## Welcome Note

Welcome back to all our new and existing Arnie members. I hope everyone has enjoyed their 6 week Summer holidays. The weather was fantastic for enjoying the great outdoors and I have had a wonderful time with my family and I look forward to listening to your adventures. Last term the children worked hard helping with the outdoor den and taking part in making our new garden area feel like home, making flags and painting pictures which we have laminated to decorate the garden. The plants needed a lot of watering which the children happily helped with, getting a little wet in the process. Talking of water, the little paddling pools were enjoyed by us all to keep cool in the hot sun. Arnie point winners were Maisie Wilson and Anya Holroyd, well done girls for your enthusiasm, help and super work last term, you both get to share the silver plate and receive a special day of your choice. PLEASE NOTE: The children will be receiving a smaller snack compared to he last year. 😊

## This Term's Planning

Holiday painting competition, story writing, pebble painting, shell pictures, friendships and team bonding, Autumn walk to Ashmeadow collecting apples, pears, walnuts and blackberries, baking, Arnies wall of fame portraits of all the members, inspirational people, football tournament day, dancing competition, still life drawing, party games, team relay races, weekly music days (with Iori), exploring sounds and different instruments, lyrics and songwriting. **Themes this term holidays and transport.**

## New This Term

Year Six prefects assisted by year Five to help with setting up activities and support with Nursery and Reception children.

## Thank You's

Firstly to all the parents that gave Julia and myself the thank you gifts and cards, they were very much appreciated and meant a lot to us both. Thank you to Heather Atkins for the new oven gloves and hair brushes for the club, Hazel Banks for making Elderflower cordial with the children and talking about seeds and plants. Katherine Banks and her husband for tree stump chairs for the outdoor den, our wonderful supportive team of helpers, Grace Attwood, George Grieves and William Adair, as volunteers you are the best, thank you so very much.

## Things we need

Seeds for growing Vegetables, junk modelling equipment, herb plants, metal cars/garage.
