

Arnold Mill Weekly Newsletter 17th March 2023

Dear Parents/Carers,

Thank goodness the snow has gone away for a bit. Although the children had lots of fun, it did get us all rather excited. This week has been much calmer and so we have been able to get lots of learning done!

The children looked amazing in their Red Nose Day outfits. Don't forget, you can donate via our [JustGiving page](#). It has been great to have parents in to look at books and our Red Nose Day outfits. This seems to have been very popular and so we will do it again in the summer term.

On Monday we have a year 5/6 Greek Workshop and the children can come to school dressed in Greek outfits. Plus- don't forget the film night on the 24th March.

Our Easter celebration is also planned for the 31st March at 3pm. I can't wait to see the Easter creations. Please don't feel you have to spend money- Easter gardens can be made from nature; stones, grass and soil can all be found in local parks for free. It's all about how you display them. Hopefully you can have fun together being creative.

Have a great weekend!

Children's Work

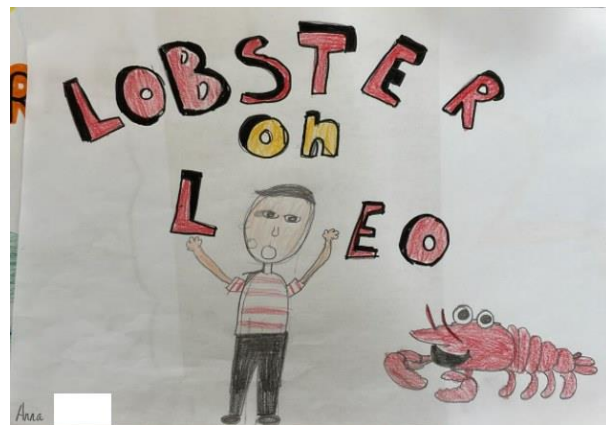

Here are a few examples of recent work from some of the children in school.

1 - Work from 2d

2 - Work from 2d

3 - Work from 2d

Friday 3rd March 2023
My trip to Southwell Minster

On February 28th we were going on a trip. First, we got into porters, mine was Leo M. Then we got on the coach for a 20 minute drive.

Then, we arrived at the beautiful Southwell Minster and a friendly woman welcomed us to the Minster. Our first activity was Roman settlements I learnt that there is a bath in L. 11. I dressed up as a poor slave. We learnt about water and they get water to places.

Then we did the walk (which was around the walls) We went around the place and went over the stone wall that round in

the Roman days. We did an exercise
to represent the bath house.

My group then went to looking for
evidence room. We learnt that you
use a spade, trowel, sieve, bowl and
a small spade for uncovering ancient
treasures. We watched a video about
archaeology.

Then we had lunch in the state
chamber where lots of famous people
have sat. I was having a chili dog
with my friends. We finished eating
and had a quick conversion.

Then we went
to bread
making and
we all had
a piece of
string.

peels as pasta and 1 beads.
We put one bead on then tied hand
knots other side of the bead. Then
we did had pasta bead pasta till
we had no beads left. Then we
tied the two sides together.

The next activity was object
handling. We all got to handle
pieces of things from a Roman
kitchen.

Then we did archaeology.

Logan

paper and Sharpys. First we got some alabaster already with a knot in. Then we put a lead on then a river knot then we put paper then on and on. After that we put a knot then we have a braces. Then we got Sharpys to decorate.

Then we went to the main area to get our pack lunch and water bottle. Then we all went up stairs to eat our pack lunch.

After our lunch we sat on a carpet to discuss things about Romans kitchen what you could see and what you can feel.

After that the Teacher got a map to see where we are going. Then we went out side with three men then we hid in a tree to represent a secret under ground stairs. Then we have to go back to school.

So we said good bye and said a big thank you then back on the bus. Then back to school.

Laila

make but they thought that's is what it's looking like.

After that we looked for evidence what they duged to find really old things like really really really dirty broken big pots. I think it was very interesting. Then we would a video to know what archeologist used they used big shovels a little shovel and a tray which wheels in. The tray which wheels in is what they would use. They would put dirt in and shake to find old things. Then you get a bucket of water then get a brush. But a special brush to clean the broken pottery.

After that we did some bracelet making. We talked to special place in the church and the really old car. Some things about jesus and god then we went to do bracelets and we made the bracelets from wooden beads and

2C, 2B and 2A's trip to Southwell Minster

Yesterday what was Tuesday the 28th of February, year 3 and 4 visited to Southwell Minster. It was a 20 minute journey on the adressed road we were all very excited to get there. The road was very noisy and grey. I was partied up with Poppy White on the ride there.

The first activity was with this man named Phil. He was very nice and taught us about the language of the Romans which was Latin and little did we know that March is a Latin name and so was Leo. Some children dressed up in their Roman robes and 2 people who were Romeo and Lyla were the Roman soldiers and his wife and Mrs Bromby took some pictures.

