.

Have a lovely sunny weekend!

Dear Mr T.Randall,

I am writing to you as a concerned pupil ~~me~~ because of the terrible parking around our school. I hope you don't mind me writing to you but I must inform you that I am very disappointed with how dangerous people are making it to walk to and from school.

Firstly, people are parking in front of the school gates, driveways, drive-ways, in the teachers car park and on double yellow lines while dropping off and picking up children. We have also seen people driving ~~with~~ without seatbelts, with children on the driver's laps and people going past the speed limit (20mph) which we believe is very irresponsible and risks children's lives.

Mr

Dear Mr. T. Randall,

I am a year 5 pupil at Arnold Mill Primary School. I am writing to inform you about the rather big issue with parking in and around school. I am hoping, once you have read this letter you will invest your help into something a problem I am deeply worried about.

For example, one big problem is that cars are parking too far on the pavement which prevents pedestrians who intend to walk past. If there is no room to get past, they will force pedestrians to walk on the road. A way to improve this issue would be to put up signs up reminding drivers to park safely.

Another issue is that drivers are parking on double yellow lines which I'm sure you would know is illegal. This could block other drivers right and whilst they are reversing which may result in injuries or a car being damaged.

Dear Mr. T.

Dear Mr. T. Randall,

I am writing to you because I am a concerned pupil at Arnold Mill. I am worried about the parking around our school.

Firstly, I would like to inform you about where people are parking, that it is making it dangerous for the children. Most people park on the double yellow lines, driveways or even in front of our school gates. I would like if you would be able to put more signs on the road.

The next thing I would like to tell you about is people going over the speed limit. I'm also very concerned about people not wearing their seatbelts in cars, babies sitting on people laps and it is very dangerous. I would be so grateful if you could make a change by having more traffic wardens or speed cameras. Thank you very much.

Yours faithfully,

Miss Ava - Olinick

We are currently looking for 2 new midday supervisors to join our wonderful team. If you are interested, or know anyone who is, please contact the office.

Retirement of Ms Ward and Mr Knight

As mentioned in last week's newsletter, Mr Knight and Ms Ward will be retiring at the end of this academic year. I know for many of you they are 'Arnold Mill' through and through. They have played such an important part in so many children's lives that I honestly don't know what we're going to do without them. It's sad for school but exciting for them and so we need to mark their departure in a fitting way. We are planning a few special 'things' so that we can give them parting gifts to remember. If you would like to contribute or want to send your own gifts, please see the office. I'm sure you'd like to join with us in wishing them all the best for the future- they both deserve some well deserved time off.

A plea for costumes for our year 6 end of year performance of Aladdin

We are so excited for the upcoming performance of Aladdin. As we prepare for this, we would love your support with sourcing costumes for the children. For each character there is a suggested costume idea; however, please feel free to add your own ideas to this. If you think you may have anything suitable for another character in the production that your child is not playing but are willing to lend to us, it would be greatly appreciated.

Please see below the characters and their suggested costume ideas. Your child will be sent home with their individual character/s costume list this week. If you have any questions or problems with finding parts of your child's costume, please let a member of the Y6 team know so we can support you with this. We truly appreciate all your help with making this production a great one.

Many Thanks,

The Year 6 Team

Sun Protection Guidelines – Sun Hats, Sun Cream & sensible footwear

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

-
- Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
 - Please ensure that your child is wearing suitable school shoes (no trainers, flip flops or open toed shoes)*
 - **Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended.** If your child is prone to burning and you feel they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.*
-

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.

F2 Trip to Sherwood Pines: Tuesday 20th June

We have arranged to take the children from F2 on a visit to Sherwood Pines on Tuesday 20th June 2023. We will be making woodland art, learning about minibeasts and pond dipping. The trip will take place during normal school hours.

The cost of the visit is £12.20 per child payable via ParentPay by 5th June 2023 (we recognise that finances may be stretched, so we have tried to give you as much notice as possible, we have also

tried to be flexible by way of offering the option to pay the full amount either in small increments to suit, or in one lump sum). The cost includes the organised activities at Sherwood Pines, hiring a bus and a free packed- lunch (as your child is entitled to Universal Free School Meals).

We will send hard copy trip permission forms and medical information forms for completion nearer the time.

On the day, children will be expected to wear school uniform but can wear trainers or similar comfy shoes, they will also need a drink and a morning snack. If it is very hot they will need a sun hat and have sunscreen applied.

Many thanks

Year 6 Trip to see Now Hear This: Friday 23rd June

We are offering year 6 pupils the opportunity to attend 'Now Hear this!' at the Royal Concert Hall on Friday 23rd June.

