

31st January 2025

Dear Parents and Carers,

*Another good week with fewer late marks, although there's still room for improvement.
School is feeling so much calmer in the mornings. Thank you for getting your children here on*

time. Don't forget we will be giving out more AMPS Awards on random days for those children who arrive between 8.50 and 8.55am.

I am currently in the process of writing a Parental Conduct Policy, as I feel it is really important that us adults set a good example to our children. Please remember when you are picking up and dropping off we do expect you to show respect to others. This includes our neighbours. We have had more reports of people parking over dropped kerbs, over driveways and being inconsiderate and aggressive towards our neighbours. Please plan your school pick up and drop offs carefully so that you are not late, leading to inconsiderate parking. If possible, please walk to school.

Have a wonderful weekend!

Kind regards,

Jackie Oldfield, Head Teacher

Internet and Digital Safety

Safer Internet Day Competition

Safer Internet Day is the UK's biggest celebration of online safety. Each year we cover an online issue or theme that speaks about the things young people are seeing and experiencing online. Created in consultation with young people across the UK, this year Safer Internet Day will be focusing on the issue of scams online, how young people can protect themselves and others, as well as what support is available to them.

This year, the White Hills Park Trust are running a trust wide competition and all pupils are invited to produce an online safety poster in order to take part.

Rules

-
- *Poster to be done individually or in pairs.*
 - *Posters to be completed and handed to class teachers by 11th February 2025.*
 - *Posters can be A4 or A3 in size.*
 - *They can be handmade or digital (digital posters can be emailed to the office)*
 - *Don't forget to include your name and class on the poster (including digital copies).*
-

At The National College, our **WakeUpWednesday** guides engage and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, harmful trends and anything and everything digital. Regularly delivered by National Online Safety, these guides have a more wider scope and interest. For further guides, tips and tips, please visit thenationalcollege.com.

What Parents & Educators Need to Know about SNAPCHAT

SNAP STREAK 97 DAYS

AGE RESTRICTION 13+

Snapchat is a messaging app which allows users to send images, videos and texts to others. Its best-known feature is that anything sent 'disappears' 24 hours after it's been viewed, however, users are known to take screenshots or use another device to capture a photo of their screen. In 2023, Snapchat added a chatbot function called 'My AI'.

WHAT ARE THE RISKS?

ARTIFICIAL INTELLIGENCE

My AI is Snapchat's new chatbot, which replies to questions in a human-like manner. However, the chatbot is not in its infancy and has significant drawbacks, such as biased, incorrect or misleading answers. There have been reports of young users turning to AI for medical help and diagnosis, which could be harmful and therefore potentially dangerous.

PREDATORS AND SCAMS

Predators can exploit Snapchat's disappearing messages by, for example, telling a user they have stolen photos of them and will post them online if they're paid. Snapchat's own research found that 85% of teenagers had experienced this - on this app or others. This likely isn't limited by 'disappearing' messages which highlights your email position in real-time. This is meant to help friends keep track of each other, but could be used for more sinister reasons.

MY EYES ONLY

Snapchat has a hidden photo vault called 'My Eyes Only'. Users can upload sensitive photos and videos from their phone's gallery to this folder, which is protected by a PIN. You can also lock this by clicking on the icon which looks like two playing cards. This takes you to the 'Memories' folder which stores photos, videos and the My Eyes Only folder.

SCREEN TIME ADDICTION

Snapchat prioritises user engagement, with features like streaks (encouraging the same person every day to avoid going 'ghost') and the app's 'Snapchat Score' (which shows how many 'snaps' you've sent and received). This could often be seen as an attempt to hook users into watching videos and using features, instead of just being able to see people using the app.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The features used to group content are determined by the parent, so even an innocent search term could still lead to inappropriate results. The app's 'disappearing messages' feature also makes it easy for young people to share explicit images or videos - the likelihood of them being associated with Snapchat.

ONLINE PRESSURES

Although many of Snapchat's filters are designed to entertain or amuse, the 'beauty' effects on photos can set unrealistic body image expectations, leading to feelings of inadequacy or 'image issues'. The app's 'disappearing messages' feature also makes it easy for young people to share explicit images or videos - the likelihood of them being associated with Snapchat.

Advice for Parents & Educators

UTILISE PARENTAL CONTROLS

Snapchat's 'Family Center' lets you view the details of the child's account - from friends list and who they've added to the chat - and report any concerns. You must invite a child to the Family Center for them to join. To keep the child's location hidden on the app, go to Settings and turn on 'Hide location' and ensure they have location services turned on.

