3rd September 2025

Dear Parent/Carer,

Maths Rockstar and Number Day

As a school we love all things Maths and enjoy it even more when we mix it with fun! On **Tuesday 23rd September**, children will be taking part in a range of different activities related to maths. This will include counting games, Multiplication Challenges and a "Times Table Rockstar" battle against other school from the White Hills Trust. If your children are in year 1-6, we are also proud to invite parents into their child's classroom at 3.00pm (till 3.25pm) to take part in some Maths related games and challenges. Foundation Stage parents will be invited into class later in the year, so they do not miss out.

To add to the day, children are invited to come to school dressed as Rockstars or anything number/maths related. This could include wearing a band t-shirt, doing their hair in a fancy style, decorating themselves with their favourite number or even as a certain shape (if you or our child would prefer, you are welcome to wear uniform).

We would also like to remind parents that over the coming weeks children will come home with a login for TTRS (Years 3-6) which is an interactive app the school pay for. In addition to this, teachers will be putting many links to games and apps on class web pages that children can access so please encourage your child to use these apps at home. A great app for our younger children to access is the free White Rose 1 Minute Maths App to support early maths learning

<https://whiterosemaths.com/1-minute-maths>.

Thank you for your continued support,

Mr Robinson and Miss Dibley
