I have had the privilege to be a Governor at Arnold Mill for nearly 10 years, in that time I have had two sons pass through the school. Day to day I am a Head of Procurement, so naturally bring commercial support to the Governing Body. I am keen to assist the school as we look to move to an academy. I am also the Health & Safety Governor.

I have been a governor for a number of years. I was previously a parent governor and am now a co-opted governor.

I have a background in education, having taught previously in KS2 as well as having the role of SEND until leaving to start a family. I am now a stay at home mum to three children, the youngest being at AM and the two older children having now moved on to The Redhill Academy.

I take an active role within AM and have been involved as a parent since my eldest child started Church Drive.

I am currently Vice Chair of the Governing Body and Safeguarding Governor.

## GOVERNING BODY OF ARNOLD MILL PRIMARY SCHOOL

Karen Robinson	4 <sup>th</sup> November 2019	4 Yrs	Co-opted	Arnold Mill Primary	Vice Chair, Finance, S&P & Pay Committee	Finance	Mother of Holly Poundall (Business Manager)	None
----------------	-------------------------------------	-------	----------	------------------------	--	---------	---	------

I retired from Arnold Mill Primary School in 2013.

I have been working in school finance for 23 years and gained the Certificate of School Business Management from the National College of School Leadership in 2005. My role as School Manager covered all aspects of school finance as well as requiring me to take a strategic overview of the school. The financial role is crucial in ensuring resources are available to enable effective teaching and learning.

I have also served as a Governor in different capacities for 30 years. During this time, I was the Governor representative for Special Educational Needs and Disability Discrimination.

The Arnold Mill community is very important to me and I believe I can add value to the Governing Body to help to ensure that the needs of all children are met effectively. I feel I am able to support the Head Teacher and all staff in many aspects of school life as they continue to provide a caring, challenging and inclusive environment for all children.

I am the mother of the current School Manager.
