

EARTH DAY

The Arnside National School Eco Club have planned some activities for Earth Day. Earth Day will take place on Friday the 22nd of April.

All of the children are invited to wear green and/or blue and bring £1. They would like to donate half of the money raised to, Save the Children's Ukraine appeal, a quarter to 'Team Seas' <https://teamseas.org/> and the other quarter to 'Team Trees' <https://teamtrees.org/> .

They would like to invite children to walk, scoot or cycle to school.

They have asked that all classes have a no or low energy day and to limit new paper use. They have also asked classes to take part in a few fun Earth Day activities and I look forward to sharing those with you soon.

Thanks, Mrs Hartropp and the Eco Club!