BLOCK AND REPORT

If a stranger does contact with a child on Snapchat and begins to make them feel uncomfortable through bullying, pressure to send explicit images or for sending sexual images to them, the child can let the app know by reporting the user. There are options to share what they're reporting that user - such as blocking or reporting the user or contacting the national helpline.

FAMILIARISE YOURSELF

Before you allow a child to download Snapchat, download it yourself and familiarise yourself with the app. Snapchat has produced a parental guide to the app to help you understand how it works and any potential risks to your child. A link for this can be found in the box on the left.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be harder to handle if you neither do open dialogue. For example, discuss My AI's responses to questions and how it relates to your child's online and digital safety. Discuss the app's 'disappearing messages' feature and how it can be used to share explicit images or videos. Encourage your child to be open and honest about their online activities and to seek help if they feel uncomfortable or unsafe.

Year 4 Swimming Lessons

This term the Year 4 children will be going swimming at Carlton Forum Leisure Centre. We will travel there by bus, which is provided by the Local Authority.

*The morning swimming sessions start on **Friday 7th March** and will be weekly through to **Friday 25th July**.*

*Your child **does** need to wear school uniform on swimming days. Swimming Lessons are in the morning. Your child should **wear their swimwear under their school uniform. Please ensure that they have a towel and their underwear in a separate (named) swimming bag.***

The Local Education Authority issue rules regarding swimming costumes which are as follows:

- *Girls – one piece swimming costume*
- *Boys – swimming trunks or close-fitting shorts without side pockets and **no longer than mid-thigh length (see attached sheet)***
- *Hair which is longer than jaw length should be tied back or in a cap.*
- ***All jewellery** must be removed. Earrings cannot be taped over or covered by a hat.*

- Goggles can be worn. However, it is the responsibility of the parent/carer to adjust and fit the goggles correctly and to write a letter of consent to the class teacher.

Please adhere to the regulations, as the instructors will not let your child swim if they break the rules.

Boys require "jammer" style tight fitting trucks or shorts with no pockets, and which are no longer than mid-thigh length. Baggy "board shorts" style of swimwear is NOT suitable for the swimming lessons: Acceptable boy's swimwear is shown below:

Girls require a one piece swim suit which is tight fitting and not revealing. Bikini/tankini style of swimwear is NOT suitable for the swimming lessons: Acceptable girl's swimwear is shown below:

PTFA Fundraising Update

*We wanted to give you an update on the well-attended Christmas Fair that took place on Friday 29th November. We raised a fabulous **£1,993.86** which will be money that will be used to benefit the children of Arnold Mill Primary School. We wanted to thank everyone for their contributions towards making the fair a success. This includes the School staff and PTFA members who volunteered time to run a stall at the fair, and all the PTFA and School volunteers who helped in the lead up and organisation. It also includes the whole school community for your generous donations with the bottle and chocolate non-uniform day, the rainbow-coloured class hampers, baking donations and attending the fair on the day.*

We have included some pictures of the amazing hampers that were raffled off as prizes with our rainbow-coloured class donations, as well as the pictures of our fabulous bake-off entries.

Congratulations to the raffle prize winners and bake-off winners – we hope you enjoyed your prizes 😊

We always appreciate any help you can give, so if you want to get involved, email us on friendsofarnoldmill@arnoldmill.notts.sch.uk or contact us on [Facebook](#). Keep an eye out to see what else we're planning and we're looking forward to seeing everyone at the Summer Fair on Friday 27th June!

The Uniform Project Nottingham

The Uniform Project Nottingham is a not-for-profit organisation helping Parents and Schools in and around Nottingham to reduce clothing waste by recycling school uniforms. Founded by a local Nottingham mum who is passionate about environmental sustainability and building a greener future for local children.

The Uniform Nottingham collects school uniform donations all year round. All uniform donations are quality checked, cleaned and repaired whenever possible to ensure all the uniform items gifted to local families are of high quality. Any donations that cannot be reused are recycled for rags to ensure nothing is wasted.

If you have any old school uniform (for any local school) that you would be willing to donate there is a pink collection box is located in our Main Reception (we also donate approximately twelve black bags of un-named, unclaimed lost property uniform per year).

The Uniform Project shop is open to the public all year round by appointment only. To book an appointment at the shop please message them via their Facebook page ([link to Facebook page](#)) or email uniformproject@hotmail.com

Proposed introduction of free breakfast club from 8.30-9.00am every day

The Government are asking all schools to provide a free daily breakfast club 30 minutes before the start of the compulsory school day. With this in mind, we are wanting to gauge interest so that we can start planning for the provision. This would be for all children in reception-year 6 (not nursery).

