Dear Parents and Carers

The NHS School Aged Immunisation Team(SAIT) were in school this week to administer the nasal flu spray. If you would like your child to have the nasal spray please call the team on 07920182032 or email sais@nottshc.nhs.uk

Thank you to everyone that came along to our PTA relaunch meeting on Monday, it was lovely to meet you and to hear your ideas for fundraising activities and for developing the community involvement in our school.

As a result, we plan to hold the following fundraising events:

Children are invited to come to school in their disco clothing on 25th November in exchange for a donation of a bottle or chocolate for the Christmas Fair.

Friday 2nd December (3.30-5.00pm) - are you, or somebody/a business you know able to help?:

- wrapping tombola gifts
- attending on the day to help run a stall
- donating tombola prizes
- donating a raffle prize
- bake a cake for our Arnold Mill Bake off competition

The raffle is always popular, I am pleased to confirm that our traditional colour hampers will be amongst the star prizes. On the day there will also be games, refreshments, and a Christmas Market. This year we are going to invite external stall holders to come along so if you know of any local, small businesses that might be interested in booking a pitch please ask them to get in touch.

In November there will be a school disco (18th November for F2/KS1 and 25th November for KS2) - keep an eye out for more information after the half term break.

An Auction of Promises will also be arranged for later on in the school year. More information will be sent nearer the time.

After School Clubs are always popular with children and parents. These activities are not part of the curriculum and rely on staff or members of the community to volunteer to help run them. We are keen to offer more After School Clubs and to involve the community in school life, so if you have a skill or hobby you would like to share, we would love to hear from you. It could be anything - knitting, sewing, art, woodwork, Top Trumps, reading, gardening, macramé...
