1. Vision, aims and values 'Diversity is celebrated and inclusion promoted'

At Arnold Mill, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, faith or religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At Arnold Mill we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

2. Mainstreaming equality into policy and practice

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways.

Teaching and learning

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- Use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- Monitor achievement data by ethnicity, gender and disability and action any gaps;
- Take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- Ensure equality of access for all pupils and prepare them for life in a diverse society;

- Use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;
- Promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- Provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- Seek to involve all parents in supporting their child's education;
- Encouraging classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- Including teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.

Admissions and exclusions

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will always be based on the school's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

3. Equal Opportunities for Staff

This section deals with aspects of equal opportunities relating to staff at Arnold Mill.

We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. However we are concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

Employer duties

As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

Equality aspects such as gender, race, disability, sexual orientation, gender reassignment and faith or religion are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- Monitoring recruitment and retention including bullying and harassment of staff;

- Continued professional development opportunities for all staff;
- Senior Leadership Team support to ensure equality of opportunity for all.

4. Legal duties

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- Eliminate discrimination,
- Advance equality of opportunity
- Foster good relations

We understand the principle of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age (for employees)
- Disability
- Race
- Sex (including issues of transgender)
- Gender reassignment
- Maternity and pregnancy
- Religion or belief
- Sexual orientation
- Marriage and civil Partnerships.

The action plan at the end of this Equality Plan outlines the actions Arnold Mill will take to meet the general duties.

5. Consultation and involvement

It is a requirement that the development of this plan and the actions within it have been informed by the input of staff, pupils and parents and carers. We have achieved this by using the following to shape the plan:

- Feedback from the annual parent questionnaire, parents' evening, parent school forum meetings or governors' parent-consultation meeting;
- Input from staff surveys or through staff meetings / INSET;
- Feedback from the school council, PSHE lessons, whole school surveys on children's attitudes to self and school
- Issues raised in annual reviews or reviews of progress on Individual Education Plans/Personalised Provision Maps, mentoring and support;
- Feedback at Governing body meetings.

6. Roles and Responsibilities

The role of governors

- The governing body has set out its commitment to equal opportunities in this plan and it will continue to do all it can to ensure that the school is fully inclusive to pupils, and responsive to their needs based on race, gender and disability.
- The governing body seeks to ensure that people are not discriminated against when applying for jobs at our school on grounds of race, gender or disability.
- The governors take all reasonable steps to ensure that the school environment gives access to people with disabilities, and also strive to make school communications as inclusive as possible for parents, carers and pupils.
- The governors welcome all applications to join the school, whatever a child's socio-economic background, race, gender or disability.
- The governing body ensures that no child is discriminated against whilst in our school on account of their race, sex or disability.

The role of the headteacher (or senior leader responsible for Equalities)

- It is the headteacher's role to implement the school's Equality Plan and s/he is supported by the governing body in doing so.
- It is the headteacher's role to ensure that all staff are aware of the Equality Plan, and that teachers apply these guidelines fairly in all situations.
- The headteacher ensures that all appointments panels give due regard to this plan, so that no-one is discriminated against when it comes to employment or training opportunities.
- The headteacher promotes the principle of equal opportunity when developing the curriculum, and promotes respect for other people and equal opportunities to participate in all aspects of school life.
- The headteacher treats all incidents of unfair treatment and any incidents of bullying or discrimination, including racist incidents, with due seriousness.

The role of all staff: teaching and non-teaching

- All staff will ensure that all pupils are treated fairly, equally and with respect, and will maintain awareness of the school's Equality Plan.
- All staff will strive to provide material that gives positive images based on race, gender and disability, and challenges stereotypical images.
- All staff will challenge any incidents of prejudice, racism or homophobia, and record any serious incidents, drawing them to the attention of the headteacher.
- Teachers support the work of ancillary or support staff and encourage them to intervene in a positive way against any discriminatory incidents.

7. Tackling discrimination

Harassment on account of race, gender, disability or sexual orientation is unacceptable and is not tolerated within the school environment.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's individual circumstances.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to a class teacher / headteacher where necessary. All incidents are reported to the headteacher and racist incidents are reported to the governing body and local authority on a termly basis.

What is a discriminatory incident?

Harassment on grounds of race, gender, disability, sexual orientation or other factors such as socio-economic status, can take many forms including verbal or physical abuse, name calling, exclusion from groups and games, unwanted looks or comments, jokes and graffiti. A racist incident is defined by the Stephen Lawrence Inquiry Report (1999) as:

'any incident which is perceived to be racist by the victim or any other person'.

