Dear Parents/Carers

We run a Code Club in school, thanks to a volunteer from Lancaster University, Lucy Hunt, who is keen to share her knowledge and experience with us. The children have expert tuition in coding to learn how to write their own computer programs. They will have their own login so they will be able to continue with their projects at home.

The club will be open to Y5 and 6 children (numbers will be limited) and will run from 3:15 to 4:30 on Wednesdays from 16<sup>th</sup> October. If your child is interested in attending the club, please complete and return the consent form below. There will be a waiting list for those who are not lucky enough to be in the club this term.

I would like my child ..... to join the Code Club on Wednesdays.
