

Arnold Mill Weekly Newsletter 30th June 2023

Dear Parents/Carers,

This week our year 2 children have been to Robin Hood Camp for an overnight residential and had a fantastic time.

Next week there are strike days on Wednesday 5th and Friday 7th July, meaning that classes F1am/pm and 2b are closed for the two days. All other classes are open as usual (please see letter below for more details).

Year 1 are going to Stonebridge City Farm on Monday and nursery are having a teddy bears' picnic at Arnot Park on Thursday.

Important dates coming up

Watch out for letters telling you which class your child will be in next year. These will be sent out on **Monday 3rd July**. There will then be a transition morning for children on **Tuesday 4th July** and a 'Meet the Teacher' event for parents after school on **Tuesday 4th July**. This date has changed from the previously advertised 5th July due to the strike action being called by the NEU union on **Wednesday 5th and Friday 7th July**.

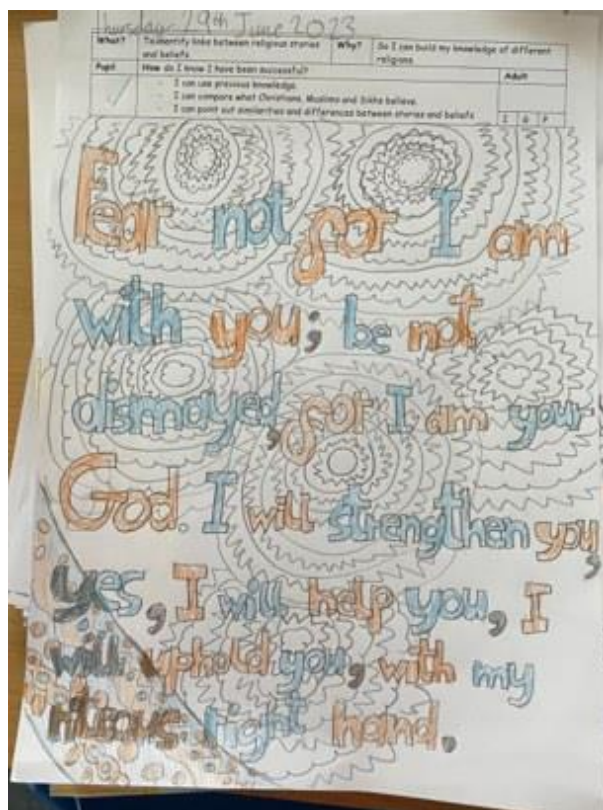

Please note that all clubs will be cancelled on Tuesday 4th July due to the Meet the Teacher event.

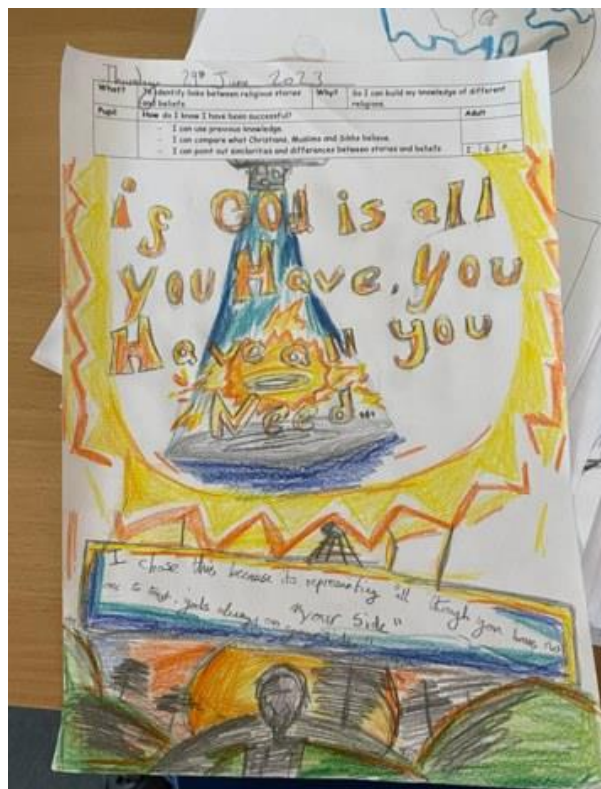

School reports will be sent out by email on **Friday 14th July**.

