Tuesday 29<sup>th</sup> October 2019

Dear Parent / Carer

Computing is an integral part of school life and the pupils are encouraged to use skills and tools throughout the curriculum. We use PurpleMash, an online learning platform, to structure and deliver our computing curriculum. It is a fantastic resource that pupils can independently access both in school and at home.

We would like to offer you the opportunity to join us for an information session where we can explain how the platform works, the pupil log in process, games & activities, and how homework can be completed online. In addition to this, we will also discuss Internet safety and how pupils can use technology in a safe and secure environment.

**The session will take place on Tuesday 5<sup>th</sup> November, 3.15 – 4.15pm.**

All are welcome to attend and it will be an excellent opportunity to discuss issues, share ideas and ensure we give the pupils the skills and knowledge to use computing safely and effectively. Please use the reply slip below to indicate your interest / possible attendance.

Thank you for your help and support,

Mr Sharp

---

Computing information session – Tuesday 5<sup>th</sup> November, 3.15 – 4.15pm.

I am interested in attending the computing session.

Signed.....
