Talent Assembly: Wednesday 11th December (nominations open)

As a school, we value nurturing the whole child, not just those who excel in school-based activities and therefore, we would like to know about your children's achievements outside of school.

We are holding an Arnold Mill Talent Assembly on Wednesday 11th December at 9.10am, as we want to celebrate some of the amazing talents, achievements or contributions to society that your children have accomplished away from school.

If you feel that your child does something outside of school that is worth celebrating, we would like you to nominate them for a mention during this assembly.

In the past we have celebrated musical talents, dancers, community volunteers and children who take part in dramatic productions. We don't mind what their talent is, we just like to celebrate what they have been doing.

If you would like to nominate your child, please send a brief description, with a photo if possible, by Friday 29th November to joldfield@arnoldmill.notts.sch.uk We won't be able to include any nominations received after this date. There will be more opportunities to nominate over the following two terms.

Looking forward to celebrating with you.

Our annual Christmas Fair is a community event and is particularly enjoyed by the children. As always, there will be stalls, games, food, as well as fun activities for the children and the ever popular 'Santa's Grotto'.

With only three weeks left until the Christmas Fair the time has come to start asking for your help:

We would appreciate donations of:

|--|--|
| • raffle prizes | • pre-loved books |
| • pre-loved Christmas jumpers/pyjamas | • pre-loved soft toys |
| • wrapping paper | • small prizes for stalls/comboos |
| • small items (sweets, stickers, pens, pencils etc for lucky bag prizes) | • banners we could use each year to publicise the Christmas Fair (x 2) |

Hampers - We hope the children in each class will help us fill hampers by collecting and donating items so that the PTFA can make them into colourful hampers for prizes in the Christmas Fair raffle on 29th November. In the spirit of friendly competition, we are asking each class to bring in donations of different colours to contribute to the hampers. The class with the biggest hamper wins a prize! - see posters for more information.

If anyone has a contact or an employer who would be generous enough to donate an item for the raffle we would be very grateful.

Thank you in advance for your kind donations ☺

Parking Safely and Considerately

If dropping off or collecting your child by car, please drive and park safely:

- **Be considerate of our neighbours and leave their driveways clear**
- **Do not park or stop where parking is prohibited during school drop off or pick up - yellow zigzags, double yellow lines & some single yellow lines**
- **Follow the highway code**

Thank you for your support
#roadsafety #community #drivesafely

We would ask again that you please park safely and considerately on roads around school when dropping off and collecting children from school. We have had a number of complaints recently from local residents regarding inconsiderate parking, with some people even being aggressive when challenged. Please use the links below to see what the guidance is. Please also note that the school car park is for staff and visitors only and should not be used by parents.

Applying for Reception Place for September 2025

**Primary School Applications open on
Monday 4th November 2024**

**Primary School
admissions**

**you must apply online by
5pm 15 January 2025**

*If your child lives in Nottinghamshire and requires a Reception school place for September 2025, you must apply through Nottinghamshire County Council (**applies to children who are five years old between 1 September 2024 and 31 August 2025**).*

The best way to apply is online at: <https://www.nottinghamshire.gov.uk/education/school-admissions/applying-for-a-school-place-september>

Parents sometimes think that making only one preference will ensure that a place is allocated at that school, that is not the case, and it is very important that you apply on time and identify four preferences.

If your child attends Nursery at Arnold Mill Primary you will need to apply for a school place as you do NOT automatically get offered a school place.

Below you will find information about important dates and fact sheets.

For September 2025:

-
- *Apply from: 4 November 2024*
 - *Closing date: 15 January 2025*

Helping your child with maths

Hello all,

After Parents Evening it has become apparent that there are a number of adults that would like to support their children further at home. For this reason we are exploring how we can best equip you with the resources and skills and would like to gather the thoughts of the school community. We would really appreciate if you could take a couple of minutes to complete this quick questionnaire (it will take no longer than 2 minutes).

OPAL (Outdoor Play and Learning)

We would like to express a big thank you for your ongoing support with the introduction of OPAL (Outdoor Play and Learning) lunchtime at our school. We are delighted with the positive impact it is having so far and your support has been instrumental with this.

As we continue to expand OPAL, we are in need of more equipment to further enrich the play experience. Please see our new OPAL Bingo Card with examples of equipment that would support us going forward. As well as the below equipment we are always looking for scooters, helmets, material and skipping ropes.

The first class to complete their bingo card will receive an extra playtime. Please give any equipment to your child's class teacher or, if unsure, speak to the office.

Many Thanks,

Mr Hewlett, Mr Phillips-Alexander, Mrs Bullen, Mrs Tomlinson (The OPAL Play Team).

CARLA ROSE COUNSELLING

Carlarosecounselling@gmail.com

I have worked as a Teaching Assistant at Arnold Mill for 12 years and in more recent years I have gained my level 4 Diploma in Counselling and have worked as School Counsellor

alongside my TA role. I have now decided to make counselling my sole career, but I will still be working very closely with Arnold Mill.

I will be available to carry out 1-1 private counselling, should you feel your child may need support and encouragement for any concerns that you, or they, may have. This could be for bereavement/loss, stress and anxiety or trauma; or you may just feel that talking to an independent Counsellor, other than a family member or friend, would benefit your child.

The sessions will be carried out in the Den where I have a dedicated counselling room which is a comfortable, safe environment, so your child can express their thoughts and feelings confidentially through creativity and talking, with no judgement.

I am very passionate about how important therapy is for children at a young age as this helps to set them up for a positive response to therapy later in life.

At present I'm available on Wednesday afternoons. Please don't hesitate to contact me at carlarosecounselling@gmail.com should you require any advice, further information or details of the costs.

Kind Regards

Carla Rose - School counsellor

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough.

Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- Idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Borough's air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