Please note that this will be in addition to the current wraparound care we offer (Arnie's breakfast club (starting at 7.45am) and Millie's after school clubs until 4.30 or 6.00pm).

Recycle with Michael

Turn your unloved clothes and shoes into cash for Arnold Mill Primary School!

Recycle with Michael!

Facilitated by The Salvation Army's Clothing Collection service, this nationwide scheme aims to divert thousands of tonnes of unwanted items away from landfill, while educating our children about the importance of reusing and recycling.

So we're asking you to dig out those old clothes taking up space in your wardrobe, sort out the outgrown shoes.

It couldn't be easier to get involved. Simply:

- 1. Fill bags with your unwanted clothes and shoes (no bric-a-brac please).*

2. Return the bags containing your unwanted items and pop them in the black collection point located just inside the main gate (Cross Street).

The Salvation Army will collect the bags and the money raised from the items will be shared with the school. **The more bags we fill – the more cash we raise!** If you're having a clear out, remember Recycle with Michael, and donate to a great cause.

We hope you'll help to support us and give your preloved clothes a new lease of life.

Christmas Jumpers and Pyjamas

Do you have any pre-loved Christmas jumpers and/or pyjamas you would be willing to donate to the school? If so that would be amazing (thank you), please drop them off at the school office.

Good luck with the sorting and thank you in advance

Ink Cartridge Recycling

There's no better way to start the New Year by clearing out clutter and helping the planet! Your used ink cartridge donations can keep waste out of landfills and raise funds for our school (the donation box is located in the Reception area). Help kickstart your 2025 sustainably! Let's make this a year of positive change.

KS1 Reading for Pleasure with Parents

It has been a great term and we have discovered so much about a range of different topics.

As our returning KS1 parents will know, we like to invite you to come into school and read with your child(ren). Reading is at the heart of everything we do in school and promoting a love of reading for pleasure is one of our highest priorities. After having taken on board feedback from last year, we are letting you have these dates now so that as many of you as possible will hopefully be able to join us! You are always welcome to bring books from home to share in these sessions or read one we have in class.

In all cases, please arrive outside your child's classroom and we will open the doors as soon as we can for you to sign in and join in!

Friday 24th January 9.00am – 9.30pm

Tuesday 20th May 3.00pm - 3.30pm

Thursday 3rd July 3.00pm – 3.30pm

We hope you can join us at one or more of the sessions, but we do understand that you are all very busy so please don't worry if you can't as there are lots of staff members who will be able to read with your children.

If you have any questions, please see your child's class teacher.

Kind regards,

DAaRT - Year 5

The Life Skills Primary Programme will be taking place in school during the next term. Year 5 will be involved in discussion, activities and will watch video clips during which they will meet the DAaRT Crew. These young people often get into risky situations, and the class will help them make informed decisions and keep safe and healthy.

During the programme, the children will have a workbook in school. The children will learn about responsibility, pressure, peer pressure, confident communication, bullying and cyberbullying, risks and consequences, stress, and recognising their support networks. We will also be discussing helpful and harmful drugs, including alcohol and Nicotine and the effects that these have on the body. The programme includes a discussion on knife safety and will also explore the differences between various groups in society.

This programme has been running in the East Midlands and beyond for over 25 years, has more than 400,000 graduates and has been proven to make a difference in young people's lives. For more information, please visit www.lifeskills-education.co.uk where you will also find a link to the most recent research about the course.

Year 5 will have their DAaRT graduation assembly on Wednesday 2nd April at 3:00pm. The children will be able to invite two guests to come and watch the graduation, details of how to book will be sent out closer to the time.

Thanks for all your continued support.

Year 5 & 6 Team.

Volunteers needed - Garden

We are looking for adult volunteers who can spare some of their time to help maintain our garden/allotment. If you are willing to spare an hour or 2 please contact the school office.

Parking Safely and Considerately

If dropping off or collecting your child by car, please drive and park safely:

- **Be considerate of our neighbours and leave their driveways clear**
- **Do not park or stop where parking is prohibited during school drop off or pick up - yellow zigzags, double yellow lines & some single yellow lines**
- **Follow the highway code**

Thank you for your support
#roadsafety #community #drivesafely

We regularly receive phone calls about inconsiderate parking and/or cars parked with the engine running.

We would ask again that you please park safely and considerately on roads around school when dropping off and collecting children from school. We have had a number of complaints recently from local residents regarding parking, with some people even being aggressive when challenged. Please use the links below to see what the guidance is. Please also note that the school car park is for staff and visitors only and should not be used by parents.

