

Class 2, Summer Term, Week 1 - Home Learning

This timetable will hopefully help to provide structure to your child's day if you need to. As usual please do what works for your family, this is just a guide! Do these activities or some of them in any order that works for you and fits with your family schedule. I will provide more information for you for the activities in **red**. Please send me emails or upload images to Dojo when your child is ready to share their work. I will be checking in regularly during the normal school hours. Thank you and enjoy!
