Thank You's

The kindness and generosity of the Arnside Business Community Fund have given the club £200 for a new oven, arranged by Charlotte Muir from Arnside House and Jane Caldwell owner of Posh Sardine. The club and the rest of the school will benefit from this appliance. A huge thank you to Tom at Clocktower Electrics at Milnthorpe for not only reducing the price to suit our budget, but delivered and took away the old one free of charge. Installation was down to Luke Laddell at Projection Property Services, who gave up his time to disconnect and connect the appliances free of charge, you are our good samaritan. Catherine Banks has given us 3 established damson trees, so in time we can all enjoy fresh fruit. Catherine is always supplying Arnies with materials and resources, you are a star. Thank you to my friend at 39 Church Hill for the terracotta pots.

Things we need

Pop up tents, new plastic plates, hairbrushes, oven gloves, large pyrex dishes, bread maker, large boys dressing up clothes, mens hats, boys character figures, action men vehicles and clothing, current music cds.

Welcome Note

What a wonderful Easter break it has been. Quality time with the family, day trips, picnics and a holiday in the Yorkshire Dales. It's been beautiful even though the weather hasn't been brilliant. We made the most of visiting places of history and inspiration for the following months ahead. I am looking forward to hearing about your adventures over the following weeks. Last term at Arnies flew by, we managed to do so much and whenever possible, we made the most of the outside facilities at the school. Eating out (for the first time using the benches made by Mr Banks) whilst enjoying the birds flying in and out of the bird boxes, and the other singing with delight at the sun's warmth and fresh sense of the spring flowers. The children have all worked hard and have always shown respect for their fellow members. Its been quite incredible seeing them nurture the nursery children now attending the club, I am so very proud of them all. The winners of the Arnie point chart last term was a battle amongst some very hard working and creative children, therefore joint winners are (drum roll) Carla Gardiner and Orla Myers with Holly-Anna and Adam Banks close runners up. We will have time on the first week back to organise their special day. 😊
