Dear Parent / Carer

We have endeavoured to keep you informed of relevant information regarding the Coronavirus and issues regarding the pupils / staff in school. Our primary concern is to keep all members of the school community as safe as possible while continuing to operate effectively. Over the next few weeks, it is going to become increasingly difficult to keep everything 'normal' and we will make every effort to stay open for as long as possible to support parents and the community. However, we are preparing for possible school closures due to Government advice or insufficient staffing levels. You will be informed by email and an announcement on the school website in the event of school closure.

During extended school closures, we are planning to introduce a range of home learning opportunities for pupils to access. This is in addition to the regular activities already expected i.e. reading, spellings & TT Rockstars. These will be gradually introduced as more materials become available.

Our main forms of home learning will be online through **Purplemash** and **Class Dojo** where activities and learning opportunities will be made available. Please could you ensure your child knows their logins for the any online resources they currently use i.e. Purplemash, TT Rockstars, SPAG.com & Spellzone. There is also a whole wealth of online materials available that are easily accessed from sites such as BBC Bitesize.

It is an extremely difficult and challenging time for us all but we will do everything possible to support pupils and families.

Thank you for your help and support.

Mr Sharp
Headteacher
