Thanks to the incredible generosity of our school community, the PTFA raised £7597 in profit this year to directly benefit our children.

The PTFA have provided Christmas presents, baking equipment and contributions towards class parties as well as putting on amazing events with the aim of creating a more inspiring and supportive environment for all our pupils. Now we have more money behind us, we are going to work towards replacing the trim trail, and adding exciting outdoor equipment, alongside enrichment opportunities for the children.

We also want to give a special thank you to Daniella, our wonderful ice cream lady, for the ice cream donations at multiple events, on top of the money raised by the ice cream van sales.

We look forward to another great year and we couldn't do this without your support!

Thank you!
