---

Hello children, parents and local friends of our school community!

We are all missing each other so much and so to try and help us all feel more connected please join in this national initiative to spread some love this Valentine's/ children's mental health week.

Please put up a heart in your window at home, big or small homemade or cut from newspaper doesn't matter (think the rainbows of lockdown 1). Please feel free to write messages to people who might see them too, if you would like. Do this as soon as you can and then start looking for them on your daily walks! If you'd like to tell us what street you live on, (please email [sloyd2@arnoldmill.notts.sch.uk](mailto:sloyd2@arnoldmill.notts.sch.uk)) we will put together a list of streets taking part in our local area and then the children can go out looking for them like a treasure hunt. We will make this list on Friday 12th February and send it out ready for walks over half term so get making!

This is a national idea and people all around the country are doing it so please share this with your family and friends near and far on social media and neighbours on your street. We will be sharing this on other local social media groups so come on Arnold, lets share the love and heart-bomb our neighbourhood!!

Many thanks for your continuing support

Sam Lloyd