Have a lovely weekend!

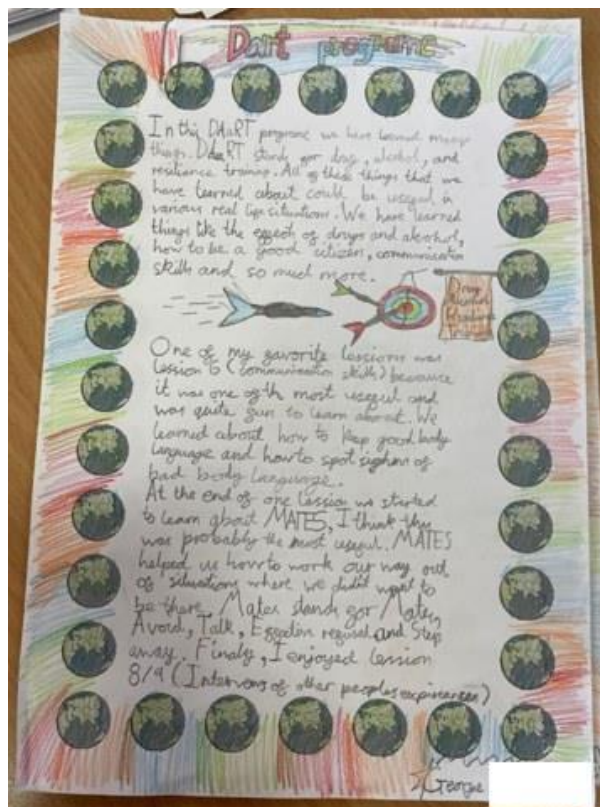

Jackie Oldfield, Head Teacher

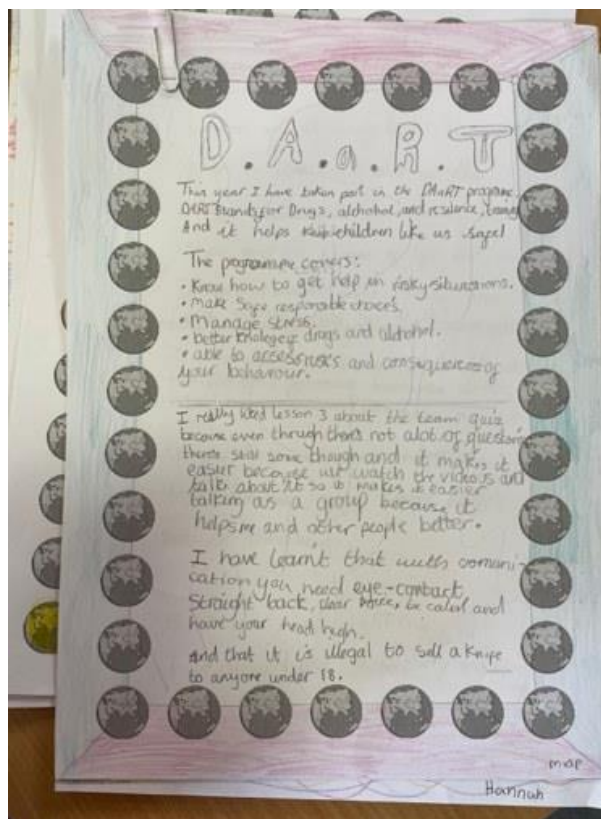

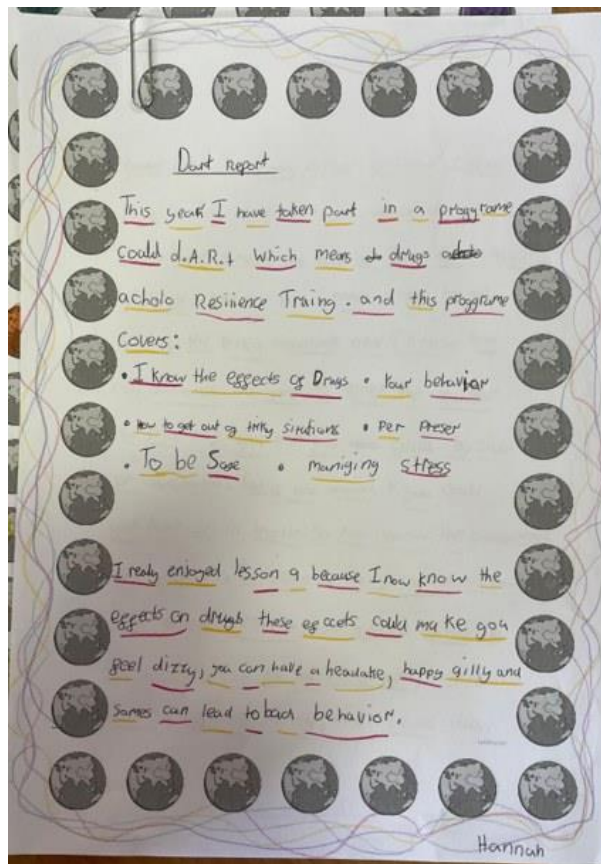

Children's Work

General Notices:

CLASS CLOSURES for strike action – PLEASE CHECK BELOW FOR WHICH CLASSES ARE CLOSED

Please note: Unions are in negotiations with the Government and so things may change at short notice. We will let you know if anything does change.

*You may be aware from media coverage that the Government have offered a pay deal to teachers which was rejected by all unions. In light of the pressure this would place on the school's budget and the impact this would have on children, unions are taking strike action again. The NEU have declared strike action, which will take place on **Wednesday 5th July and Friday 7th July 2023**. The situation is still ongoing and so further classes might be affected in the future. We can only close classes when they are affected by strike action and can't move teachers around. I apologise for any distress this causes and hope the situation will be resolved soon.*

