10th December 2020

Dear Parent / Carer,

This afternoon, Dallam School have been advised by Public Health England to close the setting and reopen in January. This is due to the increasing number of positive cases across all year groups. School closure only happens under the strict advice of the Public Health England and the DFE have made it clear that all schools are to remain open unless there are a significant number of cases in the setting.

Parents of pupils with siblings at secondary school are reminded that if their child is showing symptoms or is going to have a Covid-19 test, all family members must isolate until a negative test result is known. Pupils must not attend school if an older brother or sister (or family member) is in the process of being tested.

It is an increasingly challenging time for all pupils, staff and parents / carers but by working together and closely following the guidance, we can help limit the spread of the virus. As always, I will endeavour to keep you updated.

Take care, keep safe and look after yourselves.

Mr Sharp
