September 2023

Dear Parents/Carers,

Year 4 Educational Residential Visit to Rand Farm Park - 9th-10th May 2024

We have arranged to take Year 4 children on a residential visit to Rand Farm Park in Lincoln from 9th-10th May 2024 with 30 places available. Unfortunately, due to low take up on the last trip, we have had to reduce the numbers this time round. Places will be offered on a first come, first served basis. However, if we are oversubscribed, we will give priority to children who did not go on the last trip.

The children will have a full two-day learning experience and a 1-night stop over on the Farm. The aim of the visit is for the children to hopefully gain a better understanding of farm life, why people continue to do it, where their food comes from as well as the effect upon the environment. There will be opportunities for children to participate in a range of activities which we will let you know about nearer the time. Children will also carry out farm jobs e.g., milking, bottle feeding, mucking out etc. There will also be lots of opportunities for children to have recreational time and use the different facilities at the farm to enable them to wind down at the end of a busy day.

The cost of the trip will be £135.00 per child. The cost includes transport from school to Rand Farm Park, all meals, activities, use of the facilities, and talks/activities with farm staff.

We will be holding a parents' information evening on Thursday 5th October at 3.45pm in 2A for anyone interested. Please complete [this form](#) to indicate whether or not you will be attending the meeting. You may bring children with you.

Many thanks

Joss French