Please see the table which shows which classes are closing:

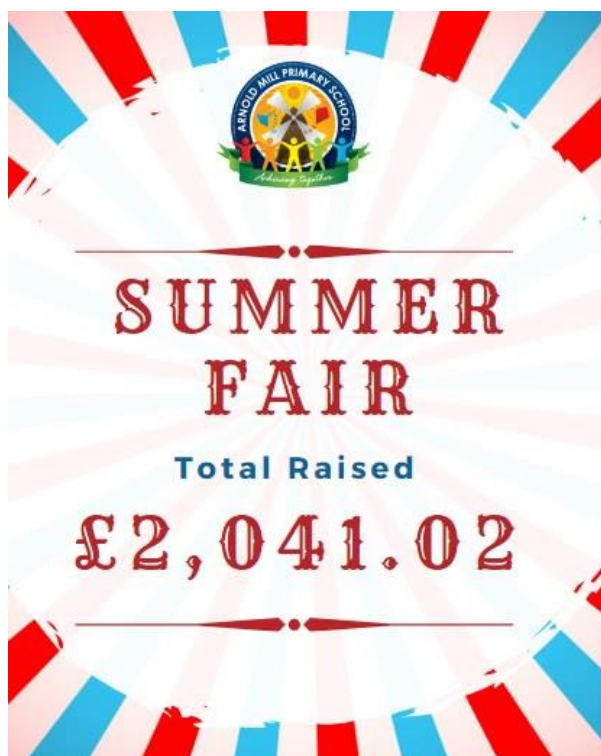

All children should attend school if their class is open, even if their sibling is absent.

*Children in the affected classes will have access to Literacy Shed, Times Tables Rock Stars and The Oak Academy if they are able to work at home. Children who are eligible for free school meals will be able to collect a packed lunch from school, please let us know you if require a packed lunch ordering by **Friday 30th June 2023**.*

If you have any questions or concerns around childcare for this day, please contact me at joldfield@arnoldmill.notts.sch.uk

Digital Leader Recruitment for next year - For year 4 children

Dear Year 4 Parents/Carers,

Mrs Lloyd and Mr Booth are currently recruiting for next year's Digital Leaders!

