

## Class 2, Summer Term, Week 2 - Home Learning

This timetable will hopefully help provide structure to your child's day. As usual please do what works for your family, this is just a guide. Do these activities or some of them in any order that works for you and fits with your family schedule. Please send emails or upload images to dojo when your child is ready to share their work. I will be checking in regularly during the normal school hours. Thank you and enjoy!
