

F1 Overview for Spring Term

Here are some of the themes we will be exploring over the coming months:

We will be reading some traditional tales and learning how to retell them simply using actions.

We will learn about growing, changes and healthy eating through familiar stories.

We will be observing plants growing and changing in the Foundation garden.

Our Themes:
Once Upon a Time...
In the Garden

In maths we will be starting to subitise up to 3 and beginning to learn about numbers 4 and 5.

We will be learning about different festivals and traditions:

We will continue to look at changes in the weather and season.

We will be celebrating our love of reading in March with World Book Day.