Types of discriminatory incident

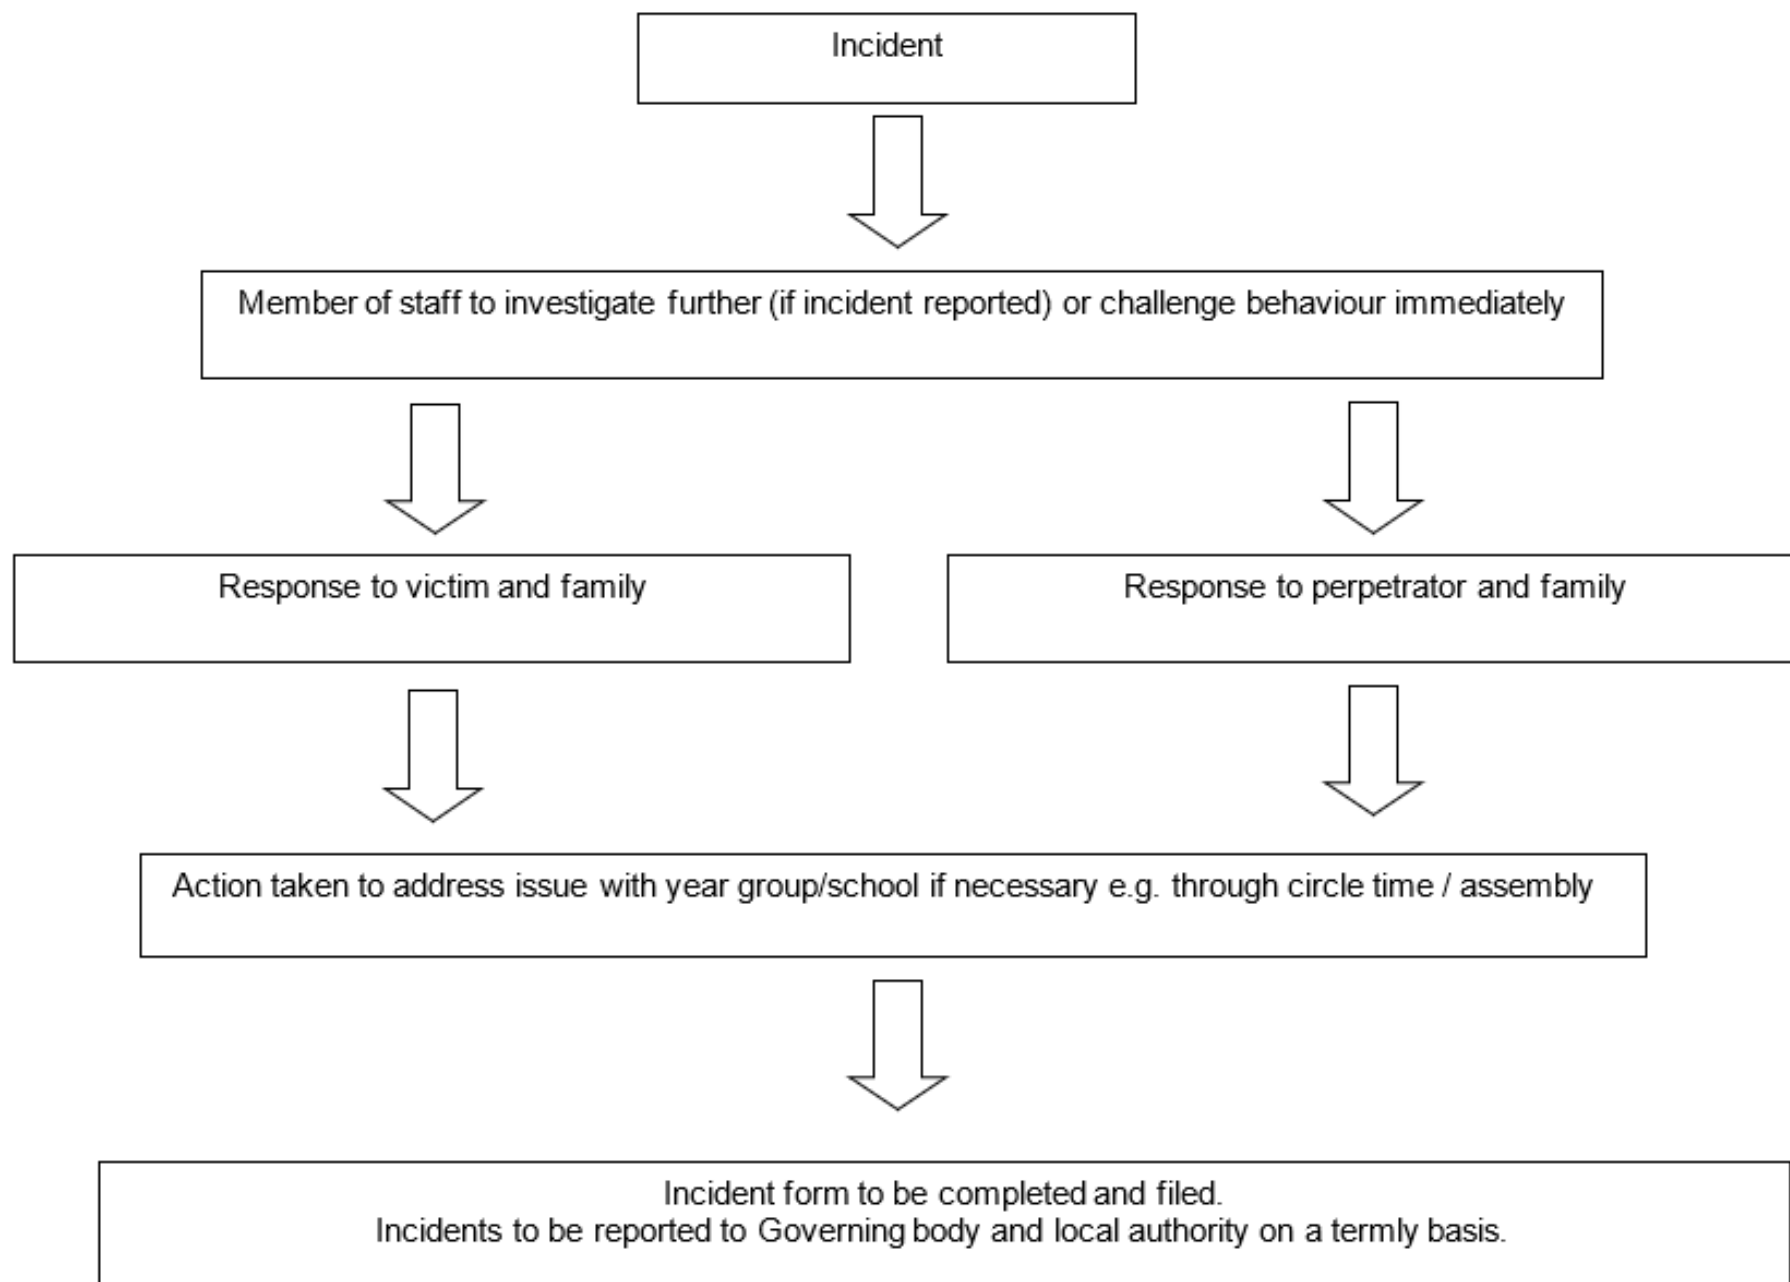

Types of discriminatory incidents that can occur are:

- Physical assault against a person or group because of their colour, ethnicity, nationality, disability, sexual orientation or gender;
- Use of derogatory names, insults and jokes;
- Racist, sexist, homophobic or discriminatory graffiti;
- Provocative behaviour such as wearing racist, sexist, homophobic or discriminatory badges or insignia;
- Bringing discriminatory material into school;
- Verbal abuse and threats;
- Incitement of others to discriminate or bully due to victim's race, disability, gender or sexual orientation;
- Discriminatory comments in the course of discussion;
- Attempts to recruit others to discriminatory organisations and groups;
- Ridicule of an individual for difference e.g. food, music, religion, dress etc;
- Refusal to co-operate with other people on grounds of race, gender, disability or sexual orientation.

Responding to and reporting incidents

It should be clear to pupils and staff how they report incidents. All staff, teaching and non-teaching, should view dealing with incidents as vital to the wellbeing of the whole school.

Procedure for responding and reporting is outlined below

8. Review of progress and impact

The plan has been agreed by our Governing Body. We have a rolling programme for reviewing our school policies and their impact. In line with legislative requirements, we will review progress against our Equality Plan annually and review the entire plan and accompanying action plan on a three year cycle.

We make regular assessments of pupils' learning and use this information to track pupil progress. As part of this process, we regularly monitor achievements by ethnicity, gender and disability, to ensure that all groups of pupils are making their best possible progress, and take appropriate action to address any gaps.

9. Publishing the plan

In order to meet the statutory requirements to publish a Disability Equality Scheme and Gender Equality Scheme, we will:

- Publish our plan on the school website;
- Raise awareness of the plan through the school newsletter, assemblies, staff meetings and other communications;
- Make sure hard copies are available.