The second activity was the looking for evidence which was a humorous room with a spade, toothbrush, milk, stick, sandwich. Mrs and I can't remember the name of the other ones.

We watched a short film about gardening and
people were gardening in this ladies back yard and
there was a woman called Emily.

The third lesson was making a bouquet. It was
very fun and I made an all brown one but you
don't want to know what happens in the next
pergash...

Class 2C's Trip to Southwell Minster

Yesterday, class 2C went to Southwell Minster. First we all went to school and got ready. I was partners with Annie. We sat at the front of the coach and we had a brilliant ride.

When we got there me and Annie were satiated by the cathedral there was a golden Jesus and it was a really huge settlement.

Our first activity was singing the villa which was a little

walk and we had to find all the buildings that the romans built.

Next we did roman settlements and we all dressed up as slaves and we learnt about what the romans believed. When we finished we took a photo and Luca was a soldier and Amelia was Luca's wife.

After that we did looking for evidence we went into a room and we watched some tv when they were looking for the romans buildings.

Then it was lunch time I sat with Jake, Faith, Annie, Zohel, Poppy W and Faye. Little

Athens vs Sparta

Athens and Sparta both have many differences. Located on a map you can see that they are very close. These cities are both in Greece.

Athens climate is very different to Sparta. Sparta's city was strictly ruled by a king, where as in Athens they do not have a king but they do have a government ruled as a democracy. Boys in Athens were very important to be educated and trained. Boys were trained from the age 6-20 years old because they grew up to be warriors. Boys in Sparta didn't have to be educated but it was important that they were trained to be warriors. Boys in Athens girls was not seen as important as boys. They could only be taught how to fight but they must only be taught at home. The difference between girls and boys are very different in Sparta because girls had to grow up to be mothers. They were not allowed to fight but however they were allowed to take part in training. This reason was because if the mother were fit they would have fit babies.

I would prefer to live in Sparta because the girls can take part in training where as in Athens you can't take part.

CSmax

Athens vs Sparta

Athens and Sparta have been fighting for dominance. They are well known for being ruled. If you look on a map of Greece they are very close to each other. They have different rules and beliefs.

The Governance of Athens and Sparta are different and different to other countries.

Athens is ruled by the Democracy and they elect just to rule the city. On the other hand Sparta is strictly ruled by the kings.

Athens is the capital city of Greece located beside the sea. Sparta is also located near to them and they are prominent city in Greece that rose to become a military.

In summary I think Sparta and Athens are great but I would like to live in Sparta.

There are no after school clubs on a Friday						

*No need to book

Upcoming events:

Greek Themed Day for years 5&6: *Monday 20th March*

In addition to the Viking day held in November, we have also arranged for a separate company to come and run a “Greek Experience Day” on Monday 20th March 2023. There will be a number of activities and workshops throughout the day and children will get the chance to further their understanding of Ancient Greece, complementing our Spring Term Topic perfectly. On this day, the children are invited to come dressed in Ancient Greek attire (ideas in the picture and available online).

*The cost of the day is **£5.45 per child** and includes a whole day of activities with the school subsidising the cost. This can be paid using ParentPay if not already done so.*

Rescheduled Film Night : Friday 24th March

We have rescheduled the film night which was planned for last week and cancelled due to the snow. This will now take place on Friday 24th March between 3.30 and 5.00pm. There is no need to rebook. Please let us know if you have paid for a ticket and your child can no longer attend and we will arrange a refund.

You can still purchase tickets via ParentPay up until 3pm on 24th March.

Easter Party Invite from Metro Schools Network UK: 25th March

Metro Schools Network come into school on a monthly basis to do an assembly and drama group and they would like to invite our pupils to a free event they're hosting in Arnold next month.

Where? Arnold Methodist Church, Arnold town centre, 54 Front Street, NG5 7EL (the circular one near the market)

When? 25th March, 10am-12pm

What? A fun filled party with games, craft, disco, mascots and the Easter story

Who For? children in school years F2 to Y6

Extra info: We will be providing lunch bags to take home at 12pm, plus an Easter egg gift.

Booking is essential! You can book your place here: <https://forms.gle/BBFS81hn5HJUoXDZ7> or by scanning the QR code on the flyer.

All their staff and volunteer team are DBS cleared, and safely recruited.

You can find more info about their schools and community events here: <https://www.facebook.com/NottinghamMetroSchools>

Foundation 2 - Easter Craft Afternoon with parents: Tuesday 28th March

We are inviting parents of children in Foundation 2 to come into school for a craft afternoon on Tuesday 28th March. It will give you the opportunity to create some lovely Easter crafts with the children. You should have received your personal invitation in the post.

