Headteacher: Mr Nick Sharp BA Hons (QTS)

14th July 2017

Dear Parents / Carers

At Arnside School, the safeguarding and welfare of the children is at the heart of our work and we are always looking for ways to develop and improve our provision. For September 2017, we are planning to improve the site security of the grounds and this will involve enhancing the existing boundary walls with additional fencing and gates. You may already be aware that many schools in the local area are having to make large-scale changes in order to meet current OFSTED and DFE safeguarding requirements. We are aiming to improve provision by:

1. Create a new gated access point near the car park entrance to ensure pedestrians and vehicles are separated.
2. Gates in front of the school office to secure playtime areas and direct visitors to the main entrance.
3. Fencing along the public footpath to improve general site safety.

We are extremely fortunate to live in such a beautiful area and we will do everything possible to retain the nature and character of the school while ensuring the safest possible environment for the children and adults in our care.

Thank you for your support

Mr Sharp
