Dear Parents and Carers,

It's wonderful to be fully open again! The children are so tired after their first week back as it's been a week of excitement and new beginnings for everyone.

Thank you so much for sticking to our safety measures and thank you for the treats some of you have sent in as a thank you to the staff team. We really do appreciate your support and think you have all be amazing, coping with all these changes.

A few little reminders:

- Please do not let children ride bikes and scooters whilst on the school site as with them zipping around we are likely to have an accident.
- Please continue to wear masks whilst on site, if you can, until restrictions are lifted.
- We try to encourage healthy eating and request that packed lunches do NOT contain sweets or nuts of any kind (including Nutella, Bueno, hazelnuts, cereal bars/trail mix with nuts, peanuts & peanut butter): We have several children in school who are very allergic to nuts, as this can be an airborne allergy we ask parents to be vigilant and please not pack these items in their child's lunch.

I would like to congratulate our wonderful Chloe for suggesting the Sir Tom 100 lap challenge. I have received a number of emails showing me how much people have enjoyed doing this and we have also received lots of sponsor money. Thank you all for your support with this. There is still time to have a go and send in money if you have managed to raise some. We will update you in a few weeks as to what was raised.

We are awaiting a couple of raffle prize donations so the draw will now take place later this month so there is still time to purchase your raffle tickets.

We are now looking forward to another exciting week next week- I hope you and your children are too.

Take care,

Jackie Oldfield

Head Teacher