Helping your child with maths

Hello all,

After Parents Evening it has become apparent that there are a number of adults that would like to support their children further at home. For this reason we are exploring how we can best equip you with the resources and skills and would like to gather the thoughts of the school community. We would really appreciate if you could take a couple of minutes to complete this quick questionnaire (it will take no longer than 2 minutes).

Thank you,

Mr Robinson and Miss Dibley - Team Maths

OPAL (Outdoor Play and Learning)

We would like to express a big thank you for your ongoing support with the introduction of OPAL (Outdoor Play and Learning) lunchtime at our school. We are delighted with the positive impact it is having so far and your support has been instrumental with this.

As we continue to expand OPAL, we are in need of more equipment to further enrich the play experience. Please see our new OPAL Bingo Card with examples of equipment that would support us going forward. As well as the below equipment we are always looking for scooters, helmets, material and skipping ropes.

The first class to complete their bingo card will receive an extra playtime. Please give any equipment to your child's class teacher or, if unsure, speak to the office.

Many Thanks,

Mr Hewlett, Mr Phillips-Alexander, Mrs Bullen, Mrs Tomlinson (The OPAL Play Team).

Car Park

Just a quick reminder that the school car park is for staff and visitors only. Parents should not use it for dropping off or collecting children. Please do not use it for breakfast club, after school clubs or boosters. The only exception to this is after 5pm from Millie's After School Club.

Many thanks

CARLA ROSE COUNSELLING

Carlarosecounselling@gmail.com

I have worked as a Teaching Assistant at Arnold Mill for 12 years and in more recent years I have gained my level 4 Diploma in Counselling and have worked as School Counsellor alongside my TA role. I have now decided to make counselling my sole career, but I will still be working very closely with Arnold Mill.

I will be available to carry out 1-1 private counselling, should you feel your child may need support and encouragement for any concerns that you, or they, may have. This could be for bereavement/loss, stress and anxiety or trauma; or you may just feel that talking to an independent Counsellor, other than a family member or friend, would benefit your child.

The sessions will be carried out in the Den where I have a dedicated counselling room which is a comfortable, safe environment, so your child can express their thoughts and feelings confidentially through creativity and talking, with no judgement.

I am very passionate about how important therapy is for children at a young age as this helps to set them up for a positive response to therapy later in life.

At present I'm available on Wednesday afternoons. Please don't hesitate to contact me at carlarosecounselling@gmail.com should you require any advice, further information or details of the costs.

Kind Regards

Carla Rose - School counsellor

GEDLING BOROUGH AIR NEEDS YOUR CARE

What are the health impacts

Air pollution from idling cars can lead to:

- Increased chance of developing lung cancer
- Increased risk of heart disease
- Increase in asthma, coughs and bronchitis

Children

Children are the most at risk because they:

- Have smaller lungs and breathe more rapidly
- Spend more time outdoors
- Tend to be more active and breathe more deeply

How it affects you and others

Excessive idling is a waste of fuel and money, resulting in an unnecessary negative environmental impact.

People inside cars are exposed to high levels of air pollution, with children especially at risk of harmful effects.

Nottinghamshire's air pollution contributes to hundreds of premature deaths each year.

Don't sit there idle

Keeping the engine running while stuck in traffic or waiting to collect someone pollutes the air we breathe.

It's up to all of us

Drivers in Gedling Borough can make some simple changes to improve air quality in the Borough. Most pollution comes from vehicles and idling produces unnecessary air pollution and wastes fuel.

Schools, hospitals and bus stops in particular are hot spots, as:

- idling is more likely to happen in these locations
- They have sensitive age groups, such as children and older people.

Switch off when waiting or stuck in a jam.

Switch to cycling or walking for local trips.

Switch to a bus or train when you can for longer journeys

You can find out more about air quality by visiting Gedling Boroughs air quality webpage below:
www.gedling.gov.uk/resident/environmentalhealth/airpollutionmonitoringandreporting/

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

1. Talk about the reader's interests and inclinations - find connected texts that tempt to explore and discuss together.
2. Think about why reading is good for them - focus on intrinsic motivation rather than external rewards.
3. Capitalise on opportunities to share reading thoughts and interests with others - encourage them to notice preference and choice.
4. Find regular opportunities to visit your local/ school library.
5. Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
6. Be a reading detective by investigating the different purposes for reading (e.g. adverts to persuade, news to inform, stories to entertain).
7. Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.
8. Invite others into the reading space - share the love of reading together in your reading community!
