Dear Parents and Carers,

As we approach the end of the school year, I know you will all be thinking about what happens next. Until we receive more information from the Department for Education and Local Authority we have to continue with the restrictions we have in place. This means that transition plans and end of year events will have to be different again this year. We will let you know more details once things are finalised.

Please make sure we have up-to-date email addresses for parent's/carer's as we will be emailing important information on 16th July, namely:

New Class details - we will be advising which class your child will be going into next year (excluding current year 6 children). We are still working on how the transition will work and will let you know once the plans are complete. I can, however, confirm that we won't be able to hold meet the teacher evenings this year, but all of our email addresses and photos are on our website so you can take a look at who we are and email or phone school with any questions you may have. We are hoping we can do face to face meetings early in the Autumn term.

School Reports - please note that they may arrive throughout the afternoon/evening as we are having to send them out in staggered class batches.

Please check that you have given us your most up to date email addresses so that you receive these documents.

Other events such as Bronze, Silver and Gold star assemblies, leavers and learning journey assemblies, and sports day will go ahead, just via Teams or in class bubbles.

We won't be holding attendance assemblies this year as attendance has been hugely affected by Covid. I know none of this is ideal, but we are doing our best in difficult times.

We have, sadly, had to close two bubbles recently and so would like to remind you that in order to stop classes being affected any further we need to stick to our risk assessed safety measures. Please remember to keep your distance and wear a mask, if you can, on site.

Keep up to date with the latest news:

Download the SIMS Parent app from the Apple App Store or Google Play

HELP - Unfortunately, covid has had a bad affect on our supply of High Visibility vests (the children use then for trips) - they have all gone a bit mouldy whilst in storage. If anyone knows of a company who may be able to gift new ones, please can you contact the office. It'll be so nice to be able to get those jackets on and start going on external trips again.

We have got a summer raffle on the go! If you fancy winning a brand-new bike, amongst other prizes, please get yourself some raffle tickets via SIMS Pay.

You can still order class photos. If you have lost your original email with the relevant class code, let us know and we will send it to you. If you order by Sunday 4th July, you get a £5 discount if you spend over £35. The first delivery of orders should hopefully arrive next week.

Hope you all have a lovely weekend,

Enjoy the football! Come on England!!

Jackie Oldfield
Head Teacher
