July 2021

Dear Parent/Carer,

Teams Feedback

Thank you very much for all of your interaction with our move towards blended learning through MS Teams this year. It has been a huge learning curve for all of us but we hope you agree that it has been beneficial in these changing times for education.

If you have any feedback for us on the use of OneNote/Teams/MS office online through school, I would be really interested to hear it in order to help us plan our next steps and how we can take it forward into the future. Although we very much hope that setting remote learning due to Covid is at an end, blended learning is here to stay in education. We will be utilising our online platform more and more as time goes on so please do follow the link to complete a short Google survey and let us know how you have found it and what you would like to see in future:

<https://forms.gle/gZYRXBCreJxsa1n9>.

Teams Access

Your child's new teacher will soon be adding your child to their new class MS Team ready for the new school year. Just a warning that access to your child's current class Team will cease after the 31st August 2021. If there is any work, photos, videos etc. stored on your child's current class Team, you will need to make sure you download it prior to this date.

For parents with children in the current Y6, their online office.com/Teams access will be removed on August 31st by our IT support provider so again, do please make sure anything you//they wish to keep from their Teams, One Drive etc. accounts have been downloaded before then. We will be archiving all of the current class Teams as evidence however they will not be accessible any more by the children after the 31st August.

If you have any questions, do please get in touch with me on sllloyd2@arnoldmill.notts.sch.uk

Have a lovely summer!

Mrs Lloyd (computing lead)
