5<sup>th</sup> November 2020

Dear Parent / Carer,

The Government finally released the schools' lockdown guidance yesterday, 4<sup>th</sup> November. The majority of the recommendations are in line with previous documents and there are only a few minor alterations for school to implement. It is advised that:

- **No after school sports clubs** – this means that KS1 gym club and KS2 Rugby club will be cancelled for the lockdown period.
- **Face coverings** – all essential visitors, office enquiries or contractors are advised to wear a face mask when in school.
- **Social distancing** - we ask that Parents / Carers are extra vigilant when dropping off / picking up and adhere to appropriate social distancing guidelines.
- **Clinically extremely vulnerable children** – Parents / Carers should contact their GP to discuss the most appropriate action for their child. Children who live with someone who is clinically extremely vulnerable, but who are not clinically extremely vulnerable themselves, are advised to attend school.

All other routines, arrangements & procedures remain the same.

Let's hope the forthcoming lockdown helps improve the current situation and provide some hope for the future and a pathway forward. Take care of yourselves, stay safe and look after each other.

Yours sincerely,

Mr Sharp
