"Art, craft and design embody some of the highest forms of human creativity. A high quality art and design education should engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment invent and create their own works of art, craft and design. As pupils progress they should be able to think critically and develop a more rigorous understanding of art and design. They should also know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation."

Analysis/ next steps (October 2021)

- Investigate printing - especially KS1
- Observation in FS to assess 'play' and focussed art opportunities
- Gain a more detailed understanding of KS1 (eg work with Arcimboldi and Banksy)
- How many of these artists are British? (Sense of pride/ being informed by their own cultural heritage)
- Should we be studying Bonington (local artist)?
- Art gallery visits?