The event takes place during the day at from 1.00-2:30pm. Pupils will travel to and from the event via public transport accompanied by school staff. If your child would like to attend, please make payment via ParentPay. The cost of the trip will be £5.70, which includes a ticket for the event and travel. This is a completely optional trip and children who don't go will remain in class.

Further information about the event:

Now Hear This is a fun-packed, fast-paced introduction to classical music and the instruments of the orchestra for Key Stage 2 children aged 7-11, with the chance to join the world famous Hallé orchestra in making a sensational sound.

This year's theme is Out of This World, full of the music of sci-fi and fantasy. The concert begins with the epic Sunrise from Strauss' Also Sprach Zarathustra, best known from Stanley Kubrick's 2001: A Space Odyssey. Your guide to the concert is presenter, dancer and bassoonist, Ruth Rosales. She takes us on a journey into some fantastic worlds, escaping the trolls with Grieg's Peer Gynt In the Hall of the Mountain King, flying with the Angry Birds and battling alongside the heroes of Final Fantasy. There are fantastic creatures too, with Tchaikovsky's Swan Lake and the lullaby from Stravinsky's Firebird. After some dancing skeletons from Saint-Saens' Danse Macabre, the concert ends, with the famous Duel of the Fates from Star Wars.

Year 6 Sports Festival at Redhill: Wednesday 28th June

All Year 6 pupils will be attending the Sports Festival at Redhill on the afternoon of Wednesday 28th June 2023. The event will be during school time and the pupils will be back in school by 3.30pm for normal collection. Please make sure your child has their P.E kit in school on the day of the event.

There will be a number of different activities being led by Sports Leaders and each group will experience four of those on a rotation, approximately 25 minutes at each. Each group will also have a Sports Leader assigned to them who will stay with that group for the whole afternoon, encourage them and move them from one activity to another.

If the weather is poor on the day, we will cancel and try to rearrange the event. Most activities are outside so if the weather is nice, please provide sun cream, a water bottle and a hat.

Thank you for all your support,

Mr Hewlett and Mr Robinson

F2 End of Year Learning Journey Celebration (ticket only event): Thursday 6th July

We would like to invite you to an F2 celebration event on Thursday 6th July at 2.45pm.

The children will perform some songs and tell you about the things they have learnt during their year with us. At the end of the presentation there will be ten minutes for you to come into the Foundation Unit to have a look at your child's work with them and then you can take it home with you at the end of the day.

There are two guest tickets (in total) available for each F2 child, to book your tickets please complete the electronic form - [link here](#) by midnight on 5th July 2023.

We will not be issuing physical tickets as the booking form enables us to produce the guest list for us to check on the day.

We would like to clarify the arrangements for the day as follows:

-
- *On the day of the assembly, we will set out the number of seats as requested via the electronic booking form.*
 - *Doors open for guests at approx. 2.40pm and the assembly is due to start at 2.45pm.*
 - *Please note that the pedestrian gate on Bestwood Avenue is locked at 9.15am and will remain locked until 3.15pm.*
 - *The main vehicular access gates leading to the staff car park remain closed during the day, if the vehicle gate happens to be open please do not park in the car park as you risk being locked in (the gates will remain locked between 3.00pm and 3.50pm).*
-

A reminder that, in line with our Safeguarding Policy and Social Media Parental Agreement, there should be no phones out during the production. We will have staff members taking pictures and videos of children which we will then share via Teams to the whole school. These should not be shared any further via social media platforms. Please indicate on the form if you wish your child not to appear on Teams photos/videos.

Kind Regards

F2 Team

F1 (nursery) Picnic at Arnot Park: Thursday 6th July

*This year we are hoping to celebrate the end of the academic year and their learning journey achievements at Arnold Mill by organising a picnic for all **F1am and F1pm** children. This will be held at Arnot Park, Arnold during school time on Thursday 6th July.*

We hope the picnic will be an enjoyable time for the children and that they will create some lasting memories to take with them.

Please confirm whether, or not, your child will be attending by completing the electronic form [link here](#) by midnight on 25th June. *If your child is unable to attend the picnic please do not bring them into school that day as all of the F1 staff will be at the park with the children.*

We would like to clarify the arrangements for the day as follows:

-
- *Both morning and afternoon children need to arrive at their classroom by 9.00am.*
 - *The children (escorted by staff) will walk to the park for a fun filled day of games and activities, and of course to eat their picnic lunch!*
 - *Please ensure that your child has sun cream applied and has a hat, as the sun will probably be strong. They will also need a small rucksack to carry their own picnic and belongings in.*
 - *The children will need a packed lunch. You will be asked to confirm if you are ordering a school packed lunch or you will provide a home prepared packed lunch when you complete the permission form. The closing date for school packed lunch orders is midnight on **25th June**.*
 - *The children will all need a drink of water in a named water bottle - no fizzy drinks, fruit juices, squash etc. please.*
 - *The children are welcome to bring a **small** teddy for the picnic (please make sure it is named and not a special teddy, just in case it gets lost!!)*
 - *We aim to be back in school for 3pm so please collect your child from their classroom at 3.25pm.*
-

Year 3 and 4 Ancient Anglo-Saxon Day: Wednesday 12th July 2023

*In support of our curriculum topic for the summer term, '**Invade, Raid, Stayed**', rather than taking the children on a more costly coach trip to a museum or attraction, we have arranged for the trip to come to us - a company called 'The Specialists' will run a series of fun workshops for the children on Wednesday 12th July.*

Learning outside the classroom or in a workshop format is a valuable and effective means of extending pupil knowledge, enriching pupil understanding and promoting personal and social development. We encourage educational visits and experiences for all our pupils and hope that parents will recognise the value and importance of these visits or events and give them their full support.

*The whole school cost of the day is £357 and includes a whole day of activities. This represents excellent value for money as we won't have to pay for transport (which would be at least £350). The company provide all the resources needed for the children to learn about the Anglo-Saxons. **The day works out at £4 per child and should be paid via your child's ParentPay account by 8th July 2023.***

We believe in the value of these experiences and try to ensure that these opportunities are accessible and affordable to all. However, the school does not have the financial resources to pay for every trip or in-school trip alternative. The contribution is voluntary, and your child will not be excluded if you are unable to contribute. However, please note that without all such voluntary contributions, trips and activities may have to be cancelled, due to a lack of funds. We aim to give the children the best possible chances in their education whilst trying to balance the cost for both ourselves and parents.

We hope that you will support us in this.

If you have any questions about the day, please talk to your child's teacher.

Yours faithfully,

The Year 3 / 4 Team

Signs of possible hearing problems:

- ☐ Poor concentration.
- ☐ Talking loudly and listening to the tv at a high volume.
- ☐ Difficulty pin pointing where a sound is coming from.
- ☐ A change in their progress at school.
- ☐ Mispronouncing words.
- ☐ Not responding when their name is called.

Speak to your GP or Health Family Team if you have any concerns. Your child can have a hearing test at any age.

National Child Measurement Programme

To help monitor national trends and to tackle individual problems the National Child Measurement Programme (NCMP) measures the height and weight of every child in reception year (aged 4 to 5) and Year 6 (aged 10 to 11 years) in all primary schools.

Trained staff from the Nottinghamshire Healthcare NHS Foundation Trust carry out the measurements.

If there are any concerns, please speak to your Health Professional.

SAIS

School Aged Immunisation Service

It is now time for your child's yearly flu nasal spray!

What do you need to do?

You must complete one online consent form for each of your children. It is important every child has a completed form which states if you would like them to receive the flu vaccination spray or not.

The online consent form can be found through this link or the QR code:
<https://www.nottinghamshireimmunisations.co.uk/Forms/Flu>

How will the vaccination be given to your child?

We are a team of skilled and experienced nurses and support staff. The flu vaccination is a quick and simple spray up the nose.

Step one: The nurse places the tip of a thin plastic tube just inside the nostril. The child can breathe normally whilst the vaccine is given.

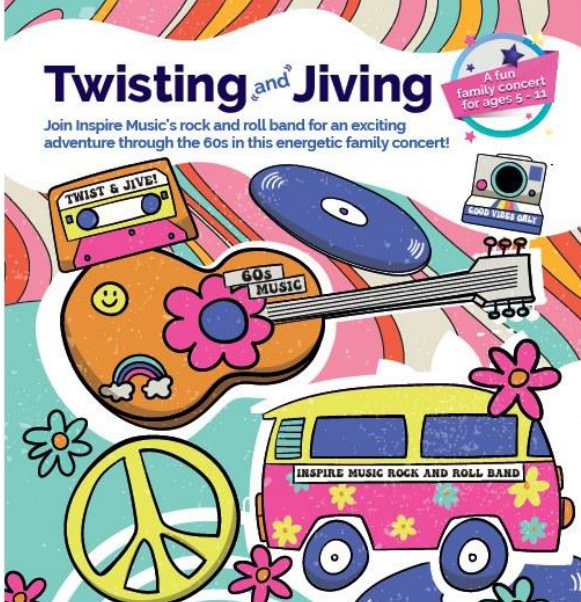

Step two: Half of the vaccine is sprayed in one nostril.

Step three: The other half of the vaccine is sprayed into the other nostril.

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Boroughs air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