This is an exciting opportunity to work on digital projects in school and support both staff and pupils with digital learning and online safety. They have the chance to learn how to use the sound system in the hall as well as other digital devices that we use here at AMPS as part of our digital learning. The Digital Leaders may be involved in making and taking photos and videos as part of their role and we would need permission from you to share these on Teams or the school's website so please only let them apply if you are happy with this. This application is open to pupils in year 4 only and there are 4 places to fill. If your child would like to apply, please help them to complete the application form which can be found using [this link](#).

Please return all completed forms by Friday 14th July. Pupils will be told who has been selected before the end of term. Good Luck!

Kind regards,

Mrs Lloyd and Mr Booth

Retirement of Ms Ward and Mr Knight

As mentioned in last week's newsletter, Mr Knight and Ms Ward will be retiring at the end of this academic year. I know for many of you they are 'Arnold Mill' through and through. They have played

such an important part in so many children's lives that I honestly don't know what we're going to do without them. It's sad for school but exciting for them and so we need to mark their departure in a fitting way. We are planning a few special 'things' so that we can give them parting gifts to remember. If you would like to contribute or want to send your own gifts, please see the office. I'm sure you'd like to join with us in wishing them all the best for the future- they both deserve some well deserved time off.

A plea for costumes for our year 6 end of year performance of Aladdin

We are so excited for the upcoming performance of Aladdin. As we prepare for this, we would love your support with sourcing costumes for the children. For each character there is a suggested costume idea; however, please feel free to add your own ideas to this. If you think you may have anything suitable for another character in the production that your child is not playing but are willing to lend to us, it would be greatly appreciated.

Please see below the characters and their suggested costume ideas. Your child will be sent home with their individual character/s costume list this week. If you have any questions or problems with finding parts of your child's costume, please let a member of the Y6 team know so we can support you with this. We truly appreciate all your help with making this production a great one.

Sun Protection Guidelines – Sun Hats, Sun Cream & sensible footwear

Now that the warm weather has arrived I would like to remind parents/carers of our sun protection guidance.

On hot days we will encourage children to wear a hat, drink plenty of water and sit in the shade as required.

- Please make sure your child brings a sun hat/cap and water bottle (marked with their name and class) to school*
- Please ensure that your child is wearing suitable school shoes (no trainers, flip flops or open toed shoes)*
- Please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended. If your child is prone to burning and you feel*

they may need an additional application you may send in a bottle of sun cream (marked with their name), which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member.

If your child requires a staff member to assist with applying additional sun cream please email the class teacher to confirm that you give consent for a member of staff to assist your child to apply an additional application of the sun cream you have/will provide.

Year 3 and 4 Ancient Anglo-Saxon Day: Wednesday 12th July 2023

*In support of our curriculum topic for the summer term, '**Invade, Raid, Stayed**', rather than taking the children on a more costly coach trip to a museum or attraction, we have arranged for the trip to come to us - a company called 'The Specialists' will run a series of fun workshops for the children on Wednesday 12th July.*

Learning outside the classroom or in a workshop format is a valuable and effective means of extending pupil knowledge, enriching pupil understanding and promoting personal and social development. We encourage educational visits and experiences for all our pupils and hope that parents will recognise the value and importance of these visits or events and give them their full support.

*The whole school cost of the day is £357 and includes a whole day of activities. This represents excellent value for money as we won't have to pay for transport (which would be at least £350). The company provide all the resources needed for the children to learn about the Anglo-Saxons. **The day works out at £4 per child and should be paid via your child's ParentPay account by 8th July 2023.***

We believe in the value of these experiences and try to ensure that these opportunities are accessible and affordable to all. However, the school does not have the financial resources to pay for every trip or in-school trip alternative. The contribution is voluntary, and your child will not be excluded if you are unable to contribute. However, please note that without all such voluntary contributions, trips and activities may have to be cancelled, due to a lack of funds. We aim to give the children the best

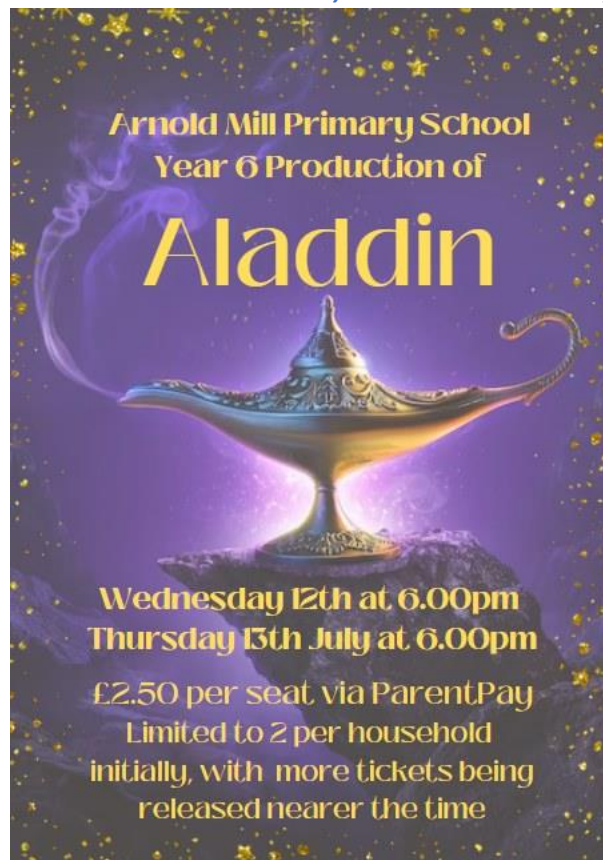

*possible chances in their education whilst trying to balance the cost for both ourselves and parents.
We hope that you will support us in this.*

If you have any questions about the day, please talk to your child's teacher.

Yours faithfully,

The Year 3 / 4 Team

The Foundation Team

Year 5 Treat Day: Thursday 20th July 2023

It is coming to that time in the calendar where we are ready to celebrate the fantastic year we have had with Year 5. On Thursday 20th July, we will be joining all the Year 5 children together for a day of party activities and fun! For the day, children need to come to school in appropriate non-uniform and footwear.

In the morning, we will be taking the children on the field (hall if wet) and will be doing garden party games. In the afternoon the children will be watching the latest version of Matilda which was voted for by the children. This is a PG film so we will need consent from yourselves to allow the children to watch the film. Please complete this on the attached online form.

*We will also be having party nibbles. In order to do this, we ask that children **bring in £1 by Friday 14th July** so food can be organised.*

*To give permission for your child to watch Matilda, please complete [this form](#) by **Friday 14th July 2023**.*

We are looking forward to celebrating the past year all together.

Regards,

The year 5 Team (Miss Dibley, Mr Robinson, Mrs White, Mrs Nicholls, Mrs Bullen)

Year 6 Treat Day: Thursday 20th July 2023

It is coming to that time in the calendar where we are ready to wish our wonderful year 6 children farewell. This year we are planning a special day to help them spend time with their peers and celebrate the end of their primary school journey. On Thursday 20th July we will be walking down to the Bonington Theatre and having a private screening of the latest Disney blockbuster, Super Mario Brothers. We are expecting that this film will be a PG certificate, so by agreeing to your child attending this trip you acknowledge this, and are allowing your child to watch it. For this part of the day, if you would like to send your child with a small sweet or savoury treat you are more than welcome to.

After the cinema visit, the children will return to school and follow their usual lunchtime routine.

In the afternoon, all of Year 6 will be joining together on the field (hall if wet) and will be sharing in “party nibbles” and garden party games. Children will be able to change into their glad rags and have a party to celebrate the end of year 6 and the start of their next chapter. All food and entertainment will be provided at this event, all we ask is that the children bring a change of clothes (party clothes) for the afternoon.

After the party, children will be able to use their devices to take photos with each other to have some photographic memories of their friends from Arnold Mill. If you don’t want your child to be included in any photos, please let the office know.

The total cost of these events will be £8. To give permission for your child to attend and to make payment please do so via your child’s [ParentPay](#) account by Friday 14th July. Unfortunately, the events will not be able to run if we do not get enough payments to fund them.

We are looking forward to spending this precious time with all of Year 6.

Regards,

The year 6 Team (Mr Robinson, Mr Hewlett, Mrs Nicholls, Mrs Murray, Mrs Bullen, Mrs Moodie, Mrs French)

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough. Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations

- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
