February 2024

Dear Parents/Carers

Parent Satisfaction Questionnaire 2024

At Arnold Mill we set out to provide the children with the highest standard of education in a safe and secure environment. We have a set of aims and values that you are familiar with and we are continuously aspiring to make school even better.

The annual questionnaire is a very important part of the school self-evaluation process and is designed to provide parents/carers with an opportunity to express their thoughts and opinions on some of the key aspects of school life. The outcomes are used to feed into the school improvement process. Past questionnaires have provided us with really useful information that we have acted upon to improve systems and procedures or address concerns.

Please do not use this questionnaire as an opportunity to 'personalise' complaints regarding specific people. I would hope that this questionnaire does not throw up any complete surprises and that any significant concerns have been addressed through previous communication.

This questionnaire can be completed anonymously but if you feel strongly about something, it may be helpful to add your name so we can feed back directly if needed.

Please use this [Link to questionnaire](#) to complete the questionnaire by Friday 1st March at latest.

Many thanks

Mrs J Oldfield
Head Teacher
