3rd December 2021

Dear Parents and Carers,

What a week! With the reintroduction of certain Covid-19 restrictions, we have reviewed and republished our risk assessment and contingency plan (these can be found on the school website). As a school we have now had a number of cases of Covid-19, in both adults and students. On the whole, those positive have felt under the weather, but not seriously ill. However, more recently we have had cases where people are getting quite unwell. We also have a number of other bugs doing the rounds too, and so I would like to remind you to observe our guidance- wash your hands regularly, keep your distance from others when on school site and please wear a mask if you want to enter the school building or if it gets crowded.

We have currently stopped face to face assemblies and are now doing them via Teams again and we are planning how we will be able to film our foundation Nativity and KS1 and 2 Christmas show. We will find a way... the shows must go on! Once completed, we will be sharing these with you via the children's Teams accounts so please make sure you can log in to access them. If you need help, please contact your child's class teacher.

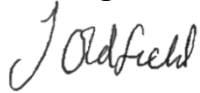

As we are all getting ready for the Christmas festivities, I would like to request that children don't send cards to every child in their class please. The impact of Christmas cards on the environment is massive and so we would suggest, if they want to send cards, they send one to their class (as a whole group) instead.

We are still seeking music lesson provision, but so far have been unsuccessful in finding a provider. If you know of anyone who would be interested in leading a music club or teaching music lessons after school, please contact the office.

Our reverse advent calendar is up and running- thank you for all the donations we have had so far. If you want to donate, there is still plenty of time, you can bring something each day or just do a one-off donation. Any donation is gratefully received, but we completely understand if you are unable to gift at this time.

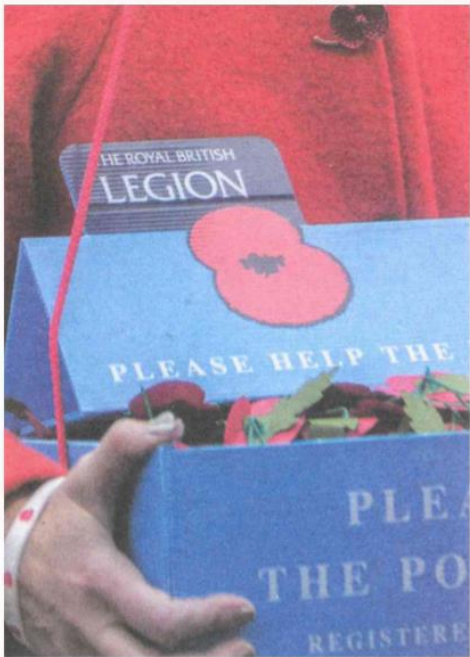

Don't forget it is Christmas dinner day on Wednesday 8th December 2021, this will also be a non-uniform day when children can dress in festive clothing for a £1 donation to Nottingham Hospitals Charity. Please note that there will be no tuck available on this day as the kitchen will be extremely busy preparing Christmas dinner. You may wish to send something with your child for break time.

Have a great weekend,

Jackie Oldfield

Gift a book to school for Christmas

Due to Covid-19, we have been unable to run our usual fundraising activities such as the summer fair, Christmas fair, Scholastic book fair, meaning the school has missed out on massive amounts of money to spend on resources for the children.

We have put together an Amazon Wishlist of books which can be found at:

<https://amzn.eu/hHhDZxQ>

Or scan the following QR code

If you are able to gift any of these items to school it would be very much appreciated. You can even arrange to have them delivered straight to school. We understand that times are extremely difficult for people at the moment, and there is absolutely no pressure to participate in this scheme.

Thank you!