Easter Competition and Celebration event: 31st March

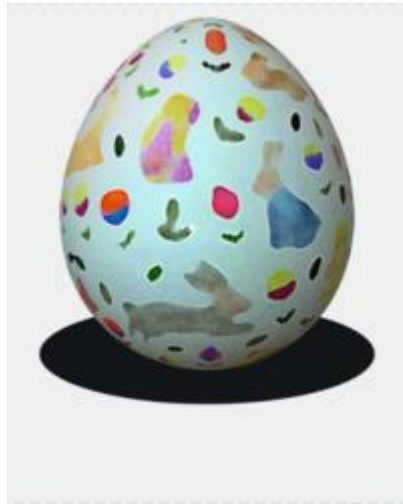

This year Arnold Mill are hosting an Easter competition. Children can decorate an egg, design an Easter bonnet or construct an Easter garden. The children can be as creative as they like. Every class will have an Easter competition winner and the winner in each class will receive a prize.

Entries will be displayed so the children can see each other's creations and parents can come along from 3pm onwards. Entry will be through the main entrance and into the hall. Please leave via the library doors. You may then collect your child early, if you wish.

If your child would like to enter, they will need to bring their egg, bonnet or garden to their classroom on Friday 31st March 2023. Please don't bring them before as they will be tricky to store.

I have added some ideas below to get you thinking, but please feel free to use your child's original ideas– let them have some fun!

Good Luck!

F2 Trip to Sherwood Pines: 20th June

We have arranged to take the children from F2 on a visit to Sherwood Pines on Tuesday 20th June 2023. We will be making woodland art, learning about minibeasts and pond dipping. The trip will take place during normal school hours.

The cost of the visit is £12.20 per child payable via ParentPay by 5th June 2023 (we recognise that finances may be stretched, so we have tried to give you as much notice as possible, we have also tried to be flexible by way of offering the option to pay the full amount either in small increments to suit, or in one lump sum). The cost includes the organised activities at Sherwood Pines, hiring a bus and a free packed- lunch (as your child is entitled to Universal Free School Meals).

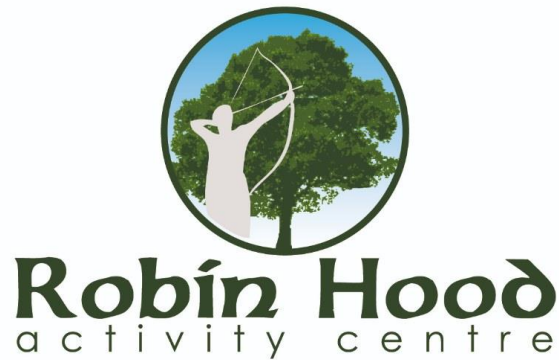

We will send hard copy trip permission forms and medical information forms for completion nearer the time.

On the day, children will be expected to wear school uniform but can wear trainers or similar comfy shoes, they will also need a drink and a morning snack. If it is very hot they will need a sun hat and have sunscreen applied.

Many thanks

The Foundation 2 team

Year 2 Robin Hood Camping Trip: 29th-30th June 2023

We have arranged to take Year 2 children on a residential visit to Robin Hood Activity Centre in Mansfield on Thursday 29th to Friday 30th June 2022. The children will have a full two-day learning experience and a night stop over. The aim of the visit is for the children to experience the outdoors whilst team building, developing independence and above all having lots of fun!

The cost of the trip will be approximately £42, depending on the number of children participating but we will be able to confirm this closer to the date when numbers are confirmed.

We are really hopeful that all of our Year 2 children will take part in the trip as it is a memorable and fantastic trip.

You can start making payments straight away if you know you want your child to take part. You do not need to pay the full balance all at once, you can pay in whatever increments you wish, as long as the final balance is paid by Friday 16th June 2023.

If you require any further information, or have any questions, please do not hesitate to come in or email us.

Yours sincerely

The Key Stage 1 Team

Sports News

Our girls' football team have taken part in two very different matches this week. A maximum amount of effort from all the girls meant that, even though we lost 6-0 to Sir John Sherbrooke, we could be proud of our performance. Then on Tuesday, we battled hard and played some entertaining football against Richard Bonington. A 2-1 defeat, but we scored our first goal and showed why Arnold Mill is an amazing team to be a part of.

Please come to support the boys' team this Monday and Tuesday straight after school. The girls next play at Robert Mellors next Thursday.

Future Fixtures:

The following sporting fixtures have been arranged. Please feel free to come along and show your support.

Mon 20th Mar - Boys' Football vs Robert Mellors (home) POSTPONED from 16th March

Tues 21st Mar - Boys' Football vs Killisick (home)

Thurs 23rd Mar - Girls' Football vs Robert Mellors (away)

Tues 18th Apr - Girls' Football vs St Wilfrid's (home)

Dinner Menu: w/c 20th March (week 2)

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Boroughs air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

**Greet your child
with a smile
and
not a mobile!**

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!

In collaboration with Book Week NI 2022
