Dear Parents/Guardians,

We are excited to announce that this year we will again be participating in the Christmas Card Project with Art Projects for Schools Ltd (APFS). The funds raised through your support will help towards our aim of providing an outdoor classroom for the school. The project is also a great opportunity to recognise and celebrate your child's creativity and the items they make are great to send to family and friends.

The artwork your child has created will be reproduced in full colour onto greetings cards that are available in packs of 12. Additional items will also be available, such as a pack of 6 luxury, gloss-coated cards, gift tags and wrapping paper.

Due to current restrictions, the ordering process will be slightly different this year. In the next couple of weeks, your child will bring home the artwork they have created, so please keep an eye out for this.

On the reverse of their artwork there will be a sticker with a unique code attached to it. To order you will need to visit [www.apfsorders.co.uk](http://www.apfsorders.co.uk), and input this unique artwork code, along with your child's first name and surname by the specified order deadline. You will then need to hand back your child's artwork to school, so that it can be sent to APFS for scanning. Don't worry we will provide you with this information once the artwork has been completed.

As always, your support with fundraising activities such as the Christmas Card project is greatly appreciated, particularly at this time when some of the usual fundraising events have not been possible.

Kind regards,  
Arnside National School PTA
