June 2022

Dear Year 3 and 4 Parent/Carer,

As part of Relationships Education, in the coming weeks, Year 3 and 4 will be taking part in special age-appropriate PSHE lessons where they will learn about the correct name for their body parts as well as menstruation. All children will be involved in these lessons and will be taught by their teachers in their normal classes. You may wish to discuss this with your children beforehand.

If you have any questions about these lessons, please email Miss Butler or Miss Hillary. Information about the lesson content is also available on our Relationships and Sex Education Policy 2022 on the school website should you wish to see what will be covered in more detail.

Children cannot be withdrawn from these lessons as they form part of the Science curriculum.

Kind Regards

Miss Hillary and Miss Butler
