## Arnside National C of E School

### Admissions Policy

**The Governors of Arnside National Church of England School are the Admissions Authority for the school. Following consultation with the Diocesan Board of Education and the Local Authority the Governors have set the published admission number for access to the reception class as 28.**

The parental pack contains information and **an application form for admission to our school.**

It is also possible for an application to be made on the Local Authority's website.

This is the preferred option but if you wish your application to be considered under the faith criteria you should also please complete the supplementary form, (Appendix A) and hand it to school.

**An application for entry in September 2021 must be made by the closing date which is 11 January 2021.**

Parents are encouraged to name three schools in order of preference on the application form.

The Governors operate a system whereby they consider all preferences equally, so the order of your preferences will not be used in considering your application. (It will only be used if a place is available for your child at more than one school.) Places at this school will be allocated according to this Admissions Policy and the Local Authority's Coordinated Admissions Scheme.

A letter informing parents of the success or otherwise of their application will be sent out by the Local Authority. Parents of those children not offered a place will be informed of the reason and their right of appeal and offered an alternative school by the Local Authority.

**All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.**

- 1) Children who are in Public Care, have previously been in Public Care, children who have been adopted or have become subject to a residency or special guardianship order. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989.
- 2) Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
- 3) Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
- 4) Children living within the catchment area who with a parent attend at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.
- 5) Children living within the catchment area who, with a parent, worship in a non-Christian faith which is in membership of the U.K. Interfaith Network. The Governors will seek confirmation that the parent meets the normal religious obligations of the faith.
- 6) Children living within the catchment area.
- 7) Children living outside the catchment area having brothers and sisters attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
- 8) Children living outside the catchment area who with a parent attend on a regular basis, i.e. at least twice a month, a church in membership of Churches Together in Britain or the Evangelical Alliance. Attendance may be at more than one church but should be for at least two years prior to the application date.

9) Children living outside the catchment area who, with a parent, worship in a non-Christian faith which is in membership of the U.K. Interfaith Network. The Governors will seek confirmation that the parent meets the normal religious obligations of the faith.

10) Children living outside the catchment area. A map of the catchment area is available from school

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Special Educational Needs or an Education, Health and Care Plan naming Arnside National Church of England School then irrespective of the criteria the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

### **Tie Break.**

In some categories, where there are more applicants than places available, age will act as a determining factor in sibling categories, in all other cases it will be distance. The distance is measured from the child's home front door to the main entrance door of the school. The distance is determined by the shortest walking route by road. The Governors will use the Local Authority School Admissions Department's measuring system to ensure consistency of measurement. The closest addresses will have priority.

### **Address of Pupil.**

The address on the application form must be the current one at the time of application. Where a child can live at more than one address the home address is to be the one where the child sleeps and thus wakes up for all or the majority of the school week. Where there is any doubt, the governors reserve the right to verify the information provided by the parent(s), for example, through the GP or the child benefit address.

### **In Year Admissions.**

In year admissions are those which occur outside the "normal" admission time. If you wish your child to attend Arnside National Church of England School, you should visit our school and admission details will be provided. If your child is refused a place you will be informed of your right to appeal.

### **Fraudulent applications.**

If the Governors of Arnside National Church of England School discover that a child has been awarded a place as a result of an intentionally misleading application from a parent, for example, an incorrect address and as a result it effectively denies a place to a child with a stronger claim then the Governors will withdraw the offer of a place. The Governors will reconsider the application and the right of appeal offered if a place is refused.

### **Deferred admission.**

For children beginning school following their fourth birthday admission is normally in September. However, if you wish entry can be deferred until later in the year or until the term in which your child reaches compulsory school age. For example, if your child's fifth birthday is between September and December then, if you wish, admission may be deferred until the beginning of the Spring Term. If it is between January and April admission may be deferred until the beginning of the Summer Term. You can also request part time education until the term in which your child reaches compulsory school age. The Governors recommended that in your child's interests full time education is deferred no later than the start of the Spring Term.

### **Appeals Procedure.**

If the Governors are unable to offer your child a place because of over subscription you as a parent have a right of appeal under the School Standards and Framework Act 1998 as amended by the Education Act 2002. You should notify the Clerk to the Governors of Arnside National Church of England School within 20 school days of receiving the letter which will give the grounds for refusing a place. As a parent, you will have an opportunity to submit your case to an independent appeals panel made up of governors.

You must set out your grounds for the appeal in writing. You will normally receive at least 14 days' notice of the time and venue for the appeal hearing where you will be able to present your case in person. This right of appeal does not prevent you from making an appeal in respect of any other school. The Independent Appeal will be organised on behalf of the Governors by the Legal and Democratic Services Unit at Carlisle.

### **Waiting List.**

Those children who are not offered a place may, if the parents so wish, be placed on a waiting list.

The names will be placed on the list in the order of the admissions criteria. Late applicants will be slotted into the list according to the admissions criteria. It is thus possible for a child recently arrived in the area to have a higher priority than a child who has been on the waiting list for some time. Irrespective of whether an appeal has been submitted, if a place becomes available it will be offered to the child at the top of the list. The waiting list will remain open for the whole of the first term in the year to which it relates.

### **Infant Class Size.**

If your child was refused a place in a reception or key stage one class because of Government limits on infant class size, the grounds on which your appeal could be successful are limited. You would have to show that the decision was one which no reasonable governing body would have made or that your child would have been offered a place if the governors' admissions policy had been properly implemented.

### **Multiple births.**

The Governors of Arnside National Church of England School will ensure as far as possible that twins, triplets or those children born in the same year are not separated. Such children will be given priority in any particular category.

While no infant class is to contain more than 30 pupils there can be very limited exceptional circumstances. The admittance of such a child(ren) will be known as an "excepted pupil" for the time they are in an infant class or until the numbers fall back to the size limit. An excepted child would be one whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil. It might also include a pupil with an Education, Health and Care Plan or a statement; or a looked after child or a child of a U.K. Serviceman to be admitted outside the normal admission period.

### **Nursery Admission.**

Children may be admitted to nursery from the term following their 3<sup>rd</sup> birthday. Children are able to attend for up to 15 hours per week, (five morning sessions 9.00am – 12 noon) with the cost covered by the Nursery Free Entitlement. The nursery does accept the 30 hours free sessions if the parents are eligible. Additional Nursery sessions are offered in the afternoons, 12 noon to 3.00pm, at a cost of £12.00 per session, (£13.00 if you want the session to 3:15pm). All bookings and payments must be made in advance.

Applications will be prioritised for admission to Arnside Nursery using the criteria as set out in our admission policy with the addition of the following two criteria:

- Priority will normally be given to parents/carers seeking the standard five half-day sessions.
- The Governors reserve the right to withdraw a place if the Nursery Grant has been allocated elsewhere.

Successful application will guarantee a place in nursery during the term following their 3<sup>rd</sup> birthday.

This appendix details the dates of application and entry for children

Applications should be submitted to the Headteacher.

This policy will be reviewed September 2021
