12th September 2022

Dear Parent/Carer,

Maths Rockstar and Numbots Day Y1 - Y6

As a school we love all things Maths and enjoy it even more when we mix it with fun! On **Thursday 22nd September**, children will be taking part in a range of different activities related to maths. This will include counting games, Multiplication Challenges and "Times Table Rockstar" battles.

To add to the day, children are invited to come to school dressed as Rockstars or anything number / maths related. This could include wearing a band t-shirt, doing their hair in a fancy style, decorating themselves with their favourite number or even as certain shape.

We would also like to remind parents that over the coming weeks children will come home with a login for TTRS (Years 3-6) and Numbots (Years 1 and 2) which are interactive apps the school pay for. Please encourage your child to use these apps at home and you can also download and access the free White Rose 1 Minute Maths App to support early maths learning <https://whiterosemaths.com/1-minute-maths>.

Thank you for your continued support,

Mr Robinson and Mr Booth
