7 February 2023

Dear parents and carers,

Today we are joining schools and youth organisations across the UK in celebrating Safer Internet Day.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on children and young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet.

Using the internet safely and positively is a key message that we promote in school. Each class will be participating in our assembly, celebrating Safer Internet Day, which is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. They will also have a visit from our Digital Leaders sharing a story about screen time and the importance of limiting it. The Digital Leaders are also sending home a screen-free bingo activity to have a go at over half term and there is a whole-school competition to design us an AMPS online safety mascot! We will be busy!

You can watch the official Safer Internet Day 2023 film for parents and carers here:
